

HIGH SCHOOL REPORT

Mark Laframboise

BISHOP REDING HIGH SCHOOL

Ryan Pyne

Royal Report

By Mark Laframboise and Ryan Pyne

With the four-day weekend already underway, Bishop Reding guaranteed that the less fortunate are able to enjoy this holiday weekend.

The Annual Thanksgiving Food Drive came to a close on Wednesday. Together, the students and staff of Bishop Reding rallied to collect more than 5,000 non-perishable food items for their Saint Vincent De Paul Society. This continues B.R.'s past success in this event. The school raised more than double last year's total. Congratulations to Ms. Langill's class for collecting over 400 cans and Mr. Alfano's class for having the most cans per capita. Way to go B.R.!

Coming off a stellar season last year, the Senior Football team is hoping to maintain their momentum. On Friday, they travelled to Burlington Central and played a hard fought game. Ryan Taylor ran for a total of one hundred and ten yards, scoring B.R.'s sole touchdown. Meanwhile, James Kaiser managed two interceptions in the 10-6 victory. B.R. Fútbol Rulz!

The Varsity Girls' Field Hockey team was also in a action this past week. In their most competitive match of the season, the Royals fell short against Loyola. Erin Greenfield, Lianna Presse and Bridget Rowe are commended on their aggressive play.

Last Wednesday, Bishop Reding held the annual Royal Invitational Cross Country meet. Overall, the team performed well, with two of our runners showing the sport has a great future at Bishop Reding. Congratulations to Jamie Greenfield and Mike McGill who both finished fifth in their respective divisions. Other top finishers were Michelle Doell, Cory Hageman, Tim Mohr and Amanda Robichaud.

The Senior Girls' Basketball team has been playing well as they enter into this rebuilding season. Facing Erin High School in exhibition action recently B.R. dominated the match and earned a 42-31 victory. The great leadership of Alicia New, Eva Sitarz and Audra Pacevicius helped the large group of rookies blend into a cohesive unit. We wish them luck as they begin their regular season.

Bishop Reding's great tradition returns for another year with the 15th annual Talent Show that will be held on November 15 at 7 pm. Do not miss your chance to share your unusual or not-so-unusual talents with your peers. Audition forms can be obtained in the Attendance office. For more information, please see Mr. Calzonetti, Mr. Vacca or Mrs. Featherstone.

We hope that everyone has a safe and happy holiday weekend.

GRADE "A" NEWS

AT MILTON DISTRICT HIGH SCHOOL

Michelle Merkley

Emily Willoughby

It's time for another edition of "Grade A News" from MDHS. Congratulations go out to the Cross Country team for a good showing at the B.R. meet last week. Also congratulations to the Sr. Boys Football team for their 17-7 victory over Pearson last week. Way to go Stangs, keep up the good work! The Sr. Boys played against Iroquois Ridge on Thursday and we will bring the scores next week.

Attention all 2001/2002 Grads. It is time for Grad photos October 15-18th. Please sign up on the bulletin board outside the Business Department. Also remember to check outside Guidance for the University and College sessions and sign up for the ones that you wish to attend as it deals with the application processes for post-secondary schools. Also the school is organizing a bus trip on October 24th to the College Information Day at Sheridan College for all students interested in going. See Guidance for more details. Are you still not sure what career field you want to enter? Then why not attend the career Options Fair at Georgetown District High School on October 12th 6:30-9:00pm or on October 13th 9:00 am - 2:00pm. There will be over 100 exhibitors from a variety of job fields. For more information visit <http://careers.amigoweb.com> or call the Halton Hills Chamber of Commerce at (905) 877-7119.

The progress reports will be mailed on October 10th to parents whose students may not be doing well in their classes. These letters are just to let parents know that the teacher is concerned about how the student is doing in class. Picture re-take day is October 9th, if you haven't had your photo taken for your student card and the year book please make sure you come. It won't cost you anything unless you want to order a package, but the year-book team does need your smiling face to add to this year's edition. October 16-17th the Gr. 10 students will be writing the EQAO Literacy test.

A reminder that Milton District High School is taking part in the Community Access Program. The school is providing public access to the internet. Members from the Milton Community can come and learn more about surfing the net, e-mail, and get help with Microsoft programs. The program will run 11:30am-12:45pm and from 3:30pm-7:30pm Monday to Thursday in the Learning Centre, room 103. The Centre will be closed on Thanksgiving Monday. Any adults interested in volunteering their time and skills can contact Connie Marr at (905) 878-8817.

