Automotive Specialty Shop Manager and Installers

A progressive local car dealership is looking for the above staff with knowledge of the specialty shop/jobber markets, for a new and exciting dealer based service initiative.

A thorough working knowledge of Oil, Lube, Tires, Mufflers, Alignment, Shocks and Struts is essential to all positions.

Ideally you will be currently employed at one of the major chains of specialty shop operations, with several years experience in this industry.

Experience in planning, implementing and setting up a specialty shop operation would be an advantage for the position of Manager. It is also imperative that the successful applicant has a good understanding of Staff Management, interpersonal skills, combined with commitment and dedication to all tasks and duties.

We offer a competitive compensation package and a comprehensive benefits program.

If you feel you meet the above criteria, please forward your resume in confidence to:
