

HIGH SCHOOL REPORT

Mark Laframboise

BISHOP REDING HIGH SCHOOL

Ryan Pyne

Royal Report

By Mark Laframboise and Ryan Pyne

As we enter into the second month of the school year, events at Bishop Reding are running full speed ahead.

On Wednesday, the school community gathered to celebrate mass and the beginning of a new school year. Thanks to all who made this enriching occasion possible.

In Royal Athletics news, the cross Country team participated in the Highland Hills Invitational last Thursday. Michelle Doell, Jamie Greenfield and Mick McGill both finished third in their divisions while the Senior Girls' team finished second overall. The Midget and Junior Boys' teams also had success, finishing third in the team competitions. On Wednesday, Bishop Reding held the annual Royal Invitational at Kelso. Thanks to all who helped with the event. The results will be in next week's issue.

The Varsity Girls' Field Hockey team has started its regular season undefeated. Following a tie against St. Thomas Aquinas, your Royals faced E.C. Drury on Monday. Danielle Carmichael and Stephanie Rowe scored B.R.'s goals as Sinead Irvine claimed her second shutout of the season.

On a final note, all students are encouraged to get involved in the school community. Extracurricular activities include: the Yearbook Committee, Literary Club, Student Athletic Association, and Sound and Lighting Crew. If you are interested in the arts, check out the B.R. Players; Junior, Senior and Jazz bands; Choir and the Fine Arts Council. Finally, Student Government always welcomes help and ideas as they plan for this year's activities.

GRADE "A" NEWS

AT MILTON DISTRICT HIGH SCHOOL

Michelle Merkley

Emily Willoughby

Welcome to another edition of "Grade A News" from MDHS. Last Thursday our Jr. Boys Football team played an excellent game against QE Park, beating them 28-20 in a come from behind victory!! Well done boys. Also, on Friday the Sr. Boys played a well-fought game against Oakville Trafalgar. This game went into double overtime, but unfortunately our team lost the game 8-7. Great game guys. Once again the Prefects will be selling hotdogs at the home games, so come out and buy a hotdog and support the Prefects.

Thursday night was Gr. 9 Parents night. Parents of grade nine students got a chance to meet their child's teachers and find out more about the classes. A thank you goes out to all the Prefects who helped out. A reminder to check the lists on the office and guidance windows for Student Excellence night. If you had an overall average of 80% or higher last year make sure your name is on the list. If it isn't and your average was 80% or higher, then talk to Mrs. Schofield as soon as possible so you can be added to the list.

Attention all senior students! Check the bulletin board outside of Guidance to see when the university and college speakers will be at our school. This is a good time to talk to Liaison Officers from the universities/colleges and to find out more about the places that you wish to attend. Please sign up in guidance for these sessions. Wednesday students from MDHS took part in our annual Terry Fox Walk during period one. Thank you to all the students who did the walk. The first school dance is going to be held on October 4th, 7-11:00p.m. Tickets will be \$7 in advance and \$8 at the door, so listen to the announcements for when tickets will go on sale.

