SHOP DOWNTOWN MILTON

DOWNTOWN MILTON IS OPEN AND WE WANT YOUR BUSINESS!!

Even during construction, every effort will be made to ensure safe sidewalks for shoppers, on street and parking lot parking and minimal delays in Main Street traffic.

Where our Easter bonnets are hardhats!

I'm the "Main Man" bringing you the news and the answers about the "Main Event." Here's what's happening next week downtown.

Now that the old sidewalk & bumpouts' have been removed and the temporary paved sidewalks are in, the road is wide enough to allow work on the north side of Main Street without causing major traffic delays. Now they can begin the work of removing underground mains and replacing with a larger, modern system which will be connected to all the buildings underground.
