Outdoor Water Ban in Effect

Halton Region has imposed a ban on outdoor water use.

Due to the recent extremely dry weather, the watering ban has been imposed to ensure an adequate supply in Halton's reservoirs for fire safety and essential household uses.

Please comply with the following restrictions:

- Do not water your lawn (including in-ground sprinklers)
- Do not wash your vehicle
- Do not wash your driveway or the sidewalk
- Do not top up your pool
- Do not fill fountains

The watering restrictions do not apply to flower and vegetable gardens, though gardens must be watered only with a watering can or a hose with a spray nozzle. Lawns that have been seeded or sodded in the past two months are exempt from the ban.

Failure to comply with the watering ban may carry fines up to \$2000, in accordance with by-law 93-89. The ban applies to both residences and businesses in Halton. Golf courses, botanical gardens, and public parks are asked to keep watering to a minimum.

For more information or updates on the status of the ban please call Halton's