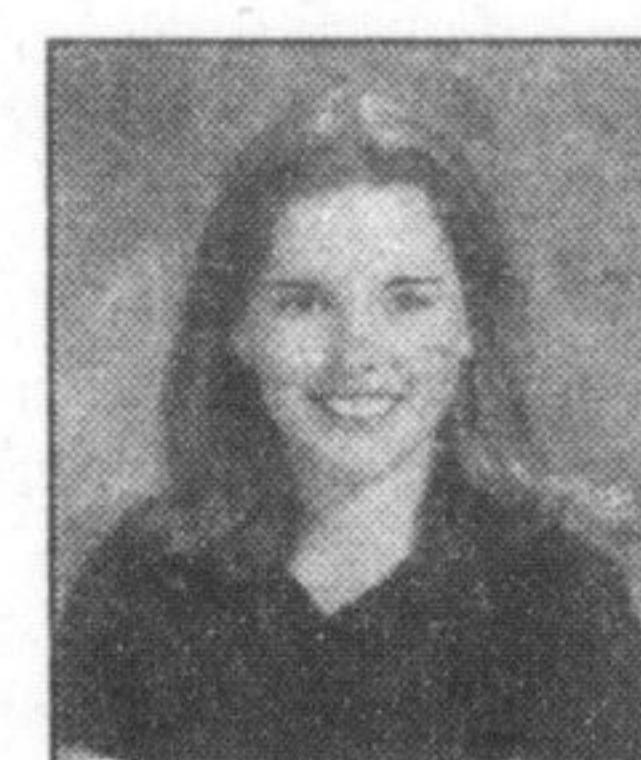

Milton District High School is taking part in the Community Access Program. Beginning Monday, October 1st, 2001 the school will provide *public* access to the Internet Members from the Milton Community. Anyone can come and learn more about surfing the net, e-mail or get help with Word, PowerPoint and Excel programs. The program will run 11:30am-12:45pm and from 3:30 - 7:30pm Monday to Thursday in the Learning Centre. The Centre will be closed on Thanksgiving Monday. Students can volunteer during the 11:30-12:45 shift and can earn time towards their community service requirements. Any adults interested in volunteering their time and skills can contact Connie Marr at (905) 878-8817.

That's all this week from MDHS, we hope everyone has a wonderful weekend.

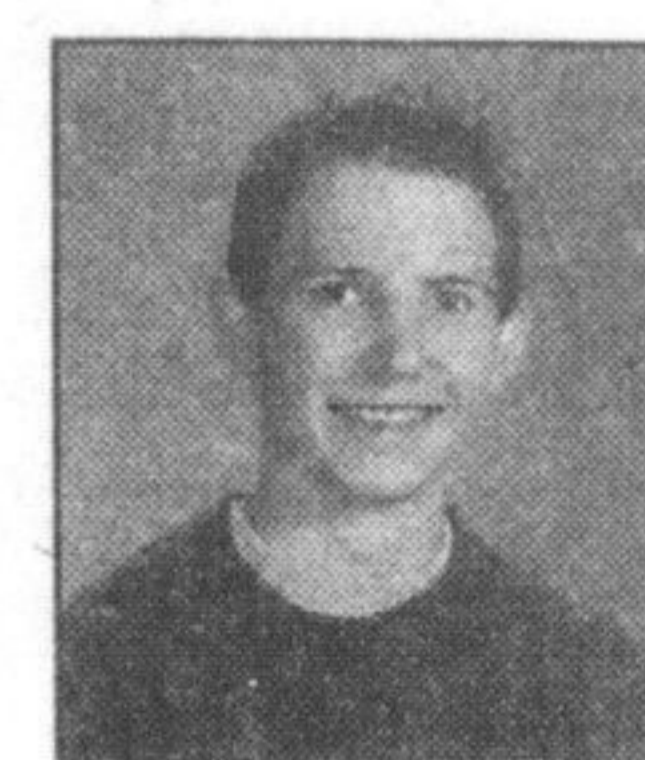

DATELINE DRURY AT E.C. DRURY HIGH SCHOOL

Megan Bauer

Lyndsey Jones

Rob Parker

Hello everyone, and welcome to this week's fun-filled edition of Dateline Drury!

What do Barrie and Stratford have in common? Not much, you say? Well, in the coming week these two towns will be visited by E.C. Drury students. That's right! This weekend, the senior wrestlers and their coach, Mr. Jaroslowski, will be travelling to Barrie, where they will be recognized for their contribution to the Trans-Canada Trail. Way to go wrestlers! As for Stratford, students from the E.C. Drury English department will be heading out there to critique a performance of Shakespeare's brilliant 'Twelfth Night'.

Meanwhile, in the past week numerous other schools have travelled to the sports fields of E.C. Drury to test their luck against the Spartans. On Monday night, both the Senior and Junior Girls Field Hockey teams were in Acton, with the Senior Girls crushing White Oaks 3-0. Sadly, the Senior Girls fell 2-0 to cross-town rivals Bishop Reding. Avenging the Field Hockey teams loss were the Senior and Junior Boys Volleyball Teams, who each played exhibition games against B.R. on Monday night and were victorious. The Senior team was especially impressive in their convincing four-set victory. As well, even more Spartan teams are starting to kick off their pre-seasons! The excitement is palpable as the Wrestling team has also started the defense of their OFSAA title with a pre-season camp, and this week both the Girls Basketball team and the Girls Rugby team will be playing their first games. The Basketball team will be taking on Bishop Reding Wednesday, and the Rugby team will be playing Nelson on Thursday, October 4th. GOOD LUCK SPARTANS!!!

