I'm the Main Man and I couldn't be any more excited about what's happening downtown. The digging is over, the new water and wastewater mains are installed, the connections to all the buildings are done. Now the fun stuff begins when we can actually see the progress at street level. Come on downtown and see what's happening!

The MAIN EVENT

Throughout the Main Street reconstruction project, the Milton Downtown Business Improvement Association (DBIA) will keep you informed about access, sales and promotion events—every Friday, page 5 of the Champion.
