HOSPITAL

Experience Matters! Volunteer Appreciation Week April 21- 27, 2002

At Milton District Hospital we are very fortunate to have such a diverse group of youth and adult volunteers who share their unique skills and knowledge with us while gaining new experiences every day.

Our volunteers' experience helps comfort and support patients and families, assist staff, and raise much-needed funds for the hospital. Volunteers are involved in many different areas of the Hospital and they are very involved in fundraising activities with events such as the ever-popular Garage Sale, to be held on May 11th and the Strawberry Fair which will be held June 22nd.

The Auxiliary has a strong, respected voice within the Hospital. Representatives from the Auxiliary are members of both the Halton Healthcare Services and MDH Foundation Board of Directors.

As our hospital evolves to meet the growing demands of its community, the Auxiliary shares its expertise and willingness to explore new directions and challenges to help the hospital meet its goals.

Please join the MDH staff, patients and visitors in saying "Thank you!" to the many volunteers that make Milton's community hospital the success that it is!

If you're interested in volunteering at Milton District Hospital please call Virginia Galipeau at 905-878-2383.
