## Game Highlights – Week of May 22nd-May 31st

### Girls Under 11

Home Cinema	0
Vanler Insurance	8

Good use of the field from Vanler Insurance proves too much for a short-handed Home Cinema squad. Goals were scored by Ariel Sereda (2), Breanne Kluge (2), Katie Kluge (1) and Krista Dermott (3). Goalkeepers were Brooke Hartwark and Alexandra Pinheiro for Home Cinema and Michaela Bailey and Makayla Tosh for Vanler. Special mention goes to Julia Soderholm for great passing. Great effort from Lindsay McEwen, Alexandra Sellors and Brook Hartwick.

Paintech	0
MicroLink	1

Due to the rain the game was called at half time. However, the girls played a tremendous half and kudos to them for braving the weather, the dandelions, and the puddles! Absolutely awesome saves in net for Paintech, while Jillianne Posavad scored the only goal of the shortened game for MicroLink. The game will be replayed and it looks like the match-up will be a good one.

Rainbow Group	0
Milton Dodge Jeep	0

The game was a wild and wet affair. All players played extremely well. What a wonderful way to start off the season. Special mention to the goal keepers for both teams, as they did not allow any goals.

Peter Hodge Transport	0
Rainbow Group	3

A great effort played by PH Transport, but by no means easy due to the awesome goaltending by Krystal Kennedy for the Rainbow Group. Goalies, Krystal Power and Sara Voisin of PH Transport tried their best but couldn't stop the 3 winning goals by Elyse Garbutt and Brianna Fitzsimmons (2). Special mention to Jennifer Trento and Tayler Musclow for some great passes and kicks.

Vanler Insurance	5
Paintech	0

It was an exciting game filled with great passing and great goaltending. Great game played by Terra Venerus-Pye and Meaghan Moniz for Vanler and Jessica Spiers and Jennifer Strank for Paintech. Goal scorers were Krista Dermott (2), Breanne Kluge (2) and Katie Kluge (1). Paintech's Kaitlin Shuvera made numerous outstanding plays.

### Boys Under 11

Brian's Auto	4
Southview Dental Clinic	4

An exciting game with two persistent teams. With outstanding forwards Johnathan Camick and John Russell of Brian's Auto holding back the other team, David Burchett scored the first goal for Brian's Auto. With good defense by Southview's Brandon Lowry and Michael Furlong, Gregory Brooks was able to keep out any more goals. The second half of the game was non-stop strong play. Lucas Fraser of Brian's Auto scored, followed by another goal by David Burchett. All of two markers for Kodiak, ably assisted by James Thomas' hard work paid off with a goal for Southview. This second wind by both teams saw 3 more goals for Southview, one by Jay Ginny and two by Gregory Brooks. Josh White in goal for Brian's Auto was fabulous with many acrobatic moves. Matthew Tidy-Russell made the tying goal for Brian's Auto. Geoffrey Price of Southview held off any more goals, for both teams to finish with a great start to the season.

Zak's Pharmacy	5
Lindsay McLaren Remax	3

It's soccer season and what a great start for Zak's Pharmacy. Matt Frat started the attack with 2 goals. Mark Thomson wasn't far behind scoring the 3<sup>rd</sup> and 4<sup>th</sup> goals. Zak's boys thought they had the game in the bag, but the second half proved much more challenging for Zak's. With Remax pouring on the steam; they came back with just 1 goal away from a tie. Goal scorers were Kyle Furik, Kian Herrmann and Drew Brown. But Zak's wasn't finished. An excellent pass to Ryan Brown, from Austin Vanrosffum, to beat the goalie. Both teams gave it there all, but in the end the Zak attack was no match for Remax.

Maksteel	5
Milton Heights Academy	1

The pouring rain didn't stop Maksteel from coming on strong. Jonathan Riding managed to pull a hat trick for Maksteel, with Greg Mountain and Andrew Scarffe each putting one in the net to make it five for Maksteel. Craig Nordstrom had many shots, but with no luck. Andrei Wilkinson and Cole Nicholson each played a great game in net for Maksteel, however, the excellent defensive playing by Forrest Patterson and Todd Massel helped eliminate many shots on net. Daniel Lewandowski scored the only goal for Milton Heights Academy. Great game!

### Girls Under 13

Kodiak Power Equip	2
Linico Industries	0

It was a close first game of the season. Both teams played very well and considering the weather, we are glad to report that nobody drowned. Kodiak played an excellent game with stellar performances between the posts by Meagan Johnston and Nancy Webb. Linico also had strong goal tending from Michelle Parcels and Brooke Waller. Kara Boomhouwer played a strong offensive game for Linico with excellent volleys. ReeAnne Cushnie scored the goal for Kodiak, ably assisted by Laura Wilson and Erika Minkhorst.

