Couple makes court appearance

A Fifth Line couple charged with drug offences will return to court March 7 after making a brief appearance February 7.

Theodore Luscombe, 45, and Brenda Luscombe, 39, who are charged with one count each of producing a controlled substance, possession of a controlled sub-

stance and possession of a controlled substance for the purpose of trafficking, appeared in Ontario court (provincial division) in Milton to set a trial date.

Mr. and Ms Luscombe were arrested September 25 after Halton Regional Police seized 146 marijuana plants and hydropon-

ics growing equipment from a Fifth Line residence. A hydroponics growing operation was discovered inside a barn adjacent to the home, while marijuana was also found in the basement.

The drugs seized have a potential street value of \$110,000.
