TOWN OF

HALTON HILLS
 Working Together Working for You!

PUBLIC MEETING

NOTICE OF A PUBLIC MEETING
 WARD 1 / Concession 1, Part of Lots 13 & 14
 Dufferin Aggregates

Dufferin Aggregates has submitted an application which proposes an extension to its existing Milton Quarry aggregate operation. Included with the application are amendments to the Niagara Escarpment Plan, Region of Halton Official Plan, Town of Halton Hills Official Plan, and the Town of Milton Official Plan and Zoning By-law. The proponent has also submitted a Development Permit application to the Niagara Escarpment Commission, and a Class A License application to the Ministry of Natural Resources, under the Aggregate Resources Act.

The application relates to parcels of land in both the Town of Milton and the Town of Halton Hills and total approximately 82.5 hectare in size, located generally in the southwest corner of the Town of Halton Hills. The proposal comprises some 47.17 hectares of land in the Town of Halton Hills, 39.53 hectares of which is proposed for quarrying and extraction purposes. The properties are located near 10479 Esquesing-Nassagaweya Town Line, west of Regional Road 25, south of 15 Side Road, Concession 1, Parts of Lots 13 & 14, Halton Hills. The properties are mainly vacant, and located within a predominantly rural area, above the brow of the Niagara Escarpment.

