Town council has approved the disbursement of \$269,972 to 28 organizations and two individuals for the first funding phase of the Milton Community Fund at Monday's meeting.

Utilizing funds received from the Ontario Lottery Corporation, the Town may provide cash grants totaling \$500,000 from slot revenue proceeds received quarterly from Mohawk Raceway to community organizations or individuals whose primary purpose is to provide activities that enhance the quality of life within Milton or enhance the image of the town.

"We allocated 54 per cent of the funding available," Joy Anderson, co-ordinator of community develop-

ment told The Champion. "The remaining dollars will stay in the reserve account until the funds are allocated again (in the fall)."

Organizations approved for funding include the Halton Agricultural Society, Milton Community Resource Centre, Country Heritage Park, Milton District Hospital Foundation, Milton Historical Society and the Milton Choristers.

New seniors directory out

Seniors throughout Halton Region have a new tool on their side.

The Elderly Services Advisory Committee (ESAC) released a new information directory geared towards seniors' needs.

The directory - released earlier this week and available at various seniors centres, long-term care facilities, libraries, medical service centres and government offices - contains more than 250 listings and contact numbers for area seniors organizations.

"Access to information is critical to a senior's quality of life and sense of independence," said Helen Ferguson, ESAC chair.

"This directory is a valuable tool to ensure seniors continue to access the programs and services they need in this community."

For more information or to receive a directory call Diana Lopatto at (905) 824-6000 ext. 7773.
