WHAT YOU SHOULD EXPECT

When you have an accident and your vehicle is damaged, it always happens when you have minimal time to deal with it effectively.

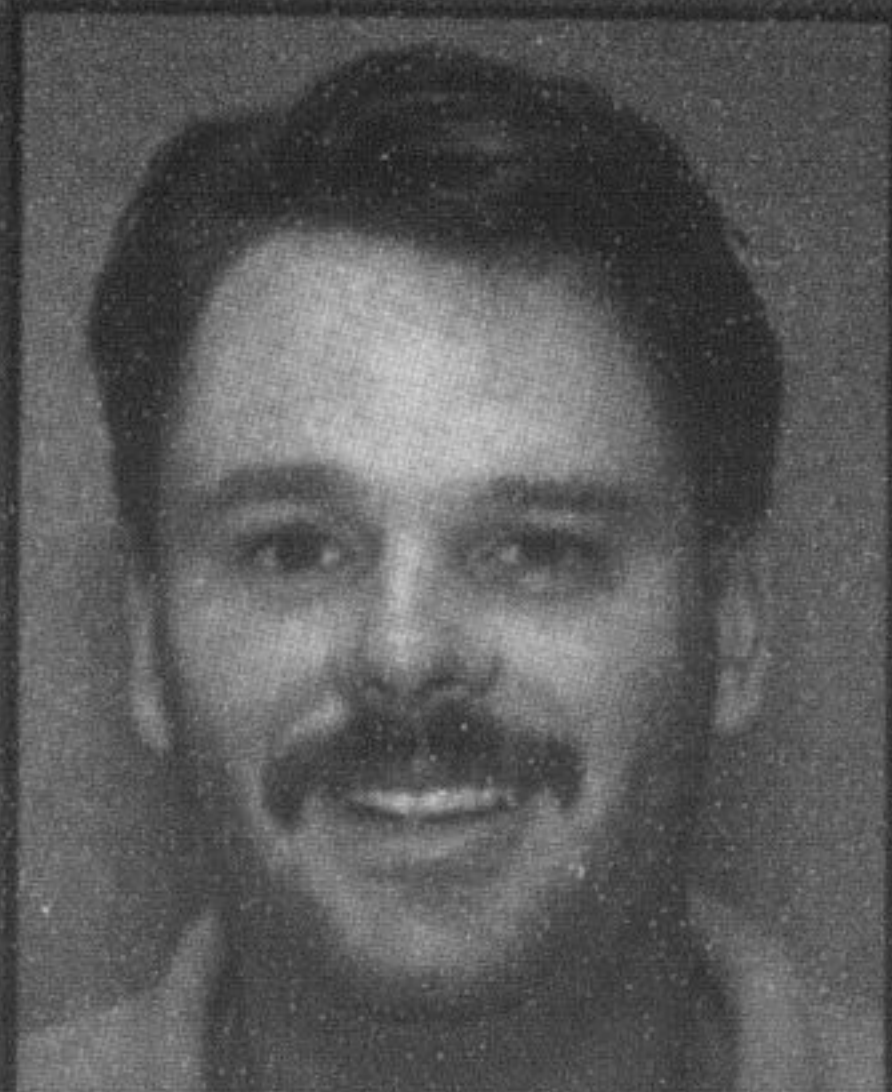

You find yourself spending considerable amounts of time getting quotes, understanding the process, arranging rentals and communicating/clarifying the specifics of the claim with your insurance company.

FIRST PROFESSIONAL is a name that we associated with the experience that our customers would WANT to have with the shop they choose to repair their vehicle. The key message here is YOU CHOOSE First Professional as your one stop shop. Our slogan, "Milton's Full Service Collision Centre," lets you know we are licensed and networked both technically and personally to manage your claim. From the initial accident reporting through to the delivery of your vehicle, we repair to your satisfaction and to its original condition.

We take the burden off your shoulders which leads to our second and most important slogan ... "We will exceed your Expectations". We will know we were successful when you tell us that we not only met, but exceeded your expectations and that you would refer your friends and family to us.

