

The Shortest Distance To A Successful Job.

MANUFACTURING TECHNOLOGY FOR WOMEN

Our established programs prepare women to work in high-salaried occupations in Electrical or Precision Machining and Tooling

- 30 weeks in-class theory and hands-on training with qualified, certified and experienced instructors
- 20 weeks paid job placement with employers for on-the-job experience
- Placement officer to assist in finding full-time employment

Tools, textbooks and safety equipment given to each student (approx. value \$1000). *Tuition assistance is available to certified candidates.*

NEXT PROGRAM STARTS MONDAY, FEBRUARY 11

Tykes battle at tourney

Milton Winterhawk netminder Brandon Bodiam (top left) scrambles for a loose puck while his teammates battle Brampton Battalion opponents during tyke action at the annual Beaver Tournament at Memorial Arena Thursday. Milton lost 1-0. See Saturday's Champion for full results of the holiday showcase.
