HIGH SCHOOL REPORT

Final

Mark Laframboise

BISHOP REDING HIGH SCHOOL

Royal Report

By Mark Laframboise and Ryan Pyne

Ryan Pyne

On Friday June 15, the student body voted for next year's student Government Representatives. With the ballots counted we would like to congratulate: Justin Mastrangelo, OAC Rep; Megan Mutcherson, Grade Twelve Rep; Adrian Jewett, Grade Eleven Rep and Dan Borrelli, Grade Ten Rep. They are wished the best of luck as they represent the student body next year.

This coming Thursday is graduation. We would like to extend our best wishes to all graduates as final preparations for this special evening are made.

Retrospectively, we realize just how much the students of Bishop Reding have accomplished this past year.

The 2000/2001 Student Government was successful in running many memorable events including: the annual Snowflake Ball, Murder Mystery and "Operation: Cut Mr. Jurus' Hair". B.R.'s numerous community efforts allowed the school to recognize the student body can make a difference. These events included: blanket and tent drives, three successful food drives and a Social Justice Benefit evening.

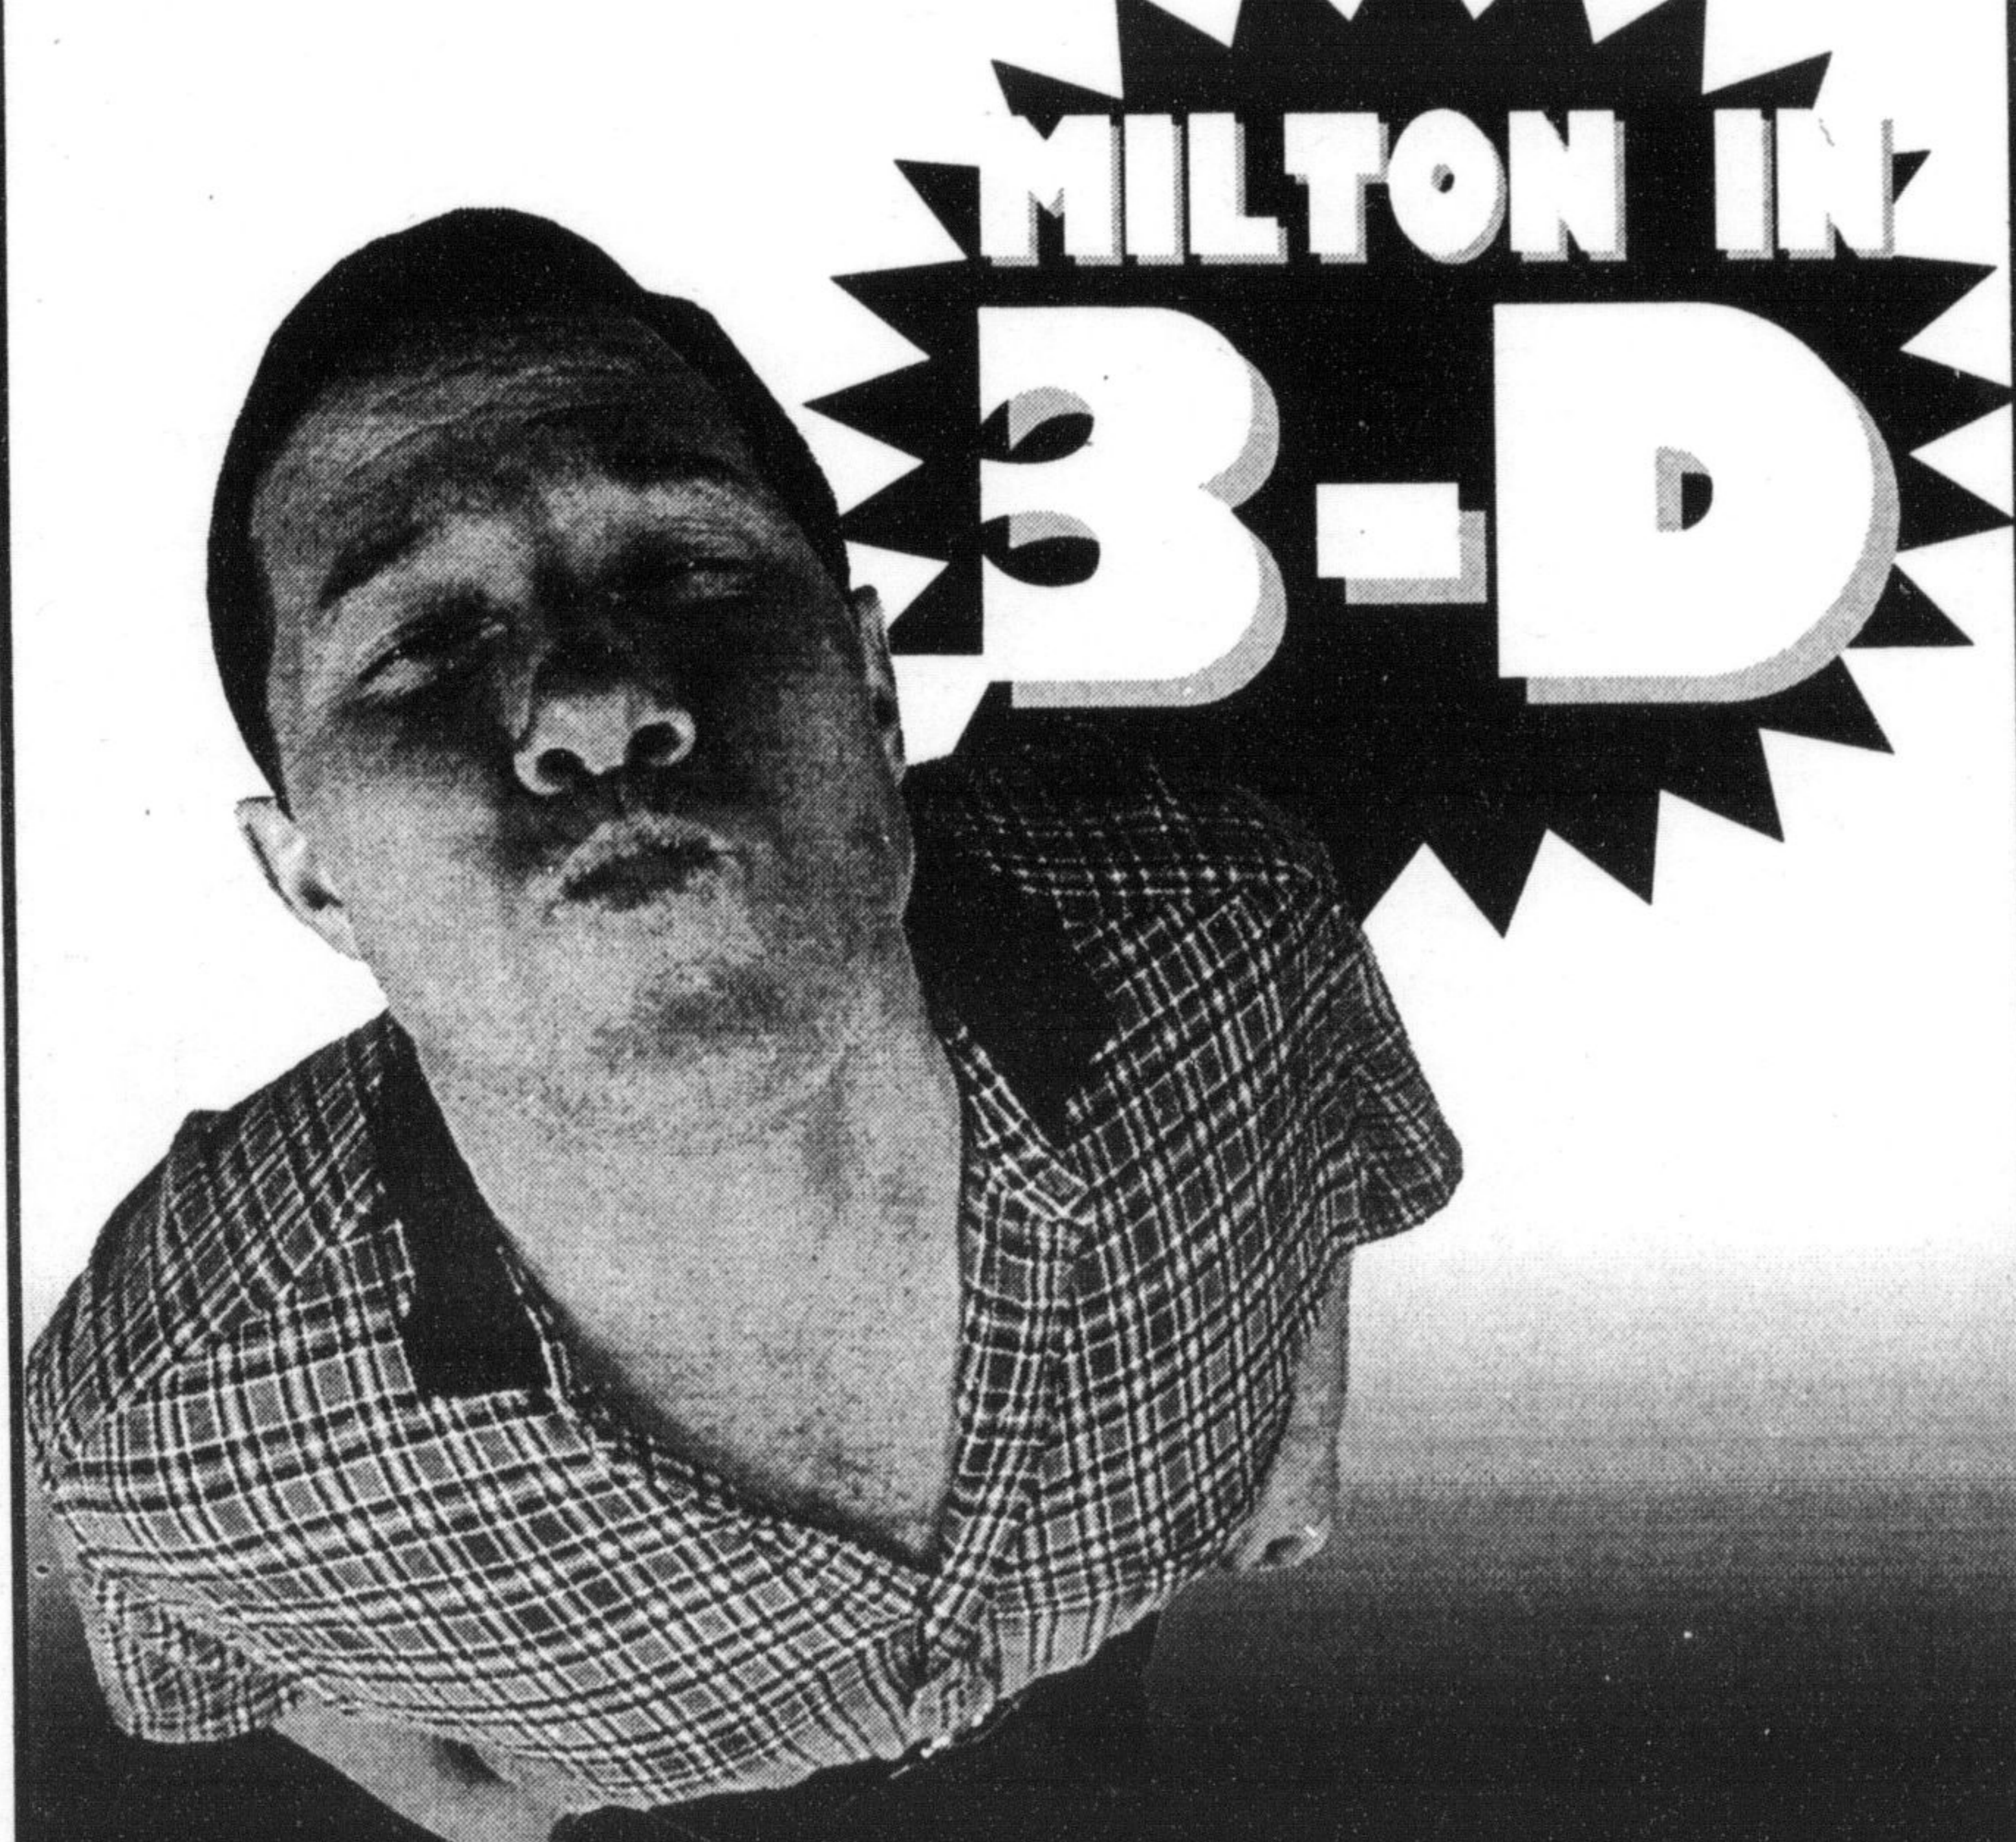

Bishop Reding Athletics also had an outstanding year. Many of our teams saw their best performances ever. In their third Football season, the Senior Royals defeated Loyola in the Tier II championship held at Ivor Wynne Stadium. The Senior Boys' Soccer team had a tremendous sea-

son winning the Halton and the G.H.A.C. Championships. They also competed at O.F.S.A.A. As well, the Track and Field team was represented at O.F.S.A.A. with Ian Butcher bringing home a silver medal performance in the Midget Boys 400 metres. Michelle Doell along with the Sitarz sisters are commended on their O.F.S.A.A. performances in Track and Badminton respectively. All of B.R.'s teams are congratulated on their successful tournament and division results.

