Volunteer Week April 22 - 28, 2001 A SALUTE TO OUR HALTON VOLUNTEERS

The United Nations General Assembly designated 2001 as the International Year of Volunteers!

Dear Milton Volunteers:

The Milton Community is blessed with many caring and dedicated volunteers, who make significant contributions through their participation in a variety of social, cultural and recreational organizations. A smile, a kind word, a listening ear, a helping hand, are the acts of caring that enrich community life.

The work of volunteers supports the existence of many valuable programs which otherwise would not be available. For example, the Town of Milton is fortunate to have volunteers on our various boards and committees who give freely their time to review policies and advise Council on programs affecting the Community.

Volunteer assistance also provides a wide range of human services without adding to the municipal tax burden. Again, the Town of Milton is fortunate in creating volunteer partnerships with community service clubs and organizations who plan and coordinate events such as the Santa Claus Parade and Canada Day celebrations for enjoyment by the entire Community.

Volunteers continue to be a very important part of our community life. On behalf of Milton Town Council and the Citizens of the Town of Milton, I would like to take this time, as we celebrate "Volunteer Week", to thank all our Community Volunteers for a year of caring, sharing, dedication and commitment. Without you, our community would suffer.

Sincerely yours,

G. A. Krantz

Thank You!

We'd like to thank the many volunteers at Milton District Hospital who share their time, energy and skills to enhance the care our hospital provides. Their smiles, kind words, and helpful hands give our care that added touch.
