Halton Region A Partnership That Works!

NOTICE OF PUBLIC INFORMATION CENTRE No. 1

Derry Road (Regional Road 7) Improvements Fifth Line to Ninth Line Class Environmental Assessment Study

The Regional Municipality of Halton has initiated a Class Environmental Assessment to consider a wide range of options to satisfy future travel demands on Derry Road from approximately 150m east of Fifth Line to Ninth Line (see map below). In order to best address existing and future operational deficiencies associated with this segment of Derry Road, a number of road improvement alternatives will be examined as part of the study including widening, new road alignments and improvements to intersections, among others.

The study will define the problem and consider, evaluate and detail alternative solutions and design concepts. The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (June 2000), which is approved under the Ontario Environmental Assessment Act.

A Public Information Centre (PIC) is planned to provide further information to the public and interested stakeholders and to receive input and feedback on the study to date. The PIC is schedule for:

Wednesday, March 27, 2002
Milton District High School
396 Williams Ave., Milton
(Williams at Commercial)
Open House 6:30 p.m. to 8:30 p.m.
(Presentation at 7:15 p.m. In cafeteria)

Those attending the PIC will have an opportunity to meet the Project Team, review the study scope and discuss the issues related to the project, including alternative solutions, environmental considerations and the assessment of evaluation criteria for the alternative solutions.

The map below shows the approximate limits of the study area.

www.region.halton.on.ca/ppw/planningroads

If you are unable to attend the PIC and wish to fill out a comment sheet or require additional information, please contact
