**Players don't forget to pick up your free water bottle from your coach at your first practice.**

### Reminder to Parents

An enjoyable soccer season requires your assistance. Please do not hesitate to offer your child's coach help with team lists, game reports or organizing a refreshment schedule, etc.

Remember to bring your players to their games 15 minutes prior to game time. This allows the coach time to prepare team list and starting line ups.

Please encourage your children to be reliable and committed to their team by doing their best to make the most of their games and practices.

During the summer months we realize that you may be away on vacation, please inform your coach if you cannot attend a game.

**Let's remember to support our coaches and referees.**

Parent volunteers run our club. They are always available to help in any way they can to ensure that everything runs smoothly and that the children are having fun. You can identify them by their gray shirts. Look for them on the fields.

**Thank you**  
 Town of Milton
