

Councillors give okay to sidewalk

Residents of Anne Boulevard and Meadowbrook Drive will have the benefit of walking on a sidewalk after council approved the installation at Monday's meeting. Council approved the installation of a sidewalk on the north side of Anne Boulevard from Meadowbrook Drive to Bell Street, the west side of Meadowbrook Drive from Vanier Drive to Heslop Street and the north side of Meadowbrook Drive from Vanier Drive to Bell Street.

Concerns were raised by residents regarding the original proposal, which included sidewalks on both sides of Anne Boulevard and Meadowbrook Drive. Town staff met with the residents to discuss the available options. At the administration and planning standing committee meeting April 30, Rev. Rod Lewis, representative of the Anne Boulevard citizens group, said not all the residents agreed with the installation of one sidewalk but the majority were.

HHS set to host job fairs tomorrow

Halton Health Care Services (HHS) is hiring for tomorrow, today, so it can meet the healthcare needs of its ever-growing communities.

Job Fairs will be held at Milton District and Oakville-Trafalgar Memorial hospitals tomorrow from 10 a.m. to noon.

Oakville's population is steadily increasing while Milton's population is expected to double in the next five years.

HHS is currently expanding many of its patient care programs to accommodate the growth and also opening up a host of employment opportunities.

"The fair gives our communities a chance to see our hospitals, talk to managers and front-line staff from our various programs and get a feel for what we are all

about as an organization," said Karen Vermeeren, HHS recruiter.

"It's a great way to see what type of jobs are available now and what positions will be coming up in the near future as we continue to expand."

The Job Fair targets nursing and healthcare professionals including physiotherapists, pharmacists, ultrasonographers and respiratory care practitioners.

Representatives will be available from many of the patient care areas to discuss

specific career opportunities, answer questions and meet candidates.

For more information regarding available opportunities at Halton Healthcare Services, visit the HHS web site at www.haltonhealthcare.com.

Those interested in career opportunities at HHS, but are unable to attend the fair can submit their resumé to: Human Resource Department, Halton Healthcare Services, 327 Reynolds St., Oakville, Ont., L6J 3L7, or fax to 338-4137.