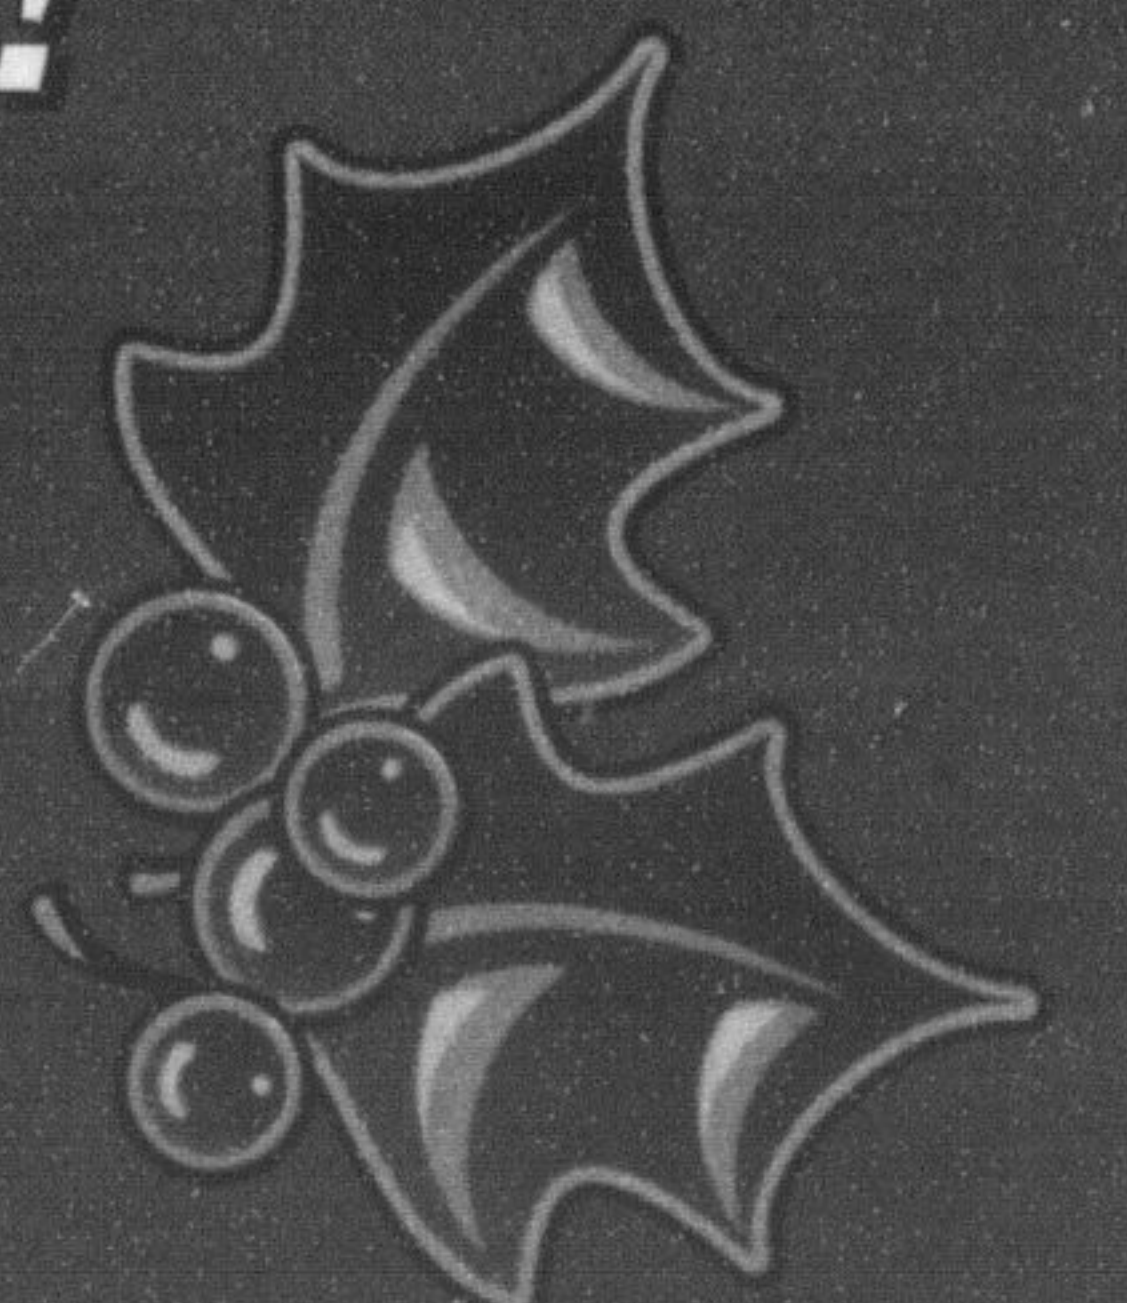

**We look forward to an opportunity
to
Exceed Your Expectations**

**THANK YOU MILTON FOR MAKING OUR
FIRST YEAR A GREAT SUCCESS!!**
