MARIA E. MARTIN
October 10, 2000
Did I ever tell you that I really love you... and I think about you all day?
I really miss you... and wish I could kiss you... Why are so far away?
You were my best friend, and I never thought our days would end, but now it seems like they are gone...
What else can I say? I never wanted it to be this way?
Why have you gone so far away?

After the storm, a rainbow
After the winter, spring
After the sadness, peace and hope
That only faith can bring
After time of parting
This promise from God above
An eternity of happiness
And everlasting love.
Till we are together again.

MARSHALL PAUL
October 12, 2000
With Love and Memory
When we made our vows together.
And said till death do us part.
We never knew that life together would be all so short.
God knew your pain & suffering.
And took you to be free.
I'll try to be strong and go on.
But the tears get in my way.
I'll stay till God calls me to be with you again.
What a glorious day
Always Loved & Missed every day.
Your Loving Wife

BILL GREENFIELD

In tears we saw you sinking,
We watched you fade away,
Our hearts were almost broken,
You fought so hard to stay.
But when we saw you sleeping,
So peacefully free from pain,
We could not wish you back
To suffer that again.
Lovingly remembered
