

HIGH SCHOOL REPORT

"MUSTANG MESSENGER"

Jeff Vandevalk

Holly Cambuzzi

Emily Willoughby

MILTON DISTRICT HIGH SCHOOL

Hey Stangs! Guess what? Just over a month left until exams and then SUMMER VACATION!!! Also coming up is Prom for all those Senior Stangs who are graduating and the athletic banquet. Life here at MDHS is as busy as ever! Here's what's been happening this week.

In The News

Speaking of Prom, have you bought your ticket yet? If not you better buy it today or you will have to pay \$60 instead of the \$50 the rest of us did. With the cost of renting a limo and tux; and buying a dress, and getting your hair done, you really don't want to pay that extra \$10 now do you? Make sure you get your tickets so you can enjoy the evening.

Make sure you save your empties from your long weekend parties to donate to the MDHS Bottle Drive in support of Prom. The drive will run all day May 22-24 at the school. Senior Stangs will be collecting bottles in the cafeteria all day for those 3 days. So bring in those empties and help make this year's Prom the best one ever. Hey do you still need to complete some of those community service hours? The Milton Community Resource Centre needs volunteers for their Children's Fair in Victoria Park June 8th 9:00 am - 3:00 pm. Check in Student Services for more information. GO GREASE LIGHTENING! That's right the play starts next Wednesday, so buy your tickets today! Contact the school for more information or check out the web page at www.grease.rules-theweb.com for more information. The cast and crew have been working hard to make this an unforgettable musical!

Sports Centre

MUF and TIPS began this week, both Frisbee games, run by the Sports Leadership class. Students got a chance to enjoy the nice weather and show off their good (or not so good) Frisbee skills. The Leadership class also hosted a badminton tournament to raise money for the National Children's Cancer Society. It ran Thursday, May 16th and students and staff paired up to play each other. The Boys Baseball team headed off to play a double header in Oakville on Wednesday. The Girls softball team also had a game on Wednesday against T.A. Blakelock.

Well that ends our busy week here at MDHS. We hope everyone enjoys their long weekend and gets a chance to kick back and relax for a while. Have fun, be safe and we will see you all back here next week. Same Time. Same Place. Different News. Catch ya later!

DATELINE DRURY

Maggie

Linsee

Robbie

Since we're graduating high school very soon, we've decided to use Dateline Drury as an opportunity to reminisce about our scholastic lives. So for this weekly report, you will be able to experience the events of Dateline Drury through the Kindergarten eyes of Robbie, Linsee, and Maggie.

On Wednesday, little Robbie toddled over to watch Drury's 2nd last Survivor challenge. Here's what his innocent eyes observed:

"I was watching Survivor and they were eating gross things for the challenge - icky things like wormies and hangaburs wif cottage cheese an' pickle juice pies an' currie! I was glad they didn't make me eat that stuff! It's even grosser than broccoli! And...and...that's all I got to say!"

Results of the challenge were not available at press time - check back next week for more information.

Maggie spent Tuesday helping Mrs. Ronan plan the Energy Challenge for May 30th.

"Missy Ronan is so nice. She is getting really happy and stuff for the Energy Challenge in a few weeks. All the special Ed kiddies can play and stuff and do games in the sun, and have fun in the sun, and stuff. Read Dateline Drury for a bedtime story next week for more information."

Linsee spent all day Wednesday in the library listening to Jenny Campbell talk about the upcoming Student Government elections!

"Wowzers! When I grow up, I really want to be on the Student Government! They do all sorts of fun things like plan dances and help other people. Boy, if I'm going to be a Student Government Executive member next year, I should hand in that important sheety thingy to him by May 22nd."

After school, Robbie went to watch the tennis team's practice. He had this to say:

"One person hit the ball really hard, and the other person hit it back, and then the other one hit the ball back again an'...an'...Oh yeah the Junior team is getting ready to play on May 22nd, and the Senior Team played on Wednesday. I will have to see how good dey did and tell you all next week."

Sadly, as Robbie couldn't read the calendar, and missed the game on Wednesday - next week we'll have the results for you. Robbie also was asleep at naptime when Mr. Keane announced that the golf team competed in their fifth tournament of the year on Tuesday. Robbie will have to make sure he isn't going to miss anything next time he nods off to Never-Never-Land.

