## BISHOP REDING HIGH SCHOOL

Ryan Pyne

### Royal Report

By Mark Laframboise and Ryan Pyne

Love was in the air at Bishop Reding this week with the opportunity to send Heart-O-Grams, complete Matchmaker forms, play "Darling if you Love me..." and watch the "Winnie the Pooh: Un-Valentine's Day" video in the caf etorium.

With playoffs just around the corner, B.R.'s sports teams are all playing hard as their regular seasons come to a close.

Recently, B.R.'s Senior Boys' Basketball team face St. Thomas Aquinas in their last game of the regular season play on Monday. The team played well and had an exciting finish to their season. With three seconds left in the final quarter, the team trailed by two points but unfortunately missed both free throw shots that would have tied the game. The guys boast a record of seven wins and two losses, and are tied for second place as they start the playoffs. Good luck boys.

The Junior Boys' Basketball team clinched a playoff berth with a convincing 73-36 win against T.A. Blakelock last Wednesday. They showed solid defense and a balanced attack, as 12 players hit the score sheet. The team also participated in the Resurrection Invitational Tournament in Kitchener this past weekend. The boys won three of their four games, with their only loss coming in a heartbreaker to Our Lady of Lourdes from Guelph. They were then able to bounce back and win the Consolation Championships. Congratulations to Conan O' Brien for being named to the tournament's all-star team.

The Midget Boys' Basketball team also defeated Blakelock last Wednesday night 43-22. The guys had outstanding performances with special mention to: Joey MacSween with 13 points and Liam Tennant with 10. The boys wrapped up their season against the undefeated St. Thomas Aquinas team on Monday. The team played hard, but fell short by a heartbreaking three points. All team members had an amazing season.

Last Friday, the Senior Girls' Volleyball team travelled across town to play in the E.C. Drury tournament. The team began slowly, but after a tough split with the high-calibre Waterloo team, the girls went on a five game streak. Their excellent teamwork and strategic play allowed for a super showing. Great job ladies.

In their first home game last Thursday, the Girls' Hockey team managed two goals from Nicole Gooding and one from Chelsey Gruzka. Good luck in the future.

With playoffs beginning shortly, we hope to see many B.R. students rooting our teams on to victory.

## GRADE "A" NEWS

### AT MILTON DISTRICT HIGH SCHOOL

Michelle Merkley

Emily Willoughby

Welcome to another edition of GRADE "A" NEWS. Since the start of the new semester, students at MDHS have been very busy. Students all attended course selection assembly's where they were advised of the new courses offered at the school. Just a reminder to all student, you should have handed in your selections sheets by now, and if you don't, the school will pick your courses for you. To avoid disappointment, make sure you get those sheets in as soon as possible.

Last Friday, MDHS hosted a cheerleading competition, where our girls placed 3rd in the senior divisor. Congratulations girls! Our boys basketball team is off to the championships this week and we wish them all the best of luck in their games to come. GO STANGS GO! On Tuesday, the entrepreneurial studies class hosted a Cola contest, where students had to guess whether they were drinking Pepsi, Coke-A-Cola or a no-name brand of cola. On Wednesday, MDHS hosted its very own version of "The Dating Game" where students could try to find their "true love". The prize was a Limousine trip to a Comedy club. Congratulations to Jen and Justin, who will be coming together to the Comedy and to Greg and Laura who will be joining them. We hope you all had fun on your dates!

Do you and your friends want to make sure you have an interesting and fun photo of your group hanging together to be put in the yearbook? Then sign up for BUDDY PHOTO'S outside of the yearbook office. The cost is \$30 per group and you can have up to 10 people in your group photo and get 3 sheets of photos. So get creative, have some fun together, and leave your mark in the yearbook. Are you not happy with your Grad photo? Did it not turn out as you had hoped? Then make sure you sign up outside of the Yearbook office for your free retakes on February 23rd. This is your only chance and there will be no more appointments after this day.

## DATELINE DRURY AT E.C. DRURY HIGH SCHOOL

Joanne Gunding

Lindsey Harrold

Love is in the air!

Welcome back everyone to a brand new week at Drury! Hope you all had a wonderful Valentine's Day!

We're loving what our sports teams accomplished this week! The first highlight came on Monday night when the Jr. Girls Volleyball team won its first and only game of the season! Never letting down their high spirits, the girls made everyone who watched the game very proud. Way to end your season on a high note girls!

Continuing with Volleyball, the Sr. girls team won its match, also held on Monday night. This keeps the team's 2nd place position in tact as it heads to quarter finals this coming Monday. Come out and support this team as it fights its way to Halton's!

On Valentine's Day, the great love and support of the fans helped lead the Girls Hockey team to victory against B.R. with a final score of 8-1, this team has certainly made their mark on the ice!

Moving from ice to court, the Sr. Boys Basketball team played a tough game against B.R. on Wednesday. Unfortunately the boys came up just short of a victory and lost in the quarter finals by a mere 5 points!

Keeping with that 'loving feeling' Drury wrestlers held the Jr. Halton tournament yesterday. All the hard training and sweat paid off and prepared the boys for great wrestling careers to come. Way to go wrestlers!

Also on Thursday the School Reach team competed in a tournament held at White Oaks. With Halton's being held next week, be sure to check up to see how this team does!

With all the love in the air, what would be a better way to end the week than with a Valentine's Semi Formal dance?! Tonight, over 200 students will be attending Drury's largest Semi Formal ever! It's sure to be lots of fun, so we'll see you there!

Keeping with the theme of love, we end this week with a quote from Mother Theresa:

"If you judge people, you have no time to love them."

Have a wonderful and fun filled weekend everyone! See you next week!
