# SIEMENS

Siemens Canada Limited provides electrical and electronic innovations that impact lives on a daily basis. We are looking for people who share our imaginative approach.

## Opportunity knocks.

### Assembler (Ref. 102) Panelboards/switchboards

You will be responsible for doing the assembling, wiring and cabling of switchboards and panelboards, according to mechanical and electrical drawings. The main tasks necessitate the use of pneumatic tools, press drills and bus bar machines.

You hold a high school diploma or the equivalent and have 3 years experience with panelboards and/or switchboards. A team player, you show solid organizational skills and a strong ability to work with time constraints. You are also detail-oriented and able to adapt to change.

If this opportunity interests you, please forward your resume, citing reference number 102, before February 21, 2002, through our Web site or explore other possibilities in our career opportunities section at [www.siemens.ca](http://www.siemens.ca)

### URBAN APPEAL • RURAL BEAUTY • ECONOMIC STRENGTH

With its attractive blend of urban and rural amenities, and a diverse population of 360,000, the fast-growing Regional Municipality of Halton provides services in public health, social and community services, planning and public works, with finance and administrative functions to support these programs.

### Sub-Foreperson

This dynamic opportunity will see you help plan, assign and direct work to its final completion, including preparing time sheets, vacation schedules and budgets, and compiling plant records and analyses. A strong communicator and team player, you will assist plant maintenance staff in implementing their preventive maintenance, and scheduled and unscheduled work programs. In addition, you will ensure compliance with, and instruct staff on regional standards, policies and procedures, plus appropriate responses to emergencies. Along with a relevant diploma and several years of related experience, preferably in different types of operations, you must possess a thorough knowledge of wastewater treatment and collection system operation, and, ideally, the Occupational Health and Safety Act and related policies.

Please forward your resume, quoting Competition #PP-72, by March 6, 2002, to: Human Resource Services, The Regional Municipality of Halton, 1151 Bronte Road, Oakville, Ontario, L6M 3L1. Fax: 905-825-4032.

We thank all candidates for their interest. However, only those selected for an interview will be contacted.
