SPRING IS FINALLY HERE! IDEAS FOR YOUR GARDEN:

My loving wife, Natalie, is passionate about plant life! Nothing pleases her more than when she can come home after a hectic day in her busy office and meander through the more tranquil setting of her garden retreat. Often, she drags me around the house to gaze upon fresh flowers, lush foliage and new signs of life!

A dear friend of ours, Margaret Masson, sent my green-thumbed wife this brief e-mail to brighten her spring day. As planting season approaches, it suggests some inclusions for the garden of daily living!

Three rows of peas:

1. Peace of mind
2. Peace of heart
3. Peace of soul

Four rows of squash:

1. Squash gossip!
2. Squash indifference!
3. Squash grumbling!
4. Squash selfishness!

Four rows of lettuce:

1. Let us be faithful!
2. Let us be kind!
3. Let us be patient!
4. Let us really love one another!

Complement with turnips and thyme:

1. Turn up for church

services!

2. Turn up to help one another!
3. Time for each other!
4. Time for family!
5. Time for friends!

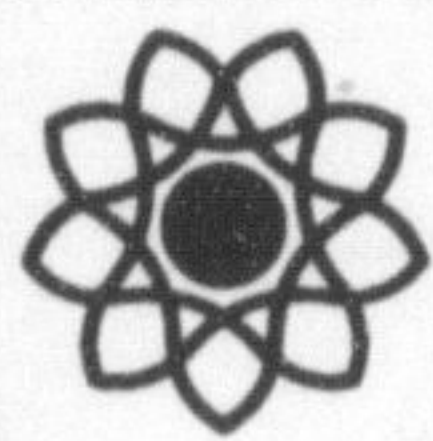

Water all plants liberally with patience and cultivate with love. Remove weeds daily, lest they take root and choke out vital plant life. Fertilize the soil faithfully, recognizing that not all fertilizer has a pleasant odour! Be happy with sunshine and rain – it takes both to yield a healthy crop!

Satisfaction guaranteed:

Follow these instructions carefully and your life's garden will be extremely fruitful for God's Law of the Harvest never changes – you always reap what you sow! Happy planting!
