A Special Thank You

fortunate enough to come across a last Saturday afternoon as I was stranded by the side of Britannia Road with a broken down car, my infant Grandson and sweltering heat. As Murphy's Law would have it, my cell phone battery was dead & I was becoming increasingly worried. Thankfully, along came a gentlemen that I only know as "Dylan's

offered the use of his cell phone and then proceeded to drive us safely home to Milton even though he was on his way to Oakville. So to Dylan's Dad, thank you from the bottom of my heart. I am so grateful to you for your help and I feel fortunate to have met you!

Zander's Grandma

We would like to thank everyone who offered their support and expressions of sympathy during the loss of my beloved son Barrie
