In the University of Waterloo Mathematics Contest, B.R. had great representation in the top 25% of all contests. Top finishers from the Milton area are: Megan Crawford, Kate Kelly, Mark Laframboise, Kevin Laughren, Matthew Mastrangelo and Cory Minkhorst. Kate, Matthew and Megan are also commended on first place finish in their respective school competition.

Bishop Reding's excellence has also been shown by our athletic teams recently. Last Wednesday, B.R. hosted the G.H.A.C. and Halton Cross Country Finals at Kelso Conservation Area. In the Midget Boys' 5 km. race, Mike McGill earned a berth in the O.F.S.A.A. Championship with a 3rd place finish. Other notable performances were accomplished by Jamie Greenfield and Michelle Doell in the Midget and Senior Girls' competitions respectfully. Thanks to all staff and students who make the event a success.

The Junior Girls' Basketball team has earned a 1st round bye in the playoffs with a convincing 39-22 victory over Loyola. Great teamwork led them to an 18 point lead at half time and allowed them to coast to victory. This set the stage for Wednesday's game versus St. Thomas Aquinas in the Battle of the Undeclared. Kasia Sitarz ignited the game with two quick baskets in the first quarter while Lindsay Furik led the scoring with 11 points.

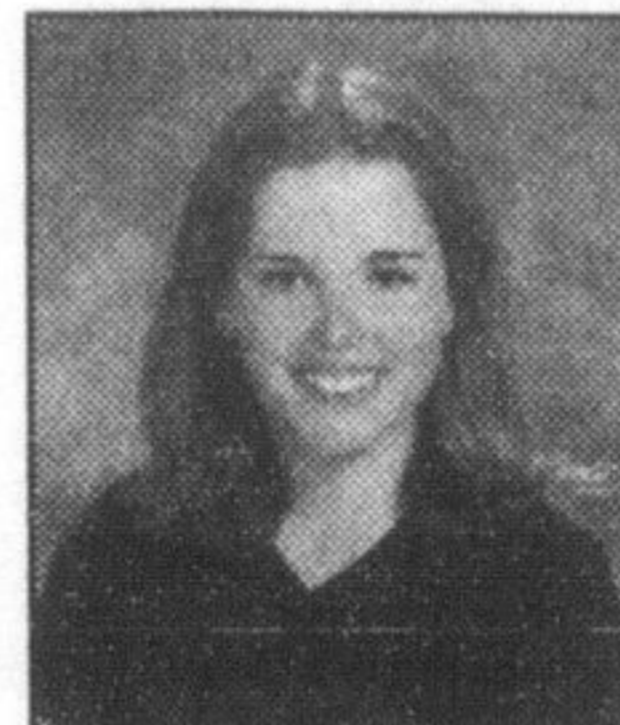

Meanwhile, the Junior Boys' volleyball team played their last game of the season versus Loyola on Monday. Unfortunately, despite a great effort, the team was unable to defeat the opposing Hawks. Good luck next season.

DATELINE DRURY AT E.C. DRURY HIGH SCHOOL

Hey, what's happening at E.C. Drury? If you don't know, we sure do! Read on to find out in this exhilarating and informative edition of dateline Drury!

"Even though I don't go to E.C. anymore, I still read Dateline Drury every week. You guys are so fun filled and exciting!"

-Nadia DeLivio, E.C.D. Alumnus

Today Drury welcomed back our graduates to participate in Drury's annual "Grad Day." This gave our OAC students the opportunity to ask questions they may have about university and college life. Our Grad Day events will culminate tonight at our commencement ceremony. We'll be there, and we hope you will too.

"Do I like Dateline Drury? DO I EVER!!"

-Dylan Hardy, E.C.D. Alumnus

Two groups that have been looking forward to commencement are these rowdy concert band folk and the ever-melodical concert choir. Under the astute direction of Mr. Gayfer and Mrs. MacCrae, these musical madcaps are ready to "pomp and circumstance" it up 47 1/2 times... Seriously.

In sports news, the girls' basketball teams had mixed results in Monday's aggressive game against Q.E. Park. The juniors are currently securing a spot in the playoffs, and keeping the winning streak going in the process! These young 'superstars' finished with an impressive score of 52-26 in Monday's game. The seniors, however, are on a streak of their own... Unfortunately, they came up short of points in Monday's match. However, don't underestimate these ladies! They have the spirit and the bruises to prove that they won't go down without a fight.

"Rob Parker sure is living the dream... Not only does he get to write for Dateline Drury, but he gets to spend so much time with Lyndsay and Megan!"