Celebration of ASL literature next week

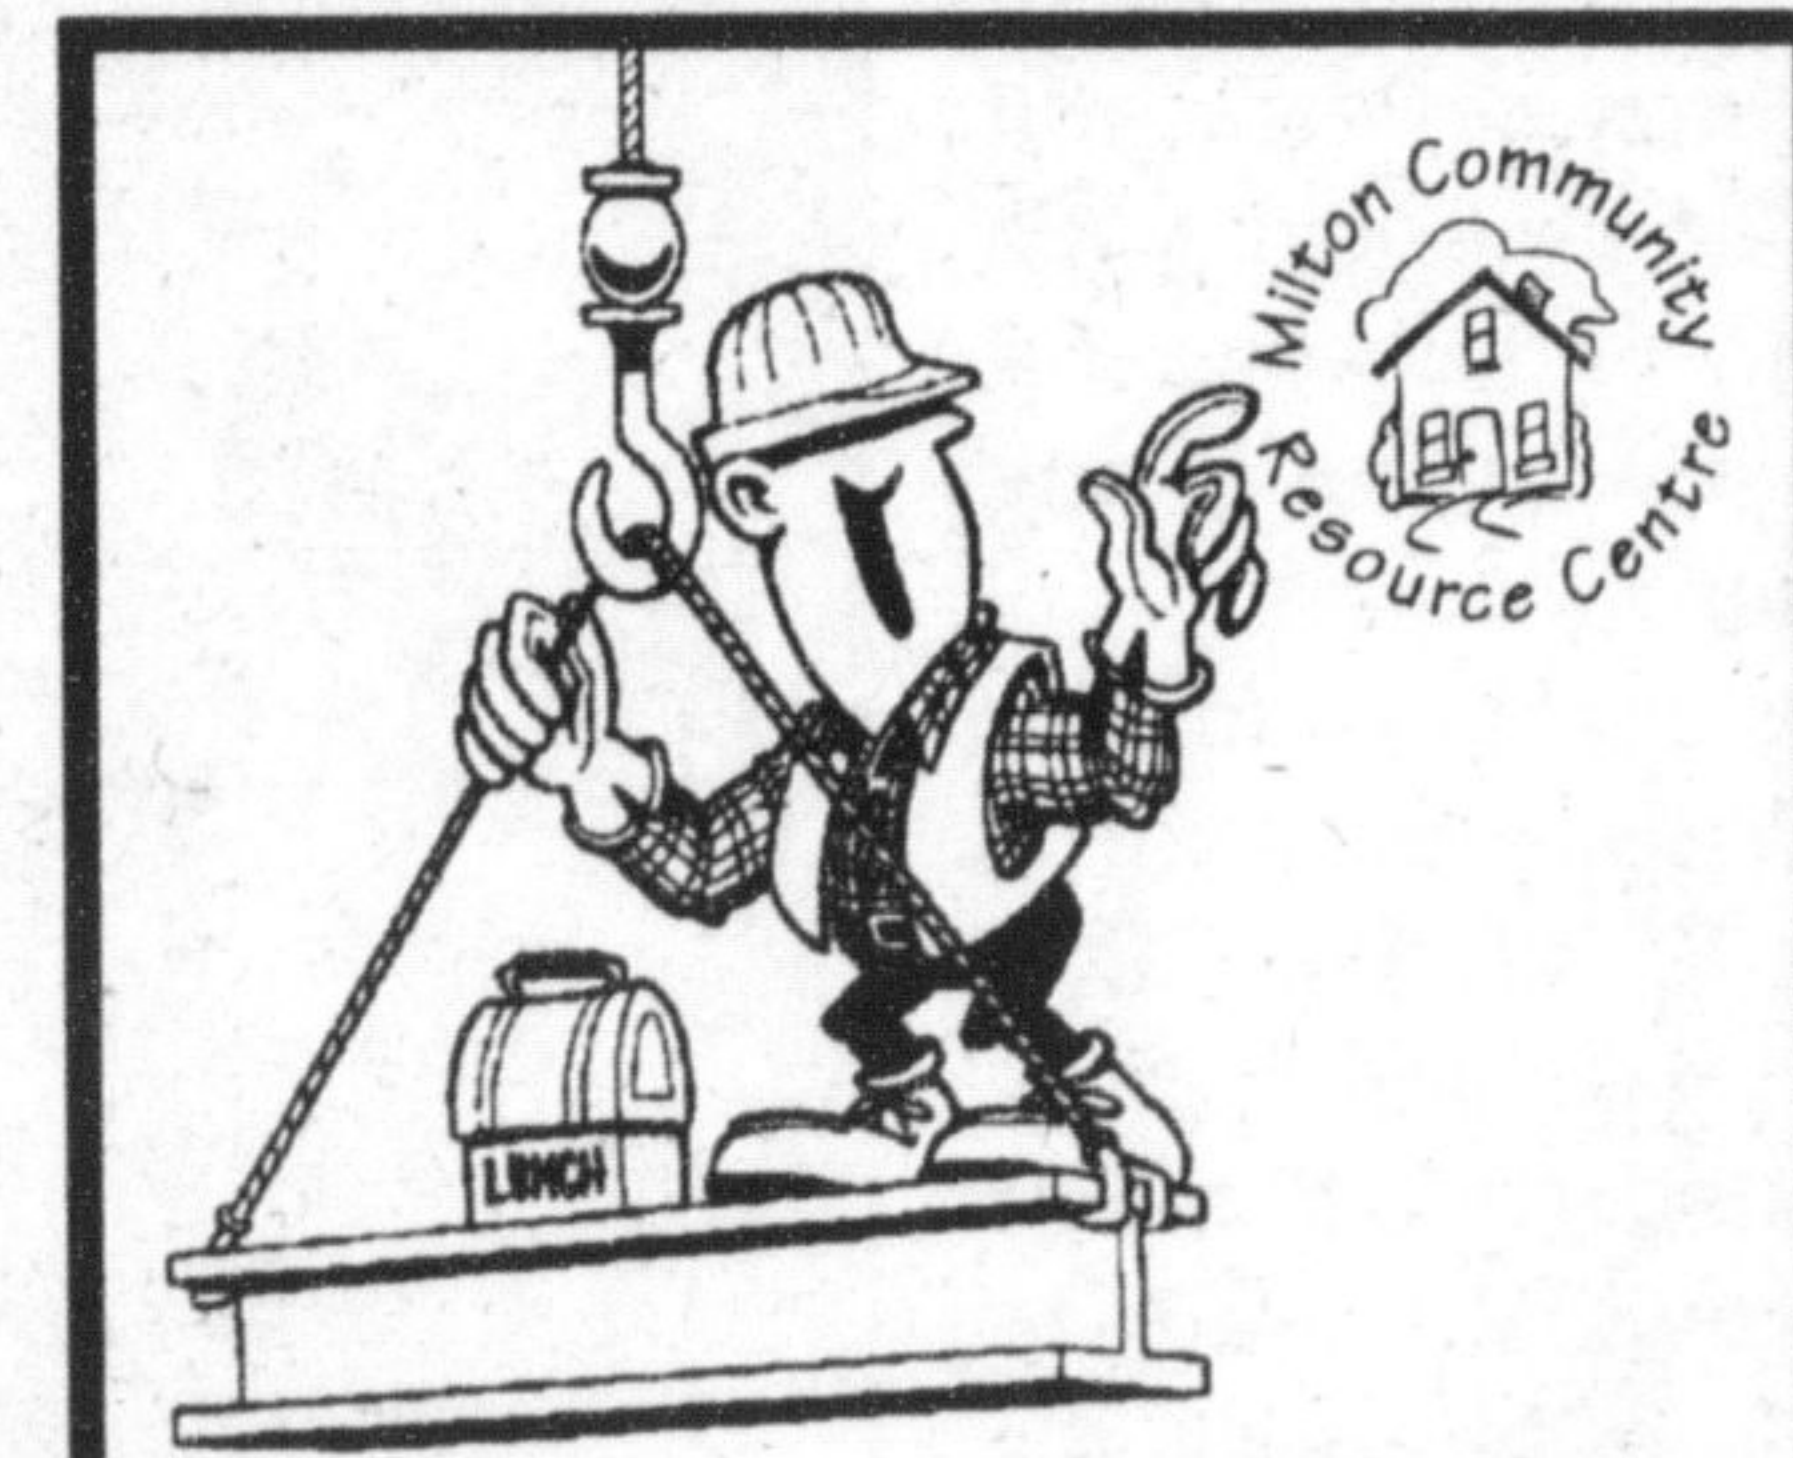

The fifth bi-annual American Sign Language (ASL) Literature Week will take place next week at the E.C. Drury School for the Deaf.

The purpose of ASL Literature Week, from May 14 to 18, is to become aware of ASL literature and preserve ASL and deaf culture. It's also aimed at encouraging activities in ASL by enabling deaf and hard of hearing elementary children to apply their skills to new and meaningful situations.

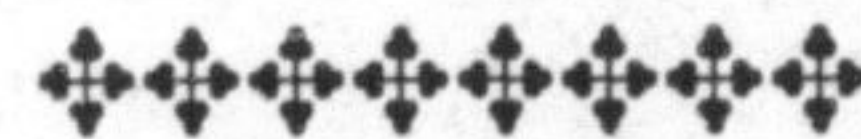

The week provides the opportunity for the deaf community to come together and share their stories with deaf children. Two special guest speakers, Nathie Marbury from Texas and Evon Black from Washington, D.C. will share their cultural stories and experiences at E.C. Drury.

The ASL Literature Week has seen many changes over the years, but one thing has remained the same — ASL Literature Week is a bi-annual celebration of deaf culture.
