## Gorrud's makes job of vehicle shopping easy

Car seekers can find whatever they desire on the sales lot of Gorrud's Auto Group.

For 40 years the family owned and operated business has been providing Milton and area with quality pre-owned vehicles.

"It has grown in time from a hobby of mine to be a pretty serious business," owner Jim Gorman said.

Gorrud's is now one of the largest Milton dealerships, displaying over 250 cars, and has grown to become a fully integrated dealership without a new car franchise.

"Gorrud's has all makes and models of pre-owned vehicles, short of getting into heavy duty trucks," Mr. Gorman said.

Extensive renovations have take place to accommodate the newest business for the Gorman family - Milton Toyota. Milton Toyota carries both new and pre-owned vehicles. The Gorman's also own/operate the No Frills Outlet just down the street, which is aimed at the price

shopper.

Though entirely different operations, the basic motives are the same. The Gorman's offer good customer service and quality vehicles.

"We're not perfect, but we sure have a commitment to customer satisfaction," Mr. Gorman said.

Gorrud's customers can feel at ease buying a pre-owned vehicle knowing it has undergone a 110 point inspection. Vehicles found at the No Frills Outlet also go through inspections more aggressive than standards set by the Department of Transportation.

"Every car means something to us. If it doesn't we won't keep it," Mr. Gorman said.

Any vehicles not up to par with the Gorman's standards will not be found on the lot.

## Halton Hills Place and Banquet Hall caters to all wedding plans

If you're planning that special day, plan to have it at the Halton Hills Place and Banquet Hall.

The Angelucci brothers, Ezio and Adrian, are celebrating the 20th anniversary of Halton Hills Place and Banquet Hall, during which time it has undergone extensive changes.

Mr. Angelucci said over time changes and renovations have been conducted on both the outside and the inside of the banquet facility. The idea was to provide a facility that catered to all the needs of wedding parties.

"It's a one stop location," Mr. Angelucci said. "Couples can come in, have the ceremony outside in the courtyard, and there's lots of land for photos."

The 36 acre property covered by landscaped grounds and complete with gazebo provide wonderful photo opportunities.

Wedding parties can then celebrate in one of four banquet rooms able to accommodate guest

lists from 50 to 500 people.

All rooms are furnished with circular tables and a dance floor.

Catering is based on each client's individual preferences. Mr. Angelucci said the menu selection reflects the differing client base. Catering can range from traditional North American fare to cultural weddings.

However, Halton Hills Place and Banquet Hall is not limited to weddings. The facility hosts numerous business and corporate functions as well as luncheons, picnics and sports banquets.

Special discounts are currently being offered in honour of the 20th anniversary for Halton Hills Place and Banquet Hall. For more information call or visit the website [www.haltonhillsp.com](http://www.haltonhillsp.com).
