President's Message **Bill Mercer, Mercer, Hildebrand & Zehr**

At long last - Showcase Milton 2001 is finally here!!

I must share with you all of the hours, days, weeks and months of planning that has gone into ensuring the tradeshow's success. Our core committee along with our show coordinator deserves the recognition of the community for their commitment and dedication to the organization of this major Chamber event.

I would like to thank the core committee on behalf of the Board of

Directors, members and the exhibitors for undertaking a mammoth task with enthusiasm, humour and determination. Weekly Monday morning meetings brought together the core committee to share successes, challenges and opportunities - gallons of coffee were drank, dozens of muffins were eaten and the benefits of knowing the business owners so well was discussed. Sometimes frustrating but never dull!
