**The MAIN EVENT**

*Throughout the Main Street reconstruction project, the Milton Downtown Business Improvement Association (DBIA) will keep you informed about access, sales and promotion events—every Friday, page 5 of the Champion.*

**Shop downtown Milton for all your Easter gifts, decorations, foods & fashions. Celebrate Easter or any occasion at a downtown Milton restaurant!**

**Where our Easter bonnets are hardhats!**

I'm the "Main Man" bringing you the news and the answers about the "Main Event." Here's what's happening next week downtown.

Work will be concentrated between Commercial & Martin

Streets the week of April 1st as crews begin the work of replacing the sanitary service pipes, from east to west, up the centre of Main Street. Follow the marked traffic lanes around the construction. Delays, if any, will be kept to a minimum! Expectations are that sanitary mains, water mains, underground work by gas and hydro will all be completed and the street re-paved by May 24th.

**ALL SIGNS POINT TO DOWNTOWN MILTON!... Construction signs, parking signs, flag-man signs ... OPEN FOR BUSINESS SIGNS!!**

Traffic flow will be maintained even while excavation work is underway to replace underground sanitary mains.

Want more details about what's happening on Main Street downtown? Check out the information display boards in the Town Hall lobby starting April 2nd.

*Happy Easter to all our great customers.*

We will be closed on Good Friday, Mar. 29 & Easter Monday, Apr. 1st.

**MILTON CHAMBER OF COMMERCE**

The most asked question on the lips of Milton residents is

**"What's happening to the Farmers' Market?"**

The market will open on May 18, 2002 in the TOWN HALL PARKING LOT on Mary Street. It will remain there until Main Street construction is totally completed. We expect that to be 6-8 weeks.

Your favourite vendors will be returning and so will the Scholarship Café serving "Bacon on a Bun"
