

HIGH SCHOOL REPORT

Mark Laframboise

BISHOP REDING HIGH SCHOOL

Ryan Pyne

Royal Report

By Mark Laframboise and Ryan Pyne

The past week has shown Bishop Reding's excellence in academics and athletics.

On Thursday, the annual Honour Roll breakfast and awards night was held. Results regarding award recipients will be in next week's edition.

We would like to extend our congratulations to Amy Prisniak and Caitlin Dick who earned this year's SAT position. They will help organize and run Student Government events this year with the elected Grade Representatives including this coming week's harvest festivities. All are encouraged to get involved and participate in school spirit activities.

In athletic news, the Senior Girls' Basketball team continued its winning ways with a 46-18 victory over White Oaks. Melissa Shepherd and Eva Sitarz led the scoring with 10 and 7 points respectively. The team has a record of 5-0 and is currently tied for first place in their division. Way to go ladies! Meanwhile, the Junior Girls' Basketball also faced White Oaks recently. Scoring only 2 points in the first quarter the team recovered and pulled through for a 26-18 victory. Congratulations to Lindsey Furik who scored 8 points and 6 rebounds in her best game of the season while Abigail Adgit picked up 5 rebounds. Both teams are wished the best at they attempt to keep their season records undefeated.

The Junior Boys' Volleyball team won their first game of the season on Monday. Patrick Byrne's 5 straight points helped the team overcome a 6 point deficit and defeat White Oaks. Congratulations to Rookie of the Game, David Free for his amazing sets.

The Varsity Football team was also successful this past week. They claimed their second victory of the season by defeating Aldershot 25-7. Chris Casa, Chris Dumencu and John McGuire ran for touchdowns while Dave Wynne kicked a field goal and four singles.

To end this edition of the Royal Report we leave you with this thought: *everyone wants to be at the top of the mountain, but all the growth and happiness occurs on the way up.*

DATELINE DRURY AT E.C. DRURY HIGH SCHOOL

Megan Bauer

Lyndsey Jones

Rob Parker

Welcome to this week's fright-filled and spooky edition of Dateline Drury! This week, along with our usual barrage of information, we're also going to give you an insight into some of our students' Halloween fears. For example...

"The high price of candy gives me the shivers.

-Blake Nowell, Grade 12 student

Last Friday, the Senior Boys Volleyball Team sent shivers down the spines of their opponents when they won the consolation final of their tournament. Still riding high from that win, they defeated cross-town rivals Bishop Reding in a convincing fashion on Monday night. Meanwhile the Junior Boys team ensured our town-wide supremacy in volleyball when they crushed Milton District. Way to go, Spartans! Also on Monday night, Milton District felt the wrath of our Junior Girls Basketball team, who slapped their opponents silly. Sadly, the Senior Girls Basketball team didn't fare so well when they lost a close one to those 'monstrous' Mustangs. And congratulations go out to the Junior Girls Field Hockey team, who finished off their season last Friday. Unfortunately, the team dropped a tough decision to those feisty Notre Dame Irish, but congratulations go out to the girls who made this year's Field Hockey team the most successful ever!

"Stuffed animals and Kleenex boxes give me the heebie-jeebies."

-Jeremy Brooks, OAC student

The School Reach team is practicing their scary faces in preparation for their tournament this coming Thursday. With this much intimidation and the brains to back it up, these sensational Spartans are sure to scare the pants off their competition! Be sure to look back next week for the results of their first tournament of the year.

Meanwhile, other Spartans have been getting into the Halloween spirit. That's right, the E.C. Drury Music Department is putting on their first ever food drive!! If you live in the Dorset Park area, don't be surprised to see E.C. Drury students out in your neighbourhood on Halloween night. They'll be trick-or-treating for non-perishable food items and any donations would be appreciated. If you're interested in helping out with this exciting event, please see Nicole Hiebert or Lyndsey Jones for more details.

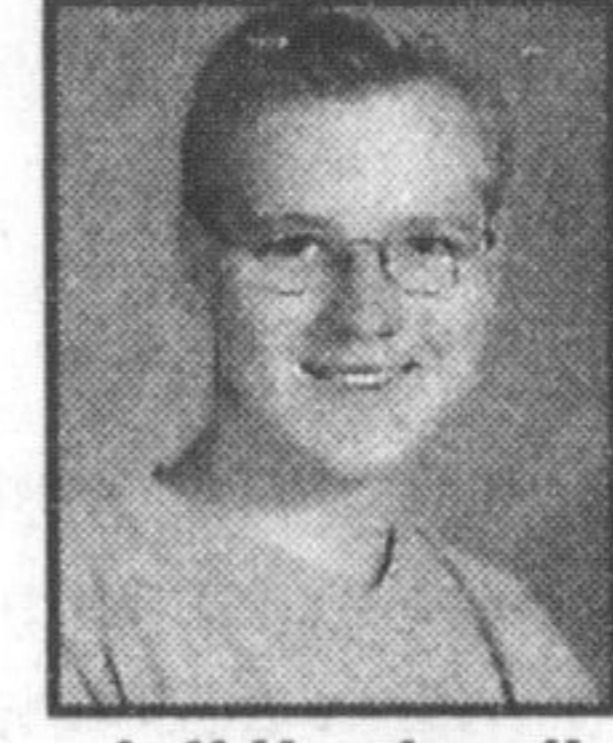

Did you know that one of the groups of students served at E.C. Drury is students with developmental challenges? Well, in order to promote interdependence for our students, we provide work placement in the community. If you own or manage a business or company in the Milton/Georgetown area, would you be willing to provide a learning opportunity for one or two students? Placements are for mornings or afternoons, and they are six to ten weeks in length. The students are accompanied at all times by an on-site staff member. If this interests you, or if you have any questions about this opportunity, please call Herb Goodhoof, the Head of Developmental Education Department, at (905) 878-5688. Please consider "opening a door" of opportunity for a willing student.

