

Pumpkins can be picked up with your yard waste

Halloween pumpkins are compostable and don't need to go in the garbage, reminds Halton Region.

For those without composters, pumpkins will be picked up along with yard waste on the regularly-

designated weeks.

To see when yard waste is collected in your area, consult your 2001 waste management calendar or visit www.region.halton.on.ca/ppw/waste.

Backyard composters can be purchased at the Halton Waste Management Site at 5400 Bronte Rd. (Regional Road 25) at a cost of \$30.
