MAZZORATO, BETTY
June 17, 2000
My Sister - My Friend
I can't believe a year has passed since you've been gone. They say time heals all wounds, but I'm not so sure. The emptiness I feel without you here to talk to; to laugh with or even cry with has not faltered at all over the year. If anything it seems to be getting bigger. The more that happens, the more life goes on, the more I miss sharing it with you. I know you were in too much pain to stay here with us, I just can't make sense as to why he chose you. As the song goes, "There's holes in the floor of heaven." If you are watching us, you'll know that tears are shed for you on a daily basis. **Always loving you and missing you, Bonnie, Mike, Matt, Jenny & Daniel**