-Frumious T. Bandersnatch

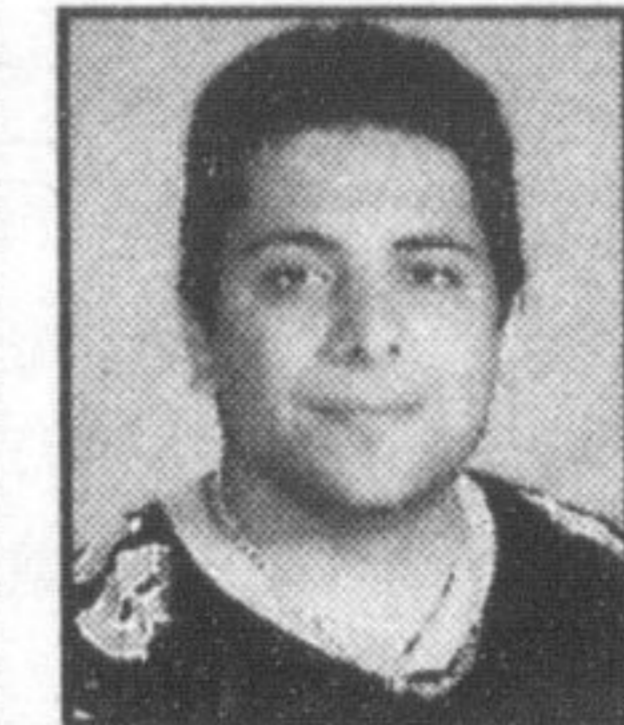

THE PUCKS HAVE BEEN FLYING! Flying into the net that is! Both the girls and boys hockey teams have been practicing hard this week, in preparation for the rapidly approaching seasons. There is no doubt that coaches Burnet and Mitchell will have these top-notch players whipped right into shape in no time at all!

This past week at Drury has just flown by with many fun-filled occurrences! And yes, the rumor is true: We're here every week until June, so make sure you take some time out of your busy schedule to read our informative ramblings again and again and once again! have a great weekend!

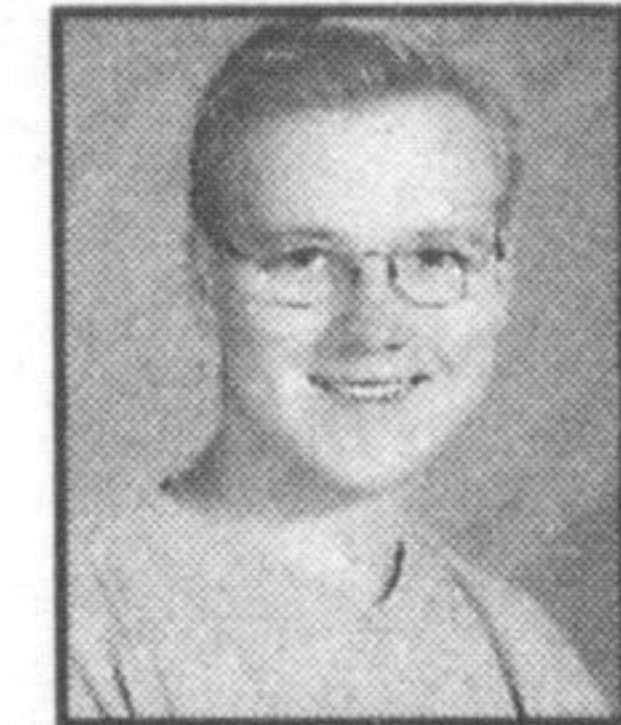

"When I grow up, I want to write for Dateline Drury! I think it's peachy keen!"

MILTON DISTRICT HIGH SCHOOL

Welcome to another edition of "Mustang Messenger". We hope you all had a safe, but scary Halloween, with lots of loot to boot! Here at MDHS, students let their Halloween spirit show through their costumes and pumpkin carving skills. The halls of MDHS were filled with monsters, pirates, devils, the "Sailor Moon Scouts", wizards, babies, princesses, angels, farmers and even the headless horseman came to class on Wednesday. Thanks to all the students who took part in the costume contest and congratulations to the winners. Claire Murray won for her Cruella DaVille costume, Megan Lockhart's headless horseman and Tamera Bisson's Robot won for most creative. Nick Spore dressed up as Dilbert and won for the funniest costume and Sara, Selena, Katie-Lynn and Deanne won the prize for best group costume - they were the "Sailor Moon Scouts". Way to go, and thanks for showing your spirit. Congratulations also go out to the following classes for winning the pumpkin carving contest: Ms. Cran's class won for a pumpkin that looks the most like an MD teacher, recreating Mrs. O'Reilly with their pumpkin. Mrs. Wedele's class won for the funniest pumpkin; Mr. Hamilton's class won for the scariest pumpkin and Mr. Grant's class won for the most creative pumpkin.

We would like to remind parents again that the Mid Term reports are being distributed on November 14th and Parents' Night will be on November 22. Also, to all senior students, your Post Secondary Application forms are due on **November 9**, along with your processing fee. If you still need more information or have any question on the appropriate way to fill out your forms, please talk to guidance as soon as possible.

Now an abbreviated version of the MDHS sports update. The junior boys' football team won their game this past week, 13-3. Congratulations for this outstanding win. Both football teams have made it to the playoffs, and faced White Oaks. There is unfortunate news from the two girls' basketball teams, as they lost both their games to T.A. Blakelock, in the past week. We wish them luck in their next games. Please see next week's "Messenger" for the updated scores.

That's it for this week here at Milton District. We hope that everyone will have a great and stress-free weekend.