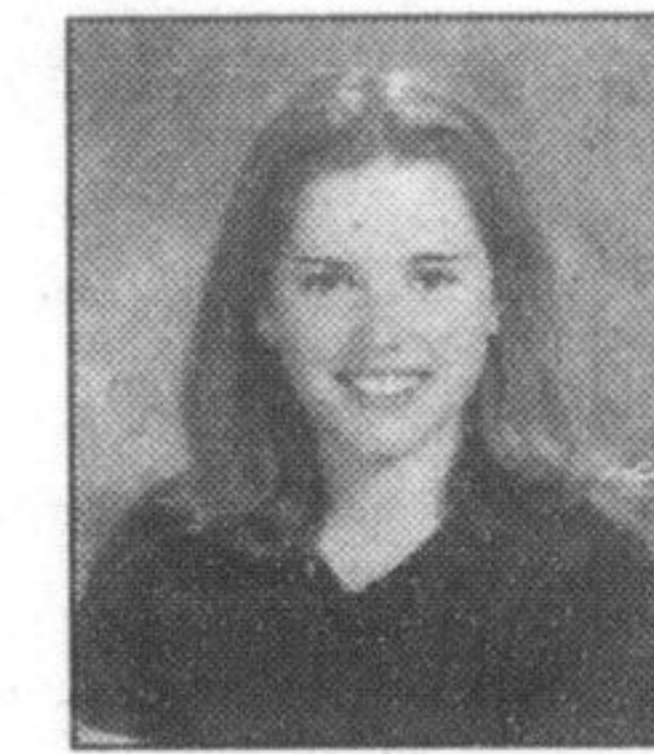

That's all this week from Milton District. We hope you all have a wonderful Thanksgiving weekend.

DATELINE DRURY

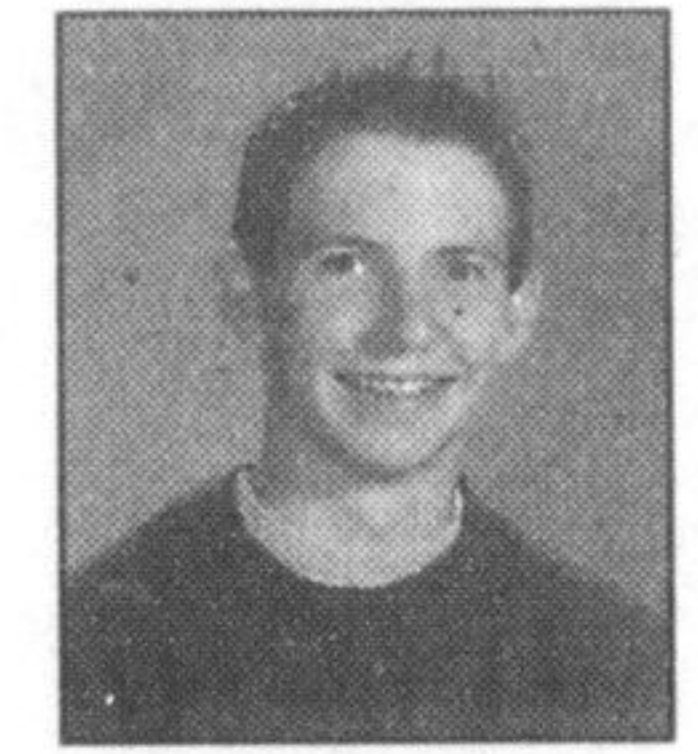

AT E.C. DRURY HIGH SCHOOL

Megan Bauer

Lyndsey Jones

Rob Parker

"Why are there so many chicken jokes and not turkey jokes? It's just not fair!" -Megan Bauer, OAC Student

Well Megan, while you think about this, why don't we catch our readers up on the FUN-TURKEY-tastic events from this past week at Drury?!

For starters, if you think the Reach Team is about getting objects off of high shelves, then you're dead wrong! Under the eclectic leadership of Mr. Keane, and the spectacled supervision of Mr. Menka, this team has already begun preparing for their triumphant return to the battlefields of knowledge and thinkage. Go kick some gluteus maximus!

"My favourite words are prom, and committee." -Rob Parker, OAC Student

Speaking of Prom Committee, you should join! In fact, E.C. Drury was screaming this past week... screaming for ice cream! This could have been because the prom committee sold ice cream on Wednesday in the Locker Bay, to raise money for this year's prom. If you are interested in helping out, see Jenny Campbell or Natalie Teed to help make the 2002 prom the most memorable one yet!

Other Spartans were also screaming this past week, as many sports teams sprung into action. Coach Mavro's mob of rugby ladies was gearing up to crush their competition in a Burlington tournament on Thursday. This tourney was a big hit among all rugby fans! Inside the Sports Building this week, the balls have been bouncing! Coach Houldcroft had high hopes for his boys volleyball teams, and girls basketball teams as they took on cross-town rivals Bishop Reding on Wednesday.

"What's the deal with those curved sticks" -Lyndsey Jones, OAC Student

Well Lyndsey, whatever the "deal with those curved sticks" is, it seems to be working! Coach Sheppard's flocks of "field hockians" has been grazing the goals quite successfully this past week. To date, the junior girls are in first place, and the senior girls are showing a lot of school spirit by coming out to all the games. Stay tuned for the results of these games in next week's edition of Dateline Drury.

On a more somber note, this past week marked the one-year anniversary of the tragic loss of three Drury students. A memorial service was held with close friends of Mark, Travis and Rory on Friday at the school. These boys will be remembered and missed by all of us.

As the week now draws to a close, remember to give thanks for the special things and people in your life. Have a safe and happy Thanksgiving!