Tim Horton's	1
Project Automation	3

An excellent outing by both teams proved that the girls are back and ready to play! After shaking off those first game jitters, Tim Horton's ran full steam ahead with solid performances in goal by Courtney Flatt and Gabrielle Deans. The first half ended with Tim Horton's up by one with a goal by Emily Warzonek. Forwards Christine Brennenstuhl and Toni Teilemans never gave up, and strong defense work by Shannon Croll and Yolante Charles kept the score low. Project Automation answered in the second half with amazing goals by Fiona Sinanan, Lauren Grant and Brooke Harper. Goalies Amanda Bowers and Georgi Baker accomplished their task for Project Automation. Noteworthy efforts in midfield by Laura Stratton and on defense by Vanessa Ouellette and Alex McCutcheon kept the game interesting.

Project Automation	4
Nassagaweya Vet Lab	0

This was a well-played game with exciting rushes and good goaltending by both teams. Lauren Prisniak played a strong game in goal for Nassagaweya and turned away many shots. Talisa Champoux and Laura Frank played very well for Nassagaweya. The Project Automation offence of Fiona Sinanan and Monique Lizon played hard and combined 4 goals total with Fiona getting a hat trick. Great job by Brooke Harper as sweeper, and fine work by Jehan Husein.

### Boys Under 13

Domino's Pizza	3
New Mechanical	2

Both teams played a very strong game. New Mechanical scored their first goal early in the first half, however the strong offensive side of Domino's Pizza wasn't too far behind, who shortly after, tied the game at 1-1. Both teams had great goalies; the

shots were being blocked with ease. During the second half, Domino's Pizza scored early, but New Mechanical didn't give up and tied it at 2. With little time left in the game, Domino's Pizza came out on top and scored another quick goal.

Loblaws	7
Spokes 'n Slopes	5

Both teams played a strong game. Goalies for Loblaws were Adam Dalbello and Nicholas Tielemans with goals scored by Tyler Sieben (3), David Haringa (2) Nicholas Tielemans (1), Joshua Holzschuher (1). Goalie for Spokes 'n Slopes was Lee Derrick with goals scored by Jeremy Brown (2), Steven Gazzola (2) and Eric Taylor (1).

Loblaws	4
Domino's Pizza	3

Good game on both sides with lots of long balls from both defenses. A different line up in front for Loblaws proved a first strike by Nicholas Tielemans. Gerry Giddens fought hard against Joshua Holzschuher but a motivated Loblaws team pushed ahead for a second goal by Joshua. Andrew Bayton put one in the last minute in the first half, but in the second half Graham Sharpe denied Domino's Pizza while in net.

### Girls Under 17

Milton Cutting Systems	0
Brampton U15 All-stars	6

The first game of the season saw the Brampton All-stars in fine form after a winter of practice. The Milton squad had just received their uniforms. The end result was Brampton 6, Milton 0. Nothing more need be said. Heather Rollwagen coached the team and they played well for a first outing.

Milton Cutting Systems	2
Brampton	1

The team had fun in the rain. Natalie MacMillan had a fairly relaxed night as the Milton team dominated the play. We had a hard time scoring but came away with a 1-goal victory. Shari Niedzielski got both goals with assists to Michelle Merritt. Nikki Gazola was a solid player in midfield.

Milton Cutting Systems	1
Erin	1

This was our first trip to Erin, traditionally a tough team to beat. With 17 players, we were able to play hard to the end. We achieved a tie and demonstrated good ball handling skills. Megan Kay scored our lone goal. The Erin strikers tested Natalie MacMillan constantly in net. It was a team effort.

### Boys Under 10 Rep

Milton	1
Erin Mills	2

The first game of the season for Milton's Under 10 Boys Rep team was a heart-breaker. Ethan O'Connor scored Milton's only goal. Having controlled the game for the majority of the time, Erin Mills were able to slip in two quick goals to win the game. The Milton squad played hard for the entire game. It should be a great season for these boys!

Kitchener	2
Milton	1

The second game of the season started with heroics by Milton Magic's goalkeeper Spencer Kopera, who stopped a penalty kick in the early minutes of the game. Mid way through the first half, Kitchener got the first goal, but Mark Wilson equalized just minutes later for Milton. The game went back and forth with no further scoring until 5 minutes from full time when Kitchener scored again.

### Boys Under 13 Rep

Milton	2
Brantford	2

The boys under 13 rep team played host to Brantford and both teams gave it their all. Ben Clifford scored once from a header, while Justin Clouden scored a spectacular goal from long range. Brantford drew level with two goals of their own.

### Girls Under 14 Rep

Milton	3
Waterloo	0

In their season opener, the Milton Girls Under 14 Rep Team were on their game and came up with a victory following goals by Tammy Merritt, Ashley Robinson, and Tara Eagles. Alayna Byrnes-Frizzell got to show her exceptional speed on the right wing on a number of occasions. Valerie Burke worked hard on the forward line. Elaine Robinson, Shannon Johnston and Tammy Merritt controlled the midfield effectively for the home team. Playing rock solid aggressive defense were Alley Kurgan, Jessica Reitman, Julie Iantorno, Lindsey Furik, and Sara Mancini (great corner kicks!) Cassandra Berghammer earned the shutout making one great save diving low to the right on the one scoring opportunity Waterloo generated. The Milton Optimist girls were first to most loose balls and put together some exciting attacking plays. Milton relied on their passing game and the team worked at retaining possession of the ball. Great start! Keep up the good work!