That's all for this week's edition of Dateline Drury, and we hope that we were able to **pump-kin** you up for Halloween! Have a great weekend!!

"MUSTANG MESSENGER"

Malik Musleh

Jeff Vendevalk

Emily Willoughby

MILTON DISTRICT HIGH SCHOOL

Welcome to his Friday's edition of the Mustang Messenger. We hope that everyone has had a great week. Here's what's new at MD.

First and foremost, all of us here at MDHS would like to welcome the graduating class of 2000/2001 back to the school. They have returned for their commencement, which will be taking place tonight in the school's gymnasium. The ceremonies will be starting at 7:30, but grads are requested to be at the school by 6:45. We'd like to thank all those Grads who took part in the annual Grad Panel, where the returning grads talk to the senior students about what life after High School is really like.

Now, it's time for the sports update. The senior Stangs football team had an impressive win, of 21-0, over T.A. Blakelock last Friday. This earned them their first shutout of the year, moving their record to 2-3 for the season. We will bring you the score from the senior's game on Thursday, Oct. 25, in next week's messenger. A very strong Lord Eilgan team, however, overpowered the junior football team. The loss was an unfortunate 35-6. Their record now goes down to a respectable 2-3. Both football teams are headed to the playoffs in the coming week. Good luck Stangs!!!

The junior girls basketball team lost a challenging game to cross town rivals E.C. Drury last Monday. The girls hung in there and battled it to the end with a final score of 27-24. Better luck next time. The senior girls won their basketball game against E.C. with a final score of 17-14. This win was a redeeming factor for our girl's basketball teams! The senior girl's record now moves to an outstanding 4-1. This week, the hockey team played an exhibition game against M.M. Robinson, in anticipation of their season opener on November 21st. We will keep you informed as games start to approach. Congratulations go out to the cross country team who were away at a meet on Wednesday. The junior boy's volleyball team hopes to continue their winning ways after their first win this past week.

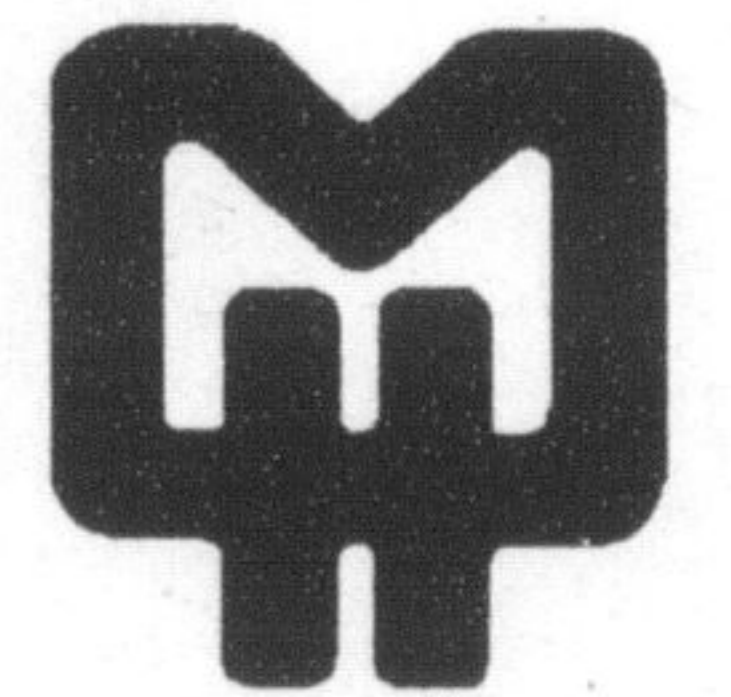

We know that the seniors are very busy around this time of year, making post-secondary decisions. To ease you in this time, please pay attention to announcements and messages from student services. Workshop #2 for graduating students, attending college or university was held on Wednesday. This session regarded the proper way in which to fill out your applications forms and touched on finances. If you did not attend this session, it is very important that you go to the guidance office to get all of the information, as practice application forms and University codes were handed out. Workshop #3 will be held on Tuesday Oct. 30. This is the final workshop before the post-secondary applications are due on **November 9th**. At this time you must have your application forms properly filled out and your checks for the processing fees.

The Senior Auction last week was a huge success. Thanks to all the bidders, we raised \$890 dollars. This money will be used towards the Prom, which Mr. Hamilton says is going to be amazing. With Halloween fast approaching, the Student Council is very busy planning Halloween activities. Listen to the announcements for more details about all the events. That's all for this edition of the Mustang Messenger. We hope you all have a great weekend and a safe and Happy Halloween.

Milton Hydro Distribution Inc.

Notice of Hydro Service Interruption

Milton Hydro will be carrying out maintenance on a portion of its distribution network located north of Campbellville. The planned work will result in customers located from just south of 15 Side Road and north of Highway 7 experiencing short duration power outages (5 minutes) on October 29 and October 31, 2001, between 10:00 and 11:00 a.m. All times are approximate and are subject to change as a result of unforeseen events such as inclement weather. Some appliances and heating/cooling systems may require resetting when power is restored. Alarm companies should be notified. If you have any questions, please call 905-876-4611.
