A.T.R. President Tim Williams, Vice President Rose Longo and our Employees and Friends would like to take this opportunity to give thanks to all the staff members and especially to Chef Domenic of Trattoria Domenic 11 Restaurant. I originally called Chef Domenic on September 18, 2001 and informed him that I had a special evening planned for Saturday September 29, 2001 which included a total of 20 people for dinner and that I wanted the evening to be unforgettable. Chef Domenic promised me that he would take care of everything, to leave everything in his hands. Chef Domenic' menu that he personally prepared for my party left us speechless. He selected a menu fit for a King from the Prosciutto antipasto to the Royal York salad to the Alaska Royal King Crab Legs and Lobster tails to the Albeto red brand Sirloin and Filet Mignon Steaks and the endless amount of White & Red Wines, fresh Italian bread and Cheese that we received throughout the whole evening and ending it with Mama's Birthday cake. A.T.R. Employers, Employees and friends were also entertained by Chef Domenic' personality and kindness. To this day we are still talking about the amazing food, friendly atmosphere and entertaining nature of Tattoria Domenic 11 Ltd. Restaurant.

We highly recommend this restaurant and especially Chef Domenic, if you want to know how real Italians eat, drink and be merry, you need to experience it yourself to appreciate the excellent quality of fine dining. Once again we all would like to Thank You Chef Domenic and your Staff Members for an EXCELLENT, outstanding evening that we will NEVER forget.

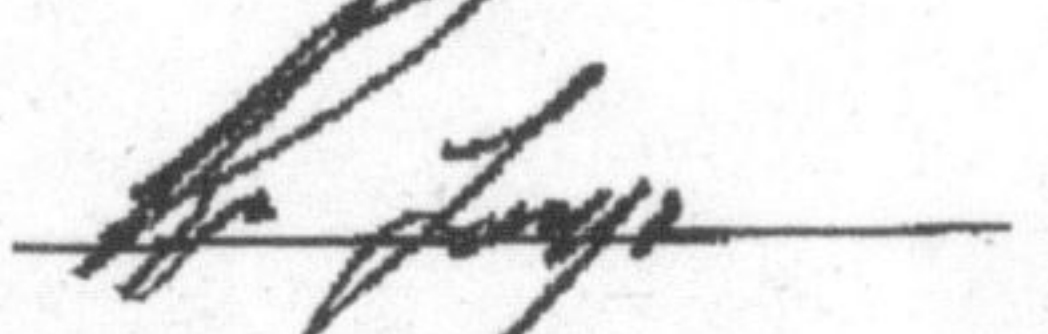

Yours Truly,

 Tim Williams
