

Festival volunteers sought

Volunteers are needed to help make Halton green.

The Oakville Community Centre for Peace, Ecology and Human Rights will host an information session Wednesday for persons interested in volunteering

for the 2003 Halton Eco Festival.

The information session will take place at 148 Kerr St. in Oakville at 7:15 p.m.

For more information, call (905) 849-5501.

Community gathers in support of family after death of doctor

Friends and family will remember Len Landry as an active environmentalist, football enthusiast and — perhaps most importantly — a caring doctor.

Dr. Landry died May 22. He was 51.

He's survived by his wife Rita and children Lennon, Sullavan and Zachary.

Dr. Landry, who practiced out of his home at Second Line and No. 15 Sideroad, suffered a stroke several years ago and had to cut back his practice.

And during the last six months, he had to stop seeing patients entirely.

Over the years, Dr. Landry was an active member of the Canadian Association of Physicians for the

The community has organized a fund and benefit concert for the family of the late Dr. Len Landry.

Environment and was vocal in the fight to keep garbage out of the Acton Quarry.

Close friend Father Mark Curtis will present a benefit concert — The Bow and the Ballad — in support of Dr. Landry's family

June 25 at the John Elliott Theatre in Georgetown. He will share the stage with Canadian fiddler Scott Woods.

"He was a very caring man and was more than my personal physician; he was a friend," Father Curtis said.

A memorial service for Dr. Landry will be held tomorrow at St. George's Church at Derry Road and Guelph Line at 1 p.m.

In lieu of flowers, donations can be made to The Community Action Fund in Care of the Landry Family at any Prosperity One location in Milton, Acton and Georgetown.

Tickets for the concert cost \$20 and can be purchased by calling (905) 877-3700.

MESSAGE FROM THE CHAIRMAN

There are five new Advanced Care Paramedics on Halton Region's Emergency Medical Services team. The paramedics are the Region's first graduates of the Advanced Care Paramedic training program at the Michener Institute of Applied Health Sciences in Toronto. On behalf of Regional Council, the employees at Halton Region and the residents of Halton, congratulations to John Carter, Timothy Mullen, David Extnance, Jason Barclay and Melissa O'Brien.

John Carter
Halton Region Chairman

NOTICE OF PUBLIC INFORMATION CENTRE No. 2

Derry Road (Regional Road 7) Improvements Fifth Line to Ninth Line Class Environmental Assessment Study

The Regional Municipality of Halton has initiated a Class Environmental Assessment to consider a wide range of options to satisfy future travel demands on Derry Road from approximately 150m east of Fifth Line to Ninth Line (refer to key plan shown below). A Public Open House was held on March 27, 2002 at which time the need for improvements was summarized and planning alternatives were assessed. Potential changes to be studied include widening the road and improvements to intersections.

