Sleep in and still go to church!

A lot of people say they don't go to church because Sunday is the one morning of the week when they can sleep in.

What if we could give you an extra hour on Sunday morning?

Well, we can't. But we can do the next best thing. We have planned a special anniversary service on "time change Sunday" (the morning after you have turned your clock back one hour!) It's just like having an extra hour. It's the only Sunday of the year that you can come to church and still sleep in!

Milton Bible Church is a *New Church for a New Generation*. The music will be today's style. The message from the Bible will be interesting and relevant. The atmosphere will be friendly and accepting. The dress code is casual.

We have been preparing for your visit to help make it a great experience.

The Tim Horton's coffee and anniversary cake will be served after the morning service. An excellent nursery and a fun children's program will also be provided.

Here are just the facts:
