## Executive Director's Message

Sandy Martin

### Small Business Month

October is Small Business Month and celebrations occur throughout to recognize the contributions of business to the community. On Monday October 2, 2001 the Milton Chamber of Commerce along with over 85 businesses, community groups and individuals were invited to an Evening of Appreciation and Recognition by the Town of Milton to be thanked for their community sponsorship & support. It was heartwarming to see how the united efforts of the business community, service clubs, community groups and many private citizens make our town the best place to live, work and play! Milton has always been a community of volunteers and it is appropriate that during this Year of the Volunteer, we at the Chamber celebrate our 113<sup>th</sup> Anniversary of operation. You may ask why are we celebrating this seemingly strange anniversary number, so please let me enlighten you – Jim Dills, our local historian did some

research and discovered we were formed in October 1888. We decided then that we should not waste another year without recognizing the Chamber as one of the oldest community organizations in the Town of Milton. We cannot celebrate the accomplishments of the Chamber of Commerce without recognizing the contributions of the many volunteers, members and staff who have made us what we are today. On October 23, from 5:00 p.m. to 7:00 p.m. we will be celebrating our 113<sup>th</sup> Anniversary and all the volunteers that have been part of the Chamber since 1888! We invite all Chamber members and guests to attend this special evening of Celebration. The festivities will be held in the former Council Chambers at 251 Main Street on the second floor of the former Town Hall. Join us for a time of friendship and networking.