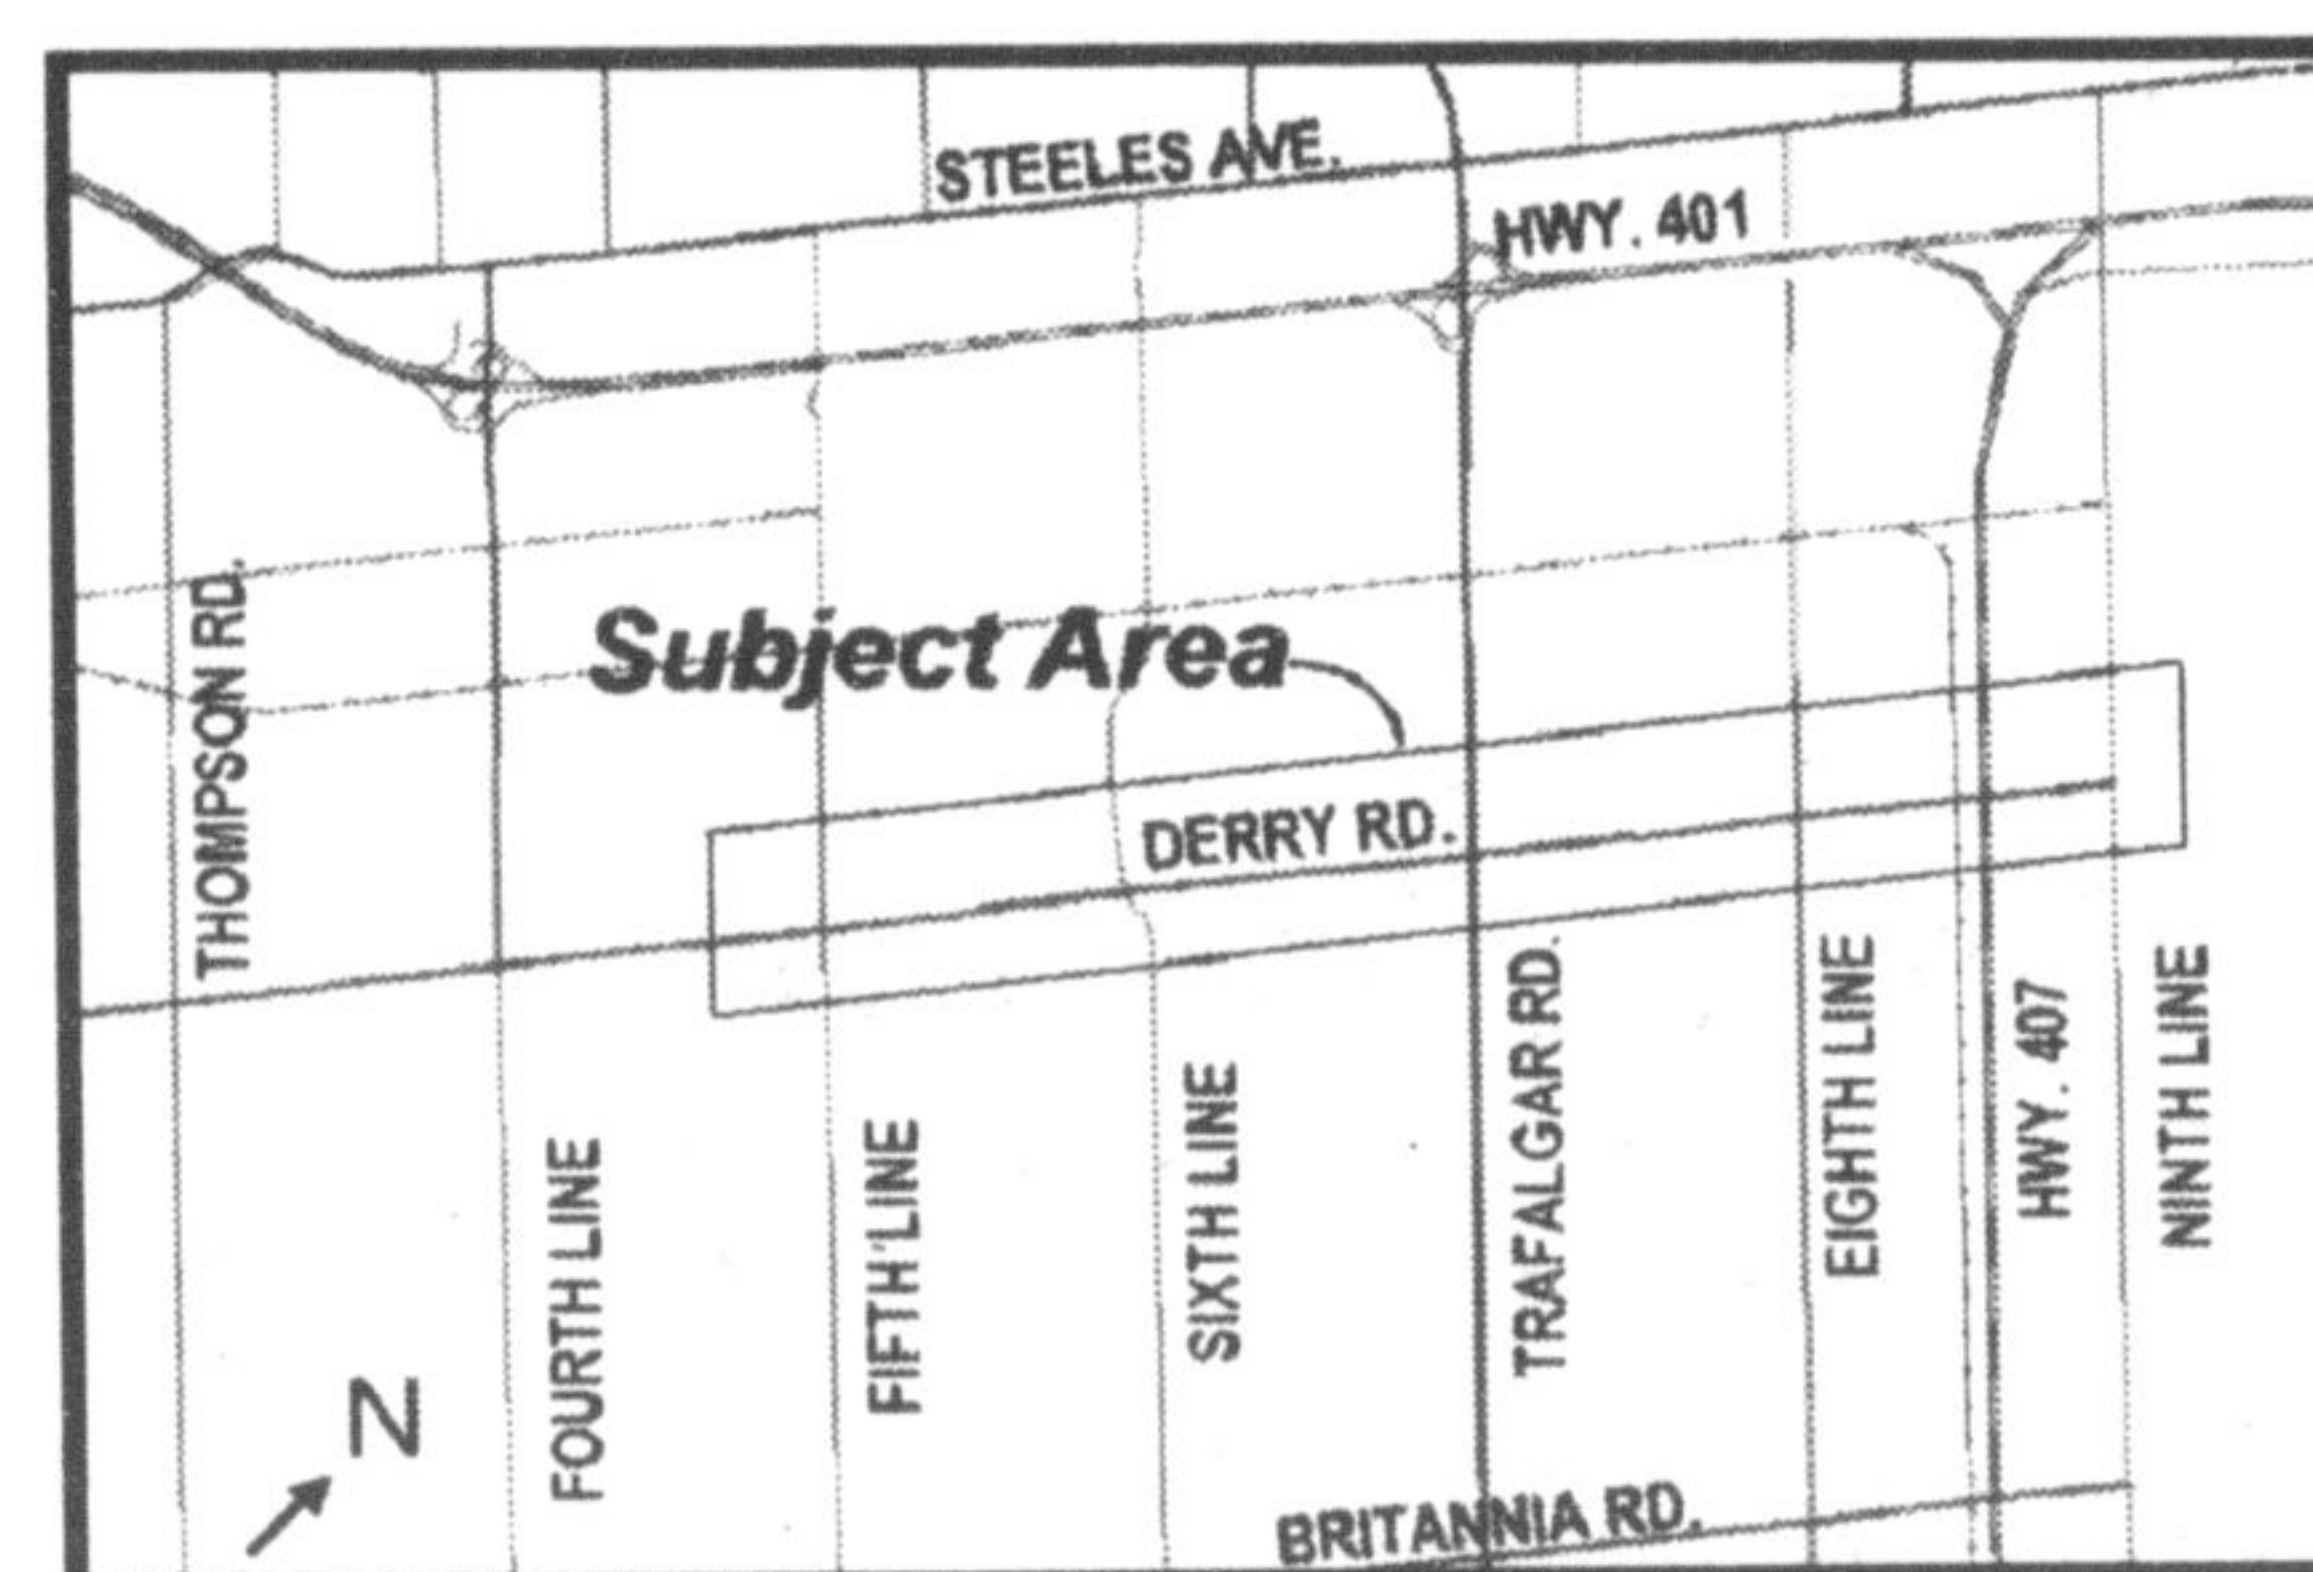

This notice signals the second public meeting to solicit public comments on the proposed road improvement alternatives, and present the evaluation criteria by which road improvement alternatives are assessed. The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (June 2000), which is approved under the Ontario Environmental Assessment Act.

Your are invited to attend the Public Information Centre on:

Tuesday, June 11, 2002
Milton District High School (cafeteria)
396 Williams Ave., Milton
(Williams at Commercial)
Open House 5:30 pm to 8:00 pm

If you are unable to attend the Public Information Centre and wish to provide comments or obtain further information about this project please contact the individuals below.

The map below shows the approximate limits of the study area.
