Choosing the right mix of mutual funds that support your RSP strategy is challenging. But with the TD Managed Assets Program<sup>†</sup> (TD MAP<sup>®</sup>) you invest in a professionally designed and managed portfolio of leading mutual funds.

Using a questionnaire a Mutual Funds Representative reviews your investment needs and risk tolerance. You are then provided with a recommended mutual fund portfolio that's selected to fit your retirement needs.

Plus a team of professional managers continually monitors, reviews and re-balances the portfolio, to help keep it on track. And you're kept updated with semi-annual Performance Reports.

TD MAP – it's a professional investing experience.
