## Game Highlights – August 24th – September 8th

### Girls Under 11

**Peter Hodge Transport 3**  
**Home Cinema 3**

A fabulous game by both teams. Home Cinema started with a lead of 3 goals by Brittany Wiseman (2) and Sarah Rietman, on PH Transport's hardworking goalkeepers Jennifer Trento and Taylor Smith. But PH Transport made an amazing comeback by scoring 3 goals to tie the game on Home Cinema's great goaltender Brooke Hartwick. Goal scorers were Nicole Cassivi, Amanda Niedzielski and Jennifer Trento. Special mention goes to Simone Pallot for some great plays.

**Vanler Insurance 3**  
**Peter Hodge Transport 0**

This game was a nail biter in true playoff fashion. Great goaltending by Nicole Cassivi and Stephanie Hannah for PH Transport and Michaela Bailey and Kate Moynihan for Vanler kept the fans on the edge of their seats. Great midfield plays by Jennifer Trento and Megan Cassivi made it very difficult for Vanlers forwards. Krista Dermott finally broke the ice midway through the second half. Taylor Muscollo played a strong defensive game for PH Transport as did Candice Bailey and Rachel Coulson for Vanler. Ariel Sereca and Katie Kluge capped off the scoring late in the game.

**Vanler Insurance 1**  
**Milton Dodge Jeep 0**

The championship game was a nail biter down to the final whistle. Outstanding goaltending by Reanna Desroches and Orla Canning of Milton Dodge Jeep and Michaela Bailey and Kate

Moynihan of Vanler. Danielle Clarke and Alison Kopas made several outstanding rushes and came within inches of scoring in the dying seconds. Breanne Kluge scored the lone goal on a kick that found the corner of the net. Alexandra Schembri thwarted several dangerous Milton Dodge rushes with some great defensive kicks, as did Samantha Stockall who frustrated Vanlers forwards all day. Candice and Michaela Bailey played a very strong 2 way game for Vanler. A great game played by all and a great way to end the season. Congratulations to all the girls and we hope to see you all back next year.

### Boys Under 11

**Brian's Auto Repair & Tire 4**  
**Southview Dental Clinic 3**

An outstanding game was played by all during this hour. Both teams showed excellent moves on the field and manipulated the ball back and forth across the field. Alex Sieben of Southview started things off with a goal quickly followed by teammate Cameron Freelen's goal. Chase Bell, Michael Klein and Konrad Hillenaar successfully kept the balls out of their defensive end for Brian's Auto. David Bruchett took advantage of a penalty shot to score the first goal for Brian's Auto and Johnathan Carnick scored next with help from a great pass by Ryan Knight. Chris Cuputo showed excellent goaltending for Southview, but David Bruchett of Brian's Auto deked one in off the post. While Josh White was superior in net for Brian's Auto, Gregory Brooks tied things up for his Southview team. Andrew Coll, Stephen Adams and Sean Ferguson did their share of running and passing the ball, but John Russell's determination and excellent footwork, earned him

the final goal of the evening for his team Brian's Auto.

**Brian's Auto Repair & Tire 1**  
**Maksteel 3**

What a high flying game! Johnathan Carnick started the scoring for Brian's Auto with a high goal to the top corner. Daniel Tostik and Forrest Patterson worked their way around the field with kicks from mid-field for Maksteel, while Ryan Knight seemed to be everywhere, kicking the ball and taking control for Brian's Auto. David Bruchett of Brian's Auto and Todd Massel of Maksteel kept the ball in the air with mid-air kicks back and forth. Brad Kitchen and Brett Farquharson were quick forwards for Maksteel, but met strong forces in the defensive team of Michael Vader, Nicholas Fiske and Michael Klein of Brian's Auto. Despite excellent goaltending by Josh White, Andrew Scarffe and Jonathan Riding scored a goal each for Maksteel. Matthew Russell, John Russell and David Bruchett kept trying to score, but those goal posts just wouldn't move and goalie Craig Nordstrom for Maksteel was outstanding. Teammate Alex Gazzola even dove in front of the ball to prevent any goals in his net. Jonathan Riding scored next for Maksteel on a handball shot and Andrew Wilkinson of Maksteel and Ryan Knight of Brian's Auto headed the ball back and forth several times before it resumed play. Midfielders, Chase Bell and Konrad Hillenaar kept the play in play to teammate Theo Villeneuve for Brian's Auto and Adam Eisele and Greg Mountain were just as active for Maksteel. Andrei Lupoo and Peter Halls rounded off this great game with fancy footwork and high kicks, ending an outstanding season for Bob Bruchett's team – Brian's Auto and sending Maksteel to the finals.