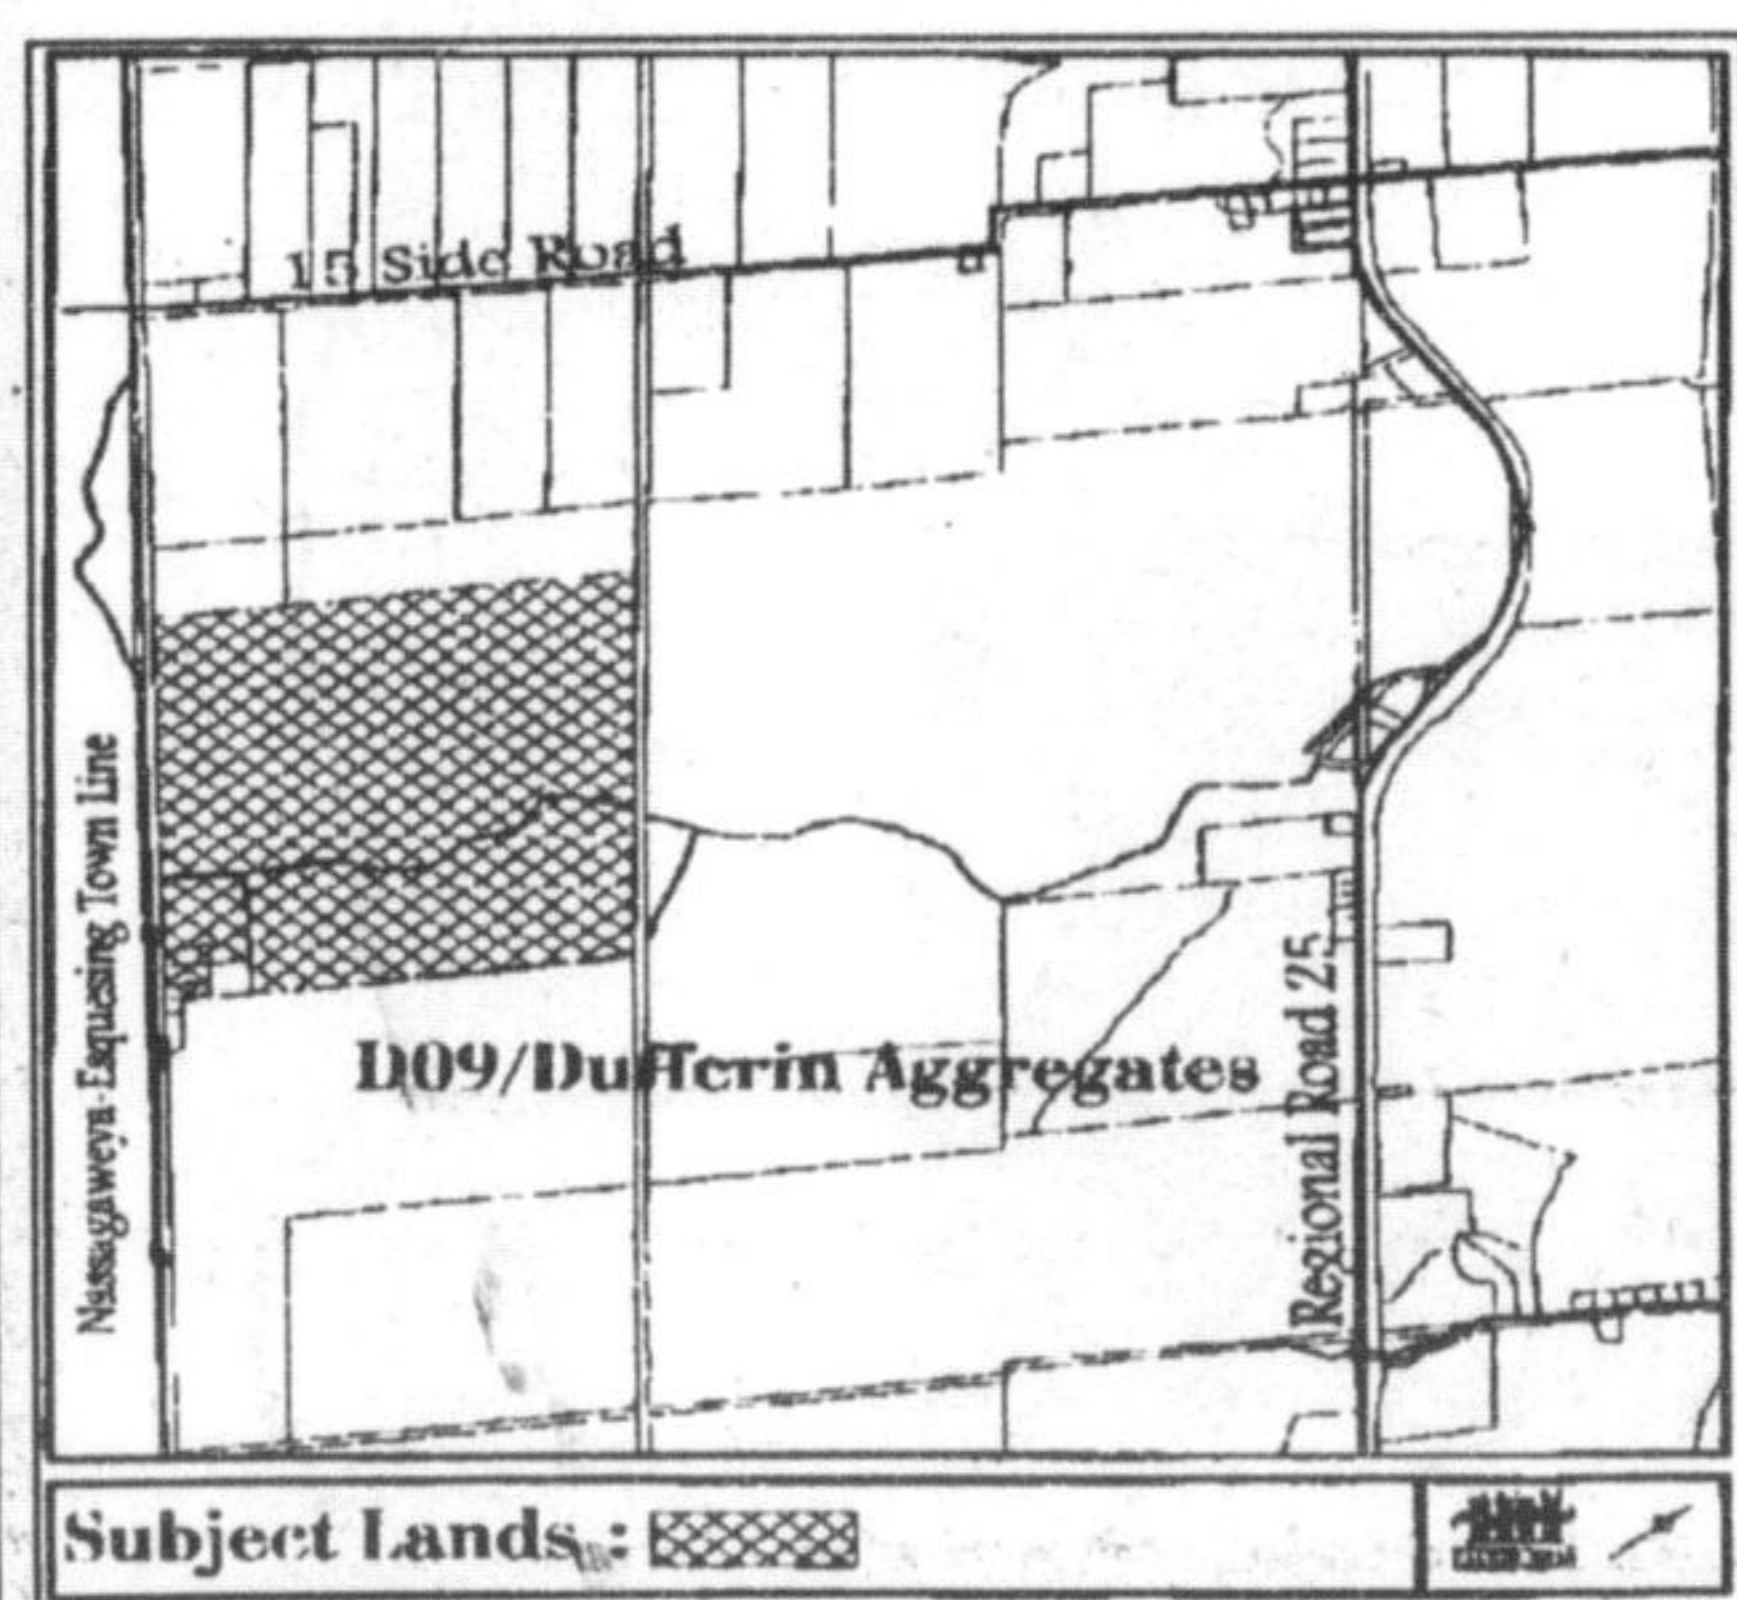

General Committee for the Town of Halton Hills will conduct a Public Meeting to examine and discuss the proposed amendment to the Town of Halton Hills Official Plan. The proposed Official Plan Amendment would have the effect of amending the Township of Esquesing Official Plan, and further lifting the deferral in the Town of Halton Hills Official Plan, by modifying the Official Plan designation to "Mineral Resource Extraction Area".

If you wish to be notified of the proposed Official Plan amendment and/or if you wish to be notified of the decision of the Town of Halton Hills in respect of this proposed Official Plan Amendment, you must make a written request to the Town of Halton Hills at 1 Halton Hills Drive, P.O. Box 128, Georgetown, Ontario, L7G 5G2.

If a person or public body that files a notice of appeal of a decision of the Town of Halton Hills in respect of the proposed Official Plan Amendment does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the proposed Official Plan Amendment is adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

Further information is available in the Planning Department, Town of Halton Hills, 1 Halton Hills Drive, P.O. Box 128, Halton Hills, Ontario L7G 5G2.

ALL INTERESTED CITIZENS ARE WELCOME

Rural residents can get rid of some large household items in bins later this month

The Brookville Works Yard Spring Clean-Up Week will be held from May 22 to the 26.

The clean-up, held at the Brookville Works Yard on Guelph Line, is to provide rural residents of Milton the opportunity to dispose of large house-

hold items. Bins will be placed in the yard and staff will direct where items are to be placed.

Items not accepted for disposal include tires, propane tanks and hazardous waste including chemicals, paints, solvents and waste oil.

Residents wishing to dispose of these items can go to the Halton Landfill Site, located on Regional Road 25, south of Britannia Road. The clean-up will operate from 7 a.m. to 3 p.m. Tuesday to Friday and 8 a.m. to 4 p.m. on Saturday.

Time to get tuned into Spring

Tune-Up Lube, Oil & Filter

Learn all about childhood asthma

Families suffering from asthma are invited to attend a free asthma education event entitled Actions 4 Asthma in Childhood May 15 at Milton District Hospital.

