A COSMIC SHOWDOWN - JESUS SAVES!

A friend of mine, Victoria Staight, shared the following story with me:

Jesus and Satan were having an ongoing argument about who was better on the computer. They had been going at it for days. God was tired of hearing all of the bickering. Finally God said, "Cool It. I am going to set up a test that will run two hours and I will judge who does the better job."

So down Satan and Jesus sat at the keyboards and typed away. They moused. They did spreadsheets. They wrote reports. They set faxes. They sent e-mails. They sent out e-mail attachments. They downloaded files, They prepared economic forecasts. They did some genealogy reports. They created personalized business cards. They did every job imaginable.

But ten minutes before their time was up lighting

suddenly flashed across the sky, thunder rolled, the rain poured and of course the electricity went off.

Satan stared at his blank screen and screamed every curse word known in the underworld - Jesus just sighed and waited patiently.

The electricity finally flickered back on, and each of them restarted up their computers.

Satan started searching frantically, screaming "It's gone! It's all gone! I lost everything when the power went out!"

Meanwhile, Jesus quietly started printing out all of his files from the past two hours. Satan observed this and became irate. "Wait! He cheated, how did he do it?"

God shrugged and said, "Jesus saves."

This humorous anecdote bears no semblance of

reality, but the punch line expresses a powerful liberating truth - Jesus saves!

Jesus can save your life! He can save your marriage! He can save you in spite of dire circumstance. He can give you reasons to keep going when you feel like hope has been exhausted! He can give you a new lease on life! He can liberate you from the bondage of addiction!

There is nobody like Jesus!

To learn more about the wonderful Saviour and how He can impact your life, consider visiting a local church this week! Please consult the Religious Directory below for service times and locations!
