WE'D LIKE TO MAKE THIS PERFECTLY CLEAR

Milton Watermain Cleaning Program 2002

As part of Halton's ongoing watermain maintenance program, Regional staff and our contractor will be cleaning the watermains in the Town of Milton commencing the week of

JULY 7, 2002.

This work will continue for approximately 6 weeks.

Halton staff will also be performing preliminary maintenance the week prior to the program start up. There may be some inconvenience to you during our operation, either when we are on your street, or even in your general area. Discoloured water is discharged during the cleaning process, and to avoid having it enter your home or place of business, please follow the steps noted below:

- Do not use water between the times indicated on your **BLUE LETTER**, which we will provide to you approximately 2 days prior to working on your street.
- When we are finished for the day on your street (times indicated in the **BLUE LETTER**) please turn on the cold water tap in your basement and let it run until the water is clear.

To keep informed of our progress, look for advertisements in this newspaper and look for our **BLUE LETTER** in your mailbox for the dates we'll be working on your street.

Questions?

Please call the Planning & Public Works Department at ext. 7704, 7705, or 7706 and Regional staff will be available to answer your questions and assist you.

Waste Collection Reminder

Due to the Canada Day holiday, waste collection will take place *the day after your regular collection day* for the week of July 1.

Halton's clean, vibrant waterfront helps to make our community a wonderful place to live, work, play and visit. Halton's Regional Waterfront Plan will ensure that our waterfront continues to be protected and enhanced. This summer, I invite you and your family to discover some of the exciting new features on Halton's waterfront, such as the pavilion at Beachway Park in Burlington or the Bronte Outer Harbour Marina. Together with our partners, we are enhancing quality of life in our community by creating new opportunities for recreation and healthy activity.
