Bruce Fendley of the Nipissing Yard stands in front of one of the Town's snowplows, which will be on display at the Operations Open House tomorrow.

## Town hosts works open house

The Town of Milton's community services department will host its first annual Operations Open House at the Nipissing Yard tomorrow from 10 a.m. to 1 p.m., rain or shine.

Residents will have an opportunity to go "behind the scenes" of a works yard to gain an understanding of the Town's winter snow control operations before the snow

starts to fall.

Equipment operators will be on hand to explain how the equipment works and procedures and priorities for snow removal.

Representatives from the Milton Fire Department, Town clerk's office and Halton Region Waste Management Services will also be present to answer questions about fire prevention and emergency

services, parking by-laws and garbage and recycling collection.

Visitors can also enjoy a barbecue, a trivia contest to test their knowledge of various aspects of public works, plus prizes including a Panasonic CD stereo system, donated by the Toronto Auto Auction.

The Nipissing Yard is located on Nipissing Road, east of Loblaws.