The School Reach team also began preparing to repeat last year's stellar performance when they had their first practice on Wednesday morning. Be sure to check out how they did at their first tournament, tentatively scheduled for mid-October. Another E.C. Drury group hoping to re-create last year's success is the Student Government, who on Wednesday morning held their first Loonie Parking of the year. Be sure to come back next week to see the results of this great fundraiser whose proceeds go to Free the Children campaign to build a school in a third-world country.

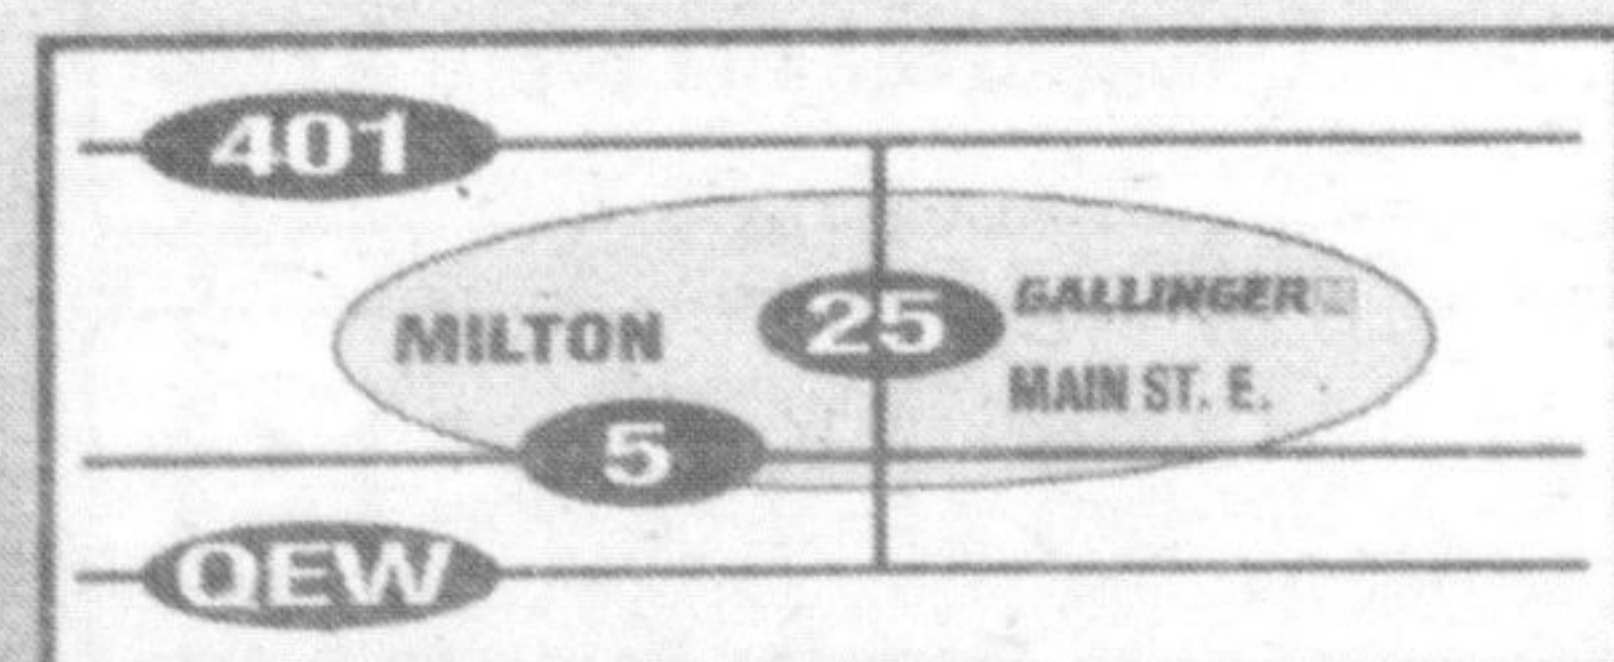

That's all for this week's EXCITING news, and remember: If you just CAN'T get enough of Dateline Drury, check out The Spartan Voice, which comes out October 1st. It's guaranteed to entertain!

Have a great weekend!!!