Does your child cough, wheeze or have a tight chest because of asthma? Does your child stop exercising because of asthma? Does your child miss work or school because of asthma? Does your child use the blue inhaler more than three times a week, except for one dose for exercise?

If you answered yes to one or more of these questions, then the asthma condition isn't in good control.

There are ways to help make your child feel better.

Asthma is a common illness that can affect people of all ages and in most cases asthma symptoms can be controlled.

Knowledge dispels the mys-

tery and fear generally associated with asthma and empowers the patient with effective self-management strategies.

Dr. Zeba Ansari, a Halton pediatrician, will present on the treatment and control of childhood asthma.

Eileen Gagne, an asthma educator with the Halton Healthcare Services Asthma Education Clinic, will discuss delivery devices and techniques. There will be an opportunity to have questions answered.

To reserve a spot for the 7 p.m. event, call (905) 338-4379.

If you are unable to attend the event but would like more information regarding asthma, call the Halton Healthcare Services Asthma Education Clinic at (905) 338-4691 or the Lung Association at (905) 847-1033.

Crawford Lake hosts Mother's Day outing

Take a drive to Crawford Lake for an outing Mom won't forget.

This Mother's Day, Crawford Lake staff have put together a very special way to say "Thank you, Mom."

The Wildflower Walk for Mom is a special one-day event for the whole family in honour of Mother's Day.

The walk will take place from 1 to 3 p.m. Sit back with Mom to watch an inspirational slideshow on spring.

Then take Mom outside to enjoy a peaceful, guided walk through the trails at Crawford Lake's periwinkles from the forest floor.

Discover the wonders of nature and the beauty of the flora and fauna of the Niagara Escarpment.

After the hike Mom can relax and enjoy a complimentary cup of Nature's Tea.

While Mom relaxes with her tea, visitors can browse the gift shop for the perfect Mother's Day gift from a wide selection of items.

The cost of the walk is \$10 for adults and \$7 for children 5 to 14 years of age and seniors. Children under 4 years of age are admitted free.

Crawford Lake is located on the corner of Steeles Avenue and Guelph Line.

Please pre-register for this event by calling (905) 854-0234.