### Boys Under 13

**Loblaws 4**  
**Halton Rent All 3**

This game can't be explained – had to be there!!! Loblaws wins 4 – 3 in penalty kicks.

### Boys Under 16

**Bi-Line Systems 4**  
**Tim Hortons 3**

This game had all the qualities of an exciting play off game, with 2nd place Bi-Line edging out 4th place Tim Hortons. Neither team gave an inch with goals alternating back and forth until Jeff Kitchen scored his second of what proved to be the winner late in the second half. Matt Holland again was a stand out for the donut boys, scoring 2 and nearly tying the game with a couple of solid chances near the end of the game, only to be beaten by a couple of outstanding saves by Tim Smith – in goal as usual for Bi-Line. Chris Wheelihan, made an awesome defensive play, to cap perhaps his best game of the season. Darren Leu and Max Robertson scored the other two for Bi-Line. Defence was the key; however, solid performances by Chris Wheelihan, Kyle Croft, Darren Leu, and Jesse Rashotte kept Bi-Line in the game. Carl Chan, Mike DeSilva, Rhys Mohun, and Andrew Dempster (with a goal) were solid for Tim Hortons. Nick Spohr in goal again put in a great effort in a game that could have gone the other way. Congratulations to all the boys for a great season! Bi-Line will move on to meet New Automation, who finished first overall (and won their playoff game) in the championship game on September 8th.

### Girls Under 17 & Girls Under 19

The GU17 & GU19 P.S. Consulting team was eliminated at the quarterfinals. The GU17, Cutting Systems team lost a semi final game in penalty shootouts. All these teams were playing in the North Peel Halton league.

### Boys Under 19

Milton has three BU19 teams, Kinsmen, Royal Canadian Legion and Shrine Soccer. These teams each played 11 regular season games and 5 round robin playoff games. After the round robin games, there were two further games to determine the final top four teams. Milton's Kinsmen team and Sky Blue played for first place. Sky Blue won in a shoot out.

### Boys Under 10 Rep

The season is now over and while the statistics are disappointing, the effort and continued improvement of the team is very encouraging. Comments from all of the parents, spectators and even coaches from other teams can be summed up as saying that games could have easily gone the other way if Milton had not hit the posts so many times. During some games we were not so much beaten by the other teams as much as we were by goal posts. The year saw some dramatic improvement by the core players along with a maturity of always giving 100%. Injuries and vacations played havoc during the month of September 8th.

August, but the remaining team players never gave up. Special thanks to all the boys, you played well.

### Girls Under 14 Rep

The Milton Optimist team played their final Premier League home game at Thompson Road Tuesday September 4th against Saitleet. From the opening whistle the Milton girls showed they had come to play. Early on forwards Sadie McCure, Ashley Robinson, and Tara Eagles had numerous opportunities to score on plays set up by midfielders Jessica Reimann, Tammy Merritt, Elaine Robinson, & Alayna Byrnes-Frizzell. The Optimist girls dominated play and after failing to score on a penalty kick Milton finally broke the deadlock when Tara Eagles found the back of the net. Milton defenders Tea Clement, Julie Iantorno, Sara Mancini, and Shannon Johnston weren't giving much away at the back but Saitleet managed to equalize on a rare visit to the Milton end of the field. The Milton squad continued to play attractive soccer making their passes and finding the open player to move the ball around. Forwards Anu Viswanatha, Valerie Burke, and Alley Kurgan continued to work hard up front and Milton were rewarded when Alley slotted the ball home with Milton's second goal. The highlight of the evening for Milton's goalkeeper Cassandra Berghammer was a diving save low to the right on the penalty kick awarded to Saitleet for a miss-timed Milton tackle in the box. Milton settled for a 2-2 tie when Saitleet managed the equalizer from a corner kick with about 10 minutes remaining in the game. Lindsey Furk, out with injury, led the cheering from the Milton bench. The Milton Optimist U-14 team currently has a 4-6-4 record and sits in fourth place in the South Region Soccer League, Premier Division. The season ends on Monday September 10th when Milton visits the unbeaten Premier League Champion Mississauga Falcons at Huron Park.
