

MILTON TOYOTA

What a Difference!!!

Award Winning Quality

We are proud to bring *Toyota's* legendary vehicles to the Milton Community. Over its long and storied history, Toyota has earned a reputation for designing and building vehicles that stand the test of time. This proven commitment to quality has enabled Toyota to meet aggressive customer satisfaction commitments and has led to thousands of loyal and satisfied customers.

This commitment to quality has also been recognized through numerous awards, including the prestigious CAA Pyramid Awards, of which the Camry, Corolla and Sienna have been recognized continually. The Sienna has been recognized as the safest mini-van tested by the Institute for Insurance Safety.

Selection

As North America's *fourth* largest automotive manufacturer, Toyota prides itself on providing vehicles for all generations. Toyota's 2001 and 2002 line-up are by far the most impressive ever. Led by the redesigned RAV4, the new **Highlander** and **Sequoia**, and most recently, the redesigned and reengineered Camry, Toyota is opening eyes and setting new sales records with unprecedented regularity.

Value

Toyota vehicles have long been recognized for holding their value relative to the competition. This is just another reason why many elect to purchase a Toyota. At *Milton Toyota*, we regularly see customers who, as original owners, have driven their Toyota vehicle for over 10 years. These people are surprised to find these vehicles still have reasonable value after all that time. In fact, we recently serviced a Toyota Camry with 750,000 km!!! **While your vehicle is guaranteed to depreciate, history shows that Toyotas depreciate at a slower rate than many of their competitors.**

Service

At *Milton Toyota*, we are committed to ensuring the satisfaction of our customers. Our award winning service department is equipped to service any make or model. While their vehicles are being serviced, our customers can choose to relax in the comfort of our lounge, or take advantage of our complete shuttle service. For customers requiring overnight service, we make available a courtesy car. Any way you look at it, our job is to make maintaining your vehicle as easy and hassle free as possible.

The Milton Toyota Difference

Although *Milton Toyota* is a relatively new dealership, we have over 40 years of experience in the automotive industry. But more importantly, we have experience and a proven track record in delivering a purchase and service experience that's second to none. At both *Gorrod's Auto Group* and *Milton Toyota* we pride ourselves in the fact that we have a history of developing long lasting relationships with the majority of the thousands of customers who have purchased and serviced their cars at our dealerships. In fact, well over 50% of our customers return or refer a friend or family member for their next purchase.
