## Canned goodness

Students at Robert Baldwin School recently collected 140 soup cans to donate to the local food bank. The labels from the cans have been removed so the school can take part in Campbell's Educational Assistance Program. Here the school's grade 5 Campbell's team (from left) Natalie Fretz, Mandy Baltin, Shelby Ito and Meghan Liske show off the gathered goods.

## Young Drivers®: What every driving course should be!

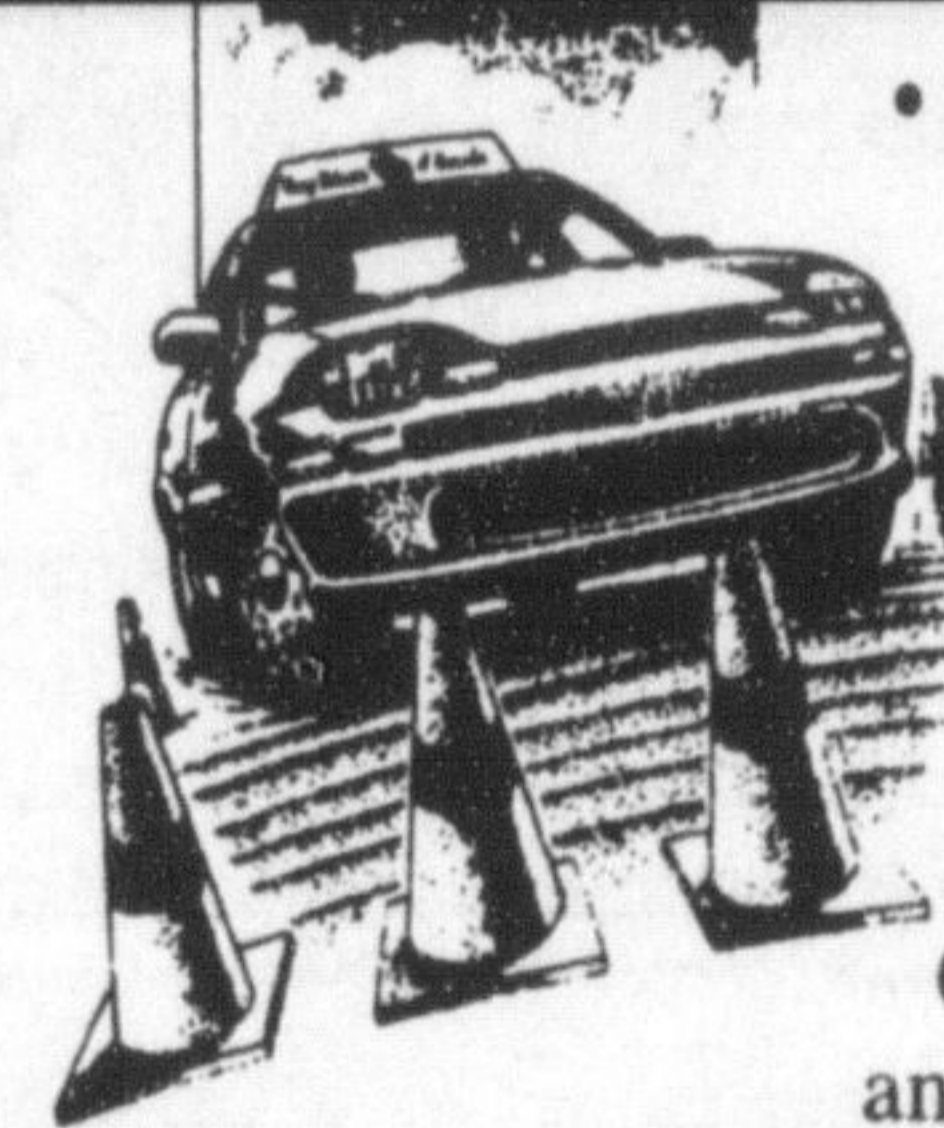

Most driving schools exist because people want to pass driving tests.

**YOUNG DRIVERS®** exists to teach the secrets and skills of lifetime Collisionfree™ driving.

So we don't stop when you've learned to pass a test. In fact, that's where we start.

**Besides collision avoidance, you'll get:**

- One-on-one in-car training.
- Heavy traffic, highway and freeway experience.

- Head-on crash avoidance and 8 other emergency maneuvers.
- Annually re-trained and re-certified instructors.
- Pick up and drop off at home or school.

Teaching over 650,000 Canadians how to *predict* and *prevent* collisions has made YD the most celebrated course in North America. (And earned us ISO 9001 registration!)

Call us for a free video brochure. And book a seat at a free parent co-driving session!