Yawn Well, that's about it for this week Drurians! Robbie, Linsee and Maggie are all late for their naps, so make sure you check back next week for a more mature outlook on the news here at Drury. Have a great long weekend! Oh yeah, and **GO LEAFS GO!**

Mark Laframboise

BISHOP REDING HIGH SCHOOL

Ryan Pyne

Royal Report

By Mark Laframboise and Ryan Pyne

Students of Living Life (S.O.L.L.) held the annual Ultimate Mix Challenge last Wednesday. Congratulations to Leanne Bekeris and Alana Petrie whose "Paradise Punch claimed the judge's taste buds and first prize. Second place sent to "The Life Saver" concocted by Richard Demille, Rory Johnston and Dave Spahich. Maura and Mia Fazio and Farran Glynn earned third place with their "Citrus Sunrise". Thank you to all students and staff who made the event a success.

Last Thursday at the Halton Catholic District Board's mock trial Competition, Bishop Reding's team petitioned, advocated, argued and cross-examined their way to an impressive showing. The team consisting of: Natalie Dawkins, Antria Laguna, Stephanie MacDonald, Nicole Pereira, Ryan Pyne and William Wilson soundly defeated Notre Dame in first round action. They then competed in the Championship round. Facing Waterdown in the semi-finals the team was involved in a hotly contested trial, and protracted deliberations before the match ended in a tie. However, the team missed competing in the Championship match by a judge's decision. Congratulations for all of the hard work and accomplishments.

The Senior Boys' Soccer team soundly defeated Loyola 2-1 recently. Connor Sweeny and Matt Stockton scored B.R.'s goals while Frank Fazio, Bruce Milligan and Peter Schultz held up a stellar defense. Way to go guys.

The Senior Girls' Soccer teams confirmed their 2002 playoff appearance with back to back wins over Appleby College and E.C Drury. On Monday, the ladies travelled to Appleby College earning a 5-1 victory before facing off against E.C Drury on Tuesday. Amy Divalama, Erin Greenfield, Sienad Irvine, Amanda Kuiper, and Amanda Veros combined their excellent offensive skills along with Val Fazio's superb net minding in a 5-0 win. Good luck in upcoming playoff action.