The Music Department showed their talent at many school and community events. The Senior Concert Band had the opportunity to perform while visiting Chicago. B.R. Players also presented *Fame: the Musical*. The cast and crew of this event, as well as the annual Talent Show, demonstrated their many hidden talents. The Cosmetology Department was thriving this year with its "Hair X-tacy" performance. This group along with the many clubs, academic teams and those who participated in the Rome 2001 trip demonstrated the diversity among Bishop Reding students.

We wish everyone a safe and happy summer.

Coming soon.....

We have finally made it to the end of the school term. Looking back we are sure that everyone has had a fun and memorable year. There have been many things that come to mind when thinking about the last year; Semi formal, Spring Fling, the dating game, the senior football's winning season, 2 snow days in one week and all of the injuries that we have had are just a few that we could come up with, but there are so many more to choose from.

At the end of the year it is a time to wrap everything up and to finish things off so next year we can get a fresh start on things. The first thing that needs to be done is concerning timetable conflicts for next year. Outside the guidance office is a list of the people who have conflicts. If you have not already checked this list to make sure your name is on it then you need to go and do it as soon as possible. If you have a conflict and you don't know about it chances are you won't get all of the courses that you picked in February so check the list today.

Locker refunds are another thing that needs to be taken care of. For the last two days between the times of 10 and 2 in the main hallway locker deposits have been given back. Today is the last day that you will be able to get these deposits. All that you need is to bring your student card and makes sure that all library books have been returned and fines paid.

Next Wednesday, June 27 is exam return day. Between the hours of 9-11 you will be able to come to the school and see just how well, or not so well you did on your exams. Report cards should be ready for pickup at the school July 5 between 9-4. Keep checking the sign outside of the school to get the information for sure. Just a reminder that you will not be able to pick up your report cards if you have any outstanding textbooks or library books and fines. Make sure all of these are returned before next Wednesday to ensure no problems when picking up your reports.

Now that all of that is out of the way it is time to get to the good stuff. Last Friday graduating students were treated to grad breakfast put on by the prefects. At the breakfast, students were able to listen to samples of speeches by potential valedictorians. The breakfast was great and the speeches even

better but a decision had to be made and we would like to congratulate Jeff Warner who will be giving the valedictorian address at the graduation ceremony held next October. We are sure he will do a great job. Graduating students will also be partying next Wednesday when we have prom. It should be a fun time and wish everyone a safe and happy time.

Just one more reminder before we move on, commencement invitations will be sent out shortly to students who have not already received one. If you have not received one by the middle of July contact Mrs. Majka in the main office before July 12 to let her know. It is important that you inform her of this before July 12 as the school will be closed the last two weeks of July and the first two weeks of August.

On a sadder note the end of the school year also signifies teachers who are either retiring or moving on to a different school. This year we will be saying goodbye to Mr. Davies who will be continuing his teaching at Oakville Trafalgar and Mr. Casha who will be moving to the Peel Board. We would like to thank them for their excellent teaching and wish them well next year.

Also next year, Mr. Fisher, Mrs. Phillips and Mrs. Burroughs will be retiring. All three of them have been a tremendous influence in the Milton District school community and we are sad to see them go but wish them luck next year. Hopefully you will enjoy your years in retirement.

Lastly, we would like to say a special goodbye to our principal Mrs. Singleton who is taking a year leave of absence to travel to China with her family. Mrs. Singleton has been such a big influence on our school and MD would not be the place it is today if it wasn't for her. Thank you so much Mrs. Singleton and good luck next year.

No matter if you are graduating or coming back in the fall we are sure everyone will be able to look back and remember all of the fun times that were had at MD this year. We hope everyone has a safe, happy and healthy summer. Good luck, see you next year.
