

Nielsen will speak at fundraising golf tournament

While in South Pole, doctor performed her own biopsy and discovered she had breast cancer

Jerri Nielsen, doctor and author, will be the luncheon speaker at Wednesday's 5th annual Henry's Tournament fore Health at Rattlesnake Point Golf Club.

Ms Nielsen, author of 'Ice Bound: A Doctor's Incredible Battle for Survival in the South Pole', performed her own biopsy and discovered she

has breast cancer while at the South Pole.

Tourney just for women

The annual tournament, exclusive for women, supports the Marvella Koffler Breast Centre at Mount Sinai Hospital in Toronto.

First held in 1997, the Tournament fore Health

has raised \$405,000 to date.

The Marvella Koffler Breast Centre, which opened in 1995, is a result of the community rallying to provide this patient care facility for people needing breast care.

Patients in the program benefit from multi-disciplinary care.

Alarming, more than about 18,500 new cases of breast cancer are diagnosed each year in Canada.

In past years, this tournament has been attend-

ed by some of Toronto's most influential and charity-minded women, including Marvella Koffler, founder of the breast centre named after her.

Sponsored by Henry's

The Tournament fore Health is sponsored by Henry's, a photo, video and digital camera retailer.

Rattlesnake Point Golf Club is located on Hwy. 25, south of Britannia Road.
