*Maple
syrup
time*

Four-year-old Rachel White and mother Marla Schwisberg (top) sample some of the tasty maple syrup flowing from the tap at Mountsberg Wildlife Centre these days. Meanwhile, Jeff Joynt and father Brian (above left) had the same idea this past weekend. The local conservation site also offers horse drawn wagon rides (left) along its picturesque route to the sugar bush, which will be flowing with the sweet sap until about mid-April.
