

Animal rescue group will hold fundraiser at conservation area

Not every abused animal is lucky enough to find refuge.

But Barlee's Angels Rescue Network, a southern Ontario non-profit animal rescue group, is trying to make finding shelter for the four-legged creatures a little easier.

In an effort to expand its boarding intake, the organization will hold Barleepalooza September 21 at Rattlesnake Point Conservation Area from 10 a.m. to 5 p.m.

Volunteers, supporters and other individuals will meet, greet and participate in contests with their dogs and bid on items in a silent auction.

Barbecue hotdogs and drinks will also be sold.

Barlee's Angels Rescue Network is made up of a group of volunteers who take in abused, neglected and abandoned animals. The group provides the cost of veterinary care, including spay/neuter procedures. The animals are then placed in carefully-screened homes.

To date, the organization has rescued more than 110 animals since conception in 1999 and it's planning to start a pet therapy program in the fall.

School Bus Orientation Day will be held next weekend

Two Halton school boards hosting event to teach kids school bus safety

A school bus is fun for many children but for new students it can be a big, scary thing.

Halton's two school boards and the region's bus operators hope to take the fear out of those first few bus rides by junior and senior kindergarten pupils by showing them the right way to behave in and around a school bus.

The Halton School Bus Safety Committee and bus operators will host the annual School Bus Orientation Day Saturday, Aug. 24 at six locations around the region, including one in Milton.

The free session starts at 9 a.m.

Those in attendance will receive a tip sheet entitled Think! Think! Think Safety!,

watch a classroom presentation and view a Winnie the Pooh video on school bus safety.

Participants will also hear school bus company safety officers and bus drivers talk about safely getting on and off the bus, proper behaviour on the bus and crossing the street to get to a school bus.

Milton's orientation day will be held at Bishop Reding Secondary School on Main Street East.

A MEMO FROM GOD

To: You
Date: Today
From: The Boss
Subject: Yourself
Reference: Life

I am God. Today I will be handling all of your problems. Please remember that I do not need your help.

If life happens to deliver a situation to you that you cannot handle - do not attempt to resolve it. Kindly put it in the SFGTD (something for God to do) box. All situations will be resolved, but in My time, not yours.

Once the matter is placed into the box - do not hold onto it by worrying about it. Instead, focus on all the wonderful things that are present in your life now.

If you find yourself stuck in traf-

fic - don't despair! There are people in this world for whom driving is an unheard of privilege.

Should you have a bad day at work - think of the man who has been out of work for years.

Should you despair over a relationship gone bad - think of the person who has never known what it's like to love and be loved in return.

Should you grieve the passing of another weekend - think of the woman in dire straits, working twelve hours a day, seven days a week to feed her children.

Should your car break down, leaving you miles away from assistance - think of the paraplegic who would love the opportunity to take that walk.

Should you notice a new gray hair in the mirror - think of the

cancer patient in chemo who wishes she had hair to examine.

Should you find yourself at a loss and pondering, "What is life all about?" or asking "What is my purpose?" be thankful! There are those who didn't live long enough to get the opportunity.

Should you find yourself the victim of other people's bitterness, ignorance, smallness or insecurities - remember, things could be

worse! You could be one of them!

To learn more about how a relationship with God can impact upon your world, visit a local church this week! Please consult the Religious Directory below for service times and locations!
