# Local woman wins \$56,000 in lottery

*Ticket checked months later*

Eileen Lyons is a happy camper. Literally. The Milton resident claimed her LOTTO 6/49 prize of \$56,047 from the June 13 draw earlier this month. "We've been camping all summer and I haven't

been checking my lottery tickets regularly," Ms Lyons told the Ontario Lottery and Gaming Corporation staff in Toronto when she claimed her prize.

"Summer activities are starting to slow down now, so I figured I'd take a minute to check some tickets. I started going through the numbers and

when I saw I had matched five and the bonus (number) I nearly flipped. I can't believe I had a winning ticket for over two months and didn't know it."

Ms Lyons, 55, and her husband plan to buy a computer, invest for retirement and pay several bills with their new found wealth.

## Correction

An story that appeared in last Tuesday's issue of The Champion contained incorrect information regarding the Halton Region Business Development Centre's Open House and Trade Show October 25. The exhibit fee is \$75, not \$50. We apologize.

## Laboratory employees sign their first contract

Laboratory technologists who supply Milton District Hospital with blood and blood supplies have gone back to work.

Workers at Canadian Blood Services (CBS) in Hamilton ended a week-long strike Friday — voting 97 per cent in favour of accepting a first contract.

The CBS lab technicians — members of the Ontario Public Service Employees Union Local 210 — hit the picket lines August 15.

Hospital officials had said Milton wouldn't feel a "significant" impact of the strike due to back-up blood supplies.

## Agencies have new homes

The Halton Child Care Registry and Information Milton found a new home at 917 Nisissing Rd. as of yesterday.

The agencies moved from their current

locations at 171 Steeles Ave., the old railway station.
