

White Cane Week in Feb.

Achievements of blind Canadians to be celebrated

The Halton/Peel branch of the Canadian National Institute for the Blind is preparing for White Cane Week, scheduled for February 3 to 9.

The focus of the week is to celebrate the achievements of Canadians who are blind or visually impaired as well as raise awareness of the challenges they face in their daily lives.

This year's theme is 'One Step Closer' to independence.

In their effort to raise awareness, the organization has established a 'Challenge Your Senses' booth — an interactive

demonstration — that will be situated in major malls across Halton Region and aboard during White Cane Week.

On Wednesday, Feb. 6, the booth will be found at Georgetown Market Place (280 Guelph St.).

Other malls in Halton/Peel will also host the demonstration, but Milton Mall isn't on the schedule.

For more information, contact the Halton/Peel branch of the Canadian National Institute for the Blind at (905) 275-5332 or visit online at www.cnib.ca.