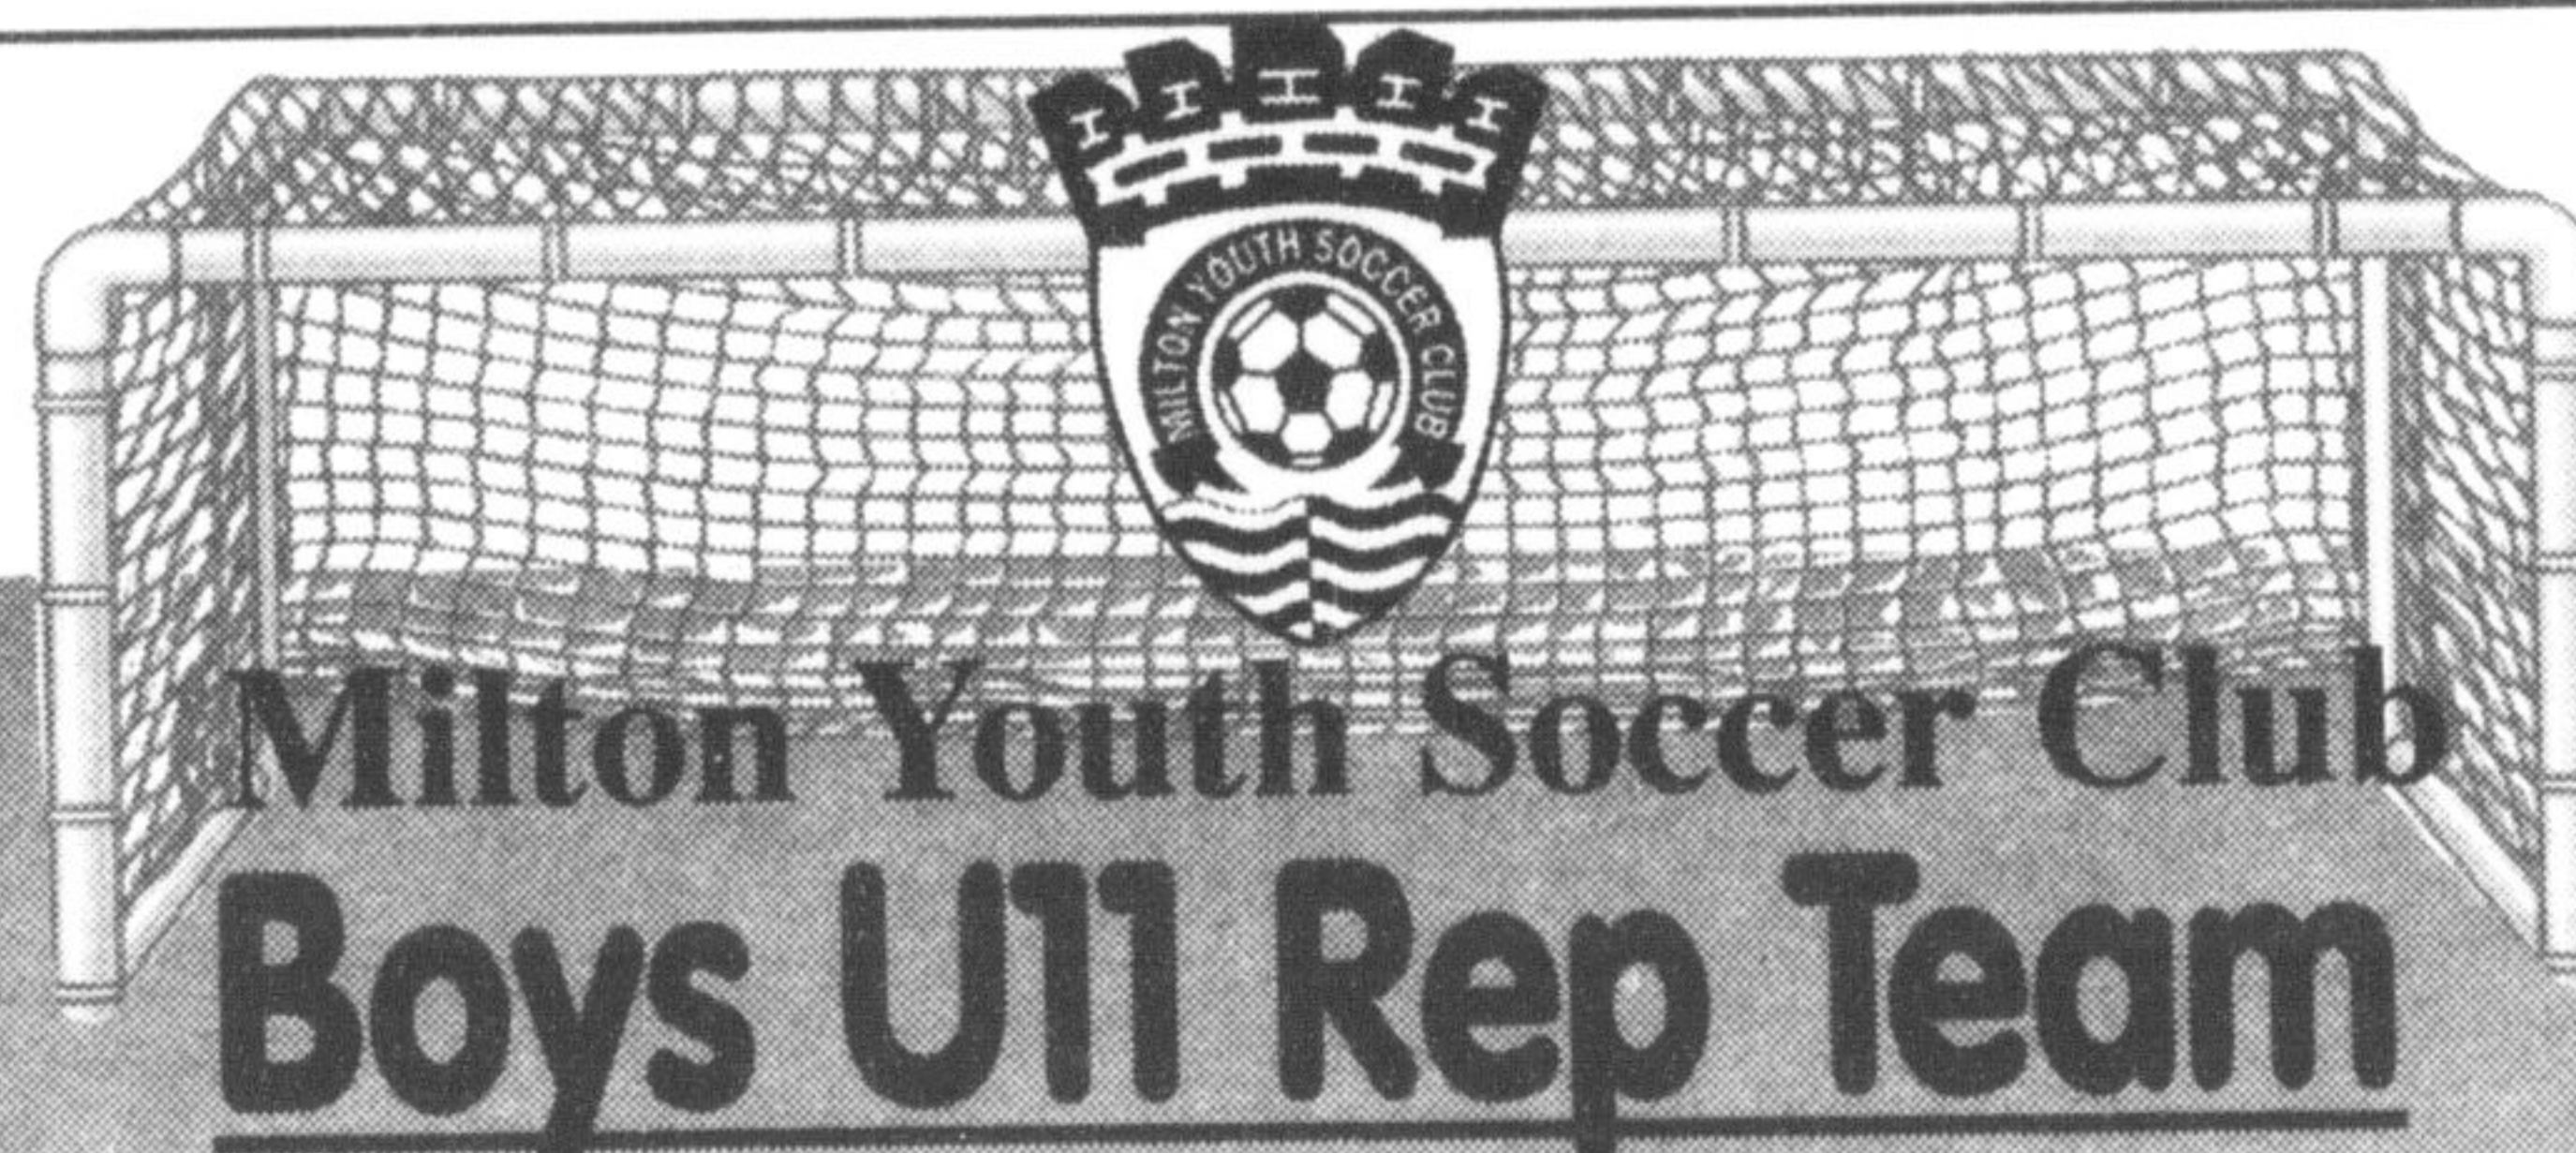

The Junior Girls' have also had great success. Following a 5-0 victory over Appleby, they faced White Oaks on Tuesday. Stephanie Douglas scored B.R.'s sole goal in the 1-1 tie.

In Boys' Baseball news, the Royals recently faced St. Thomas Aquinas. Liam Tennant and Chris Dumencu provided the offense with bases-loaded doubles to assist in the 7-6 victory. Rob Bennet and Nick Cluff were solid on the mound. They combined a total of for scoreless innings. Look out Blue Jays.

This coming week, Bishop Reding Senior Concert Band will be travelling to Montreal to perform in a number of concerts for a variety of audiences. As you have a great experience remember:

"It is not necessary to understand music; it is only necessary that one enjoy it"

- Leopold Stokowski

Milton Youth Soccer Club Boys U11 Rep Team

Have Openings for 4 spaces along with 4 alternate spaces.

We are practicing on Sunday Evenings at 7:00pm
at Milton District High School
and will have tryouts during the next two practices.

Boys born in 1991-1992 are eligible.

For more information please contact Ralph Williams at 905-878-1898
