Girls Under 11

Milton Jaycees	1
Polybelting Inc	2

Alex Shroeder for Polybelting provided strong offensive and goaltending. Madison Hunter handled the ball well and scored twice for Polybelting. Britney Delin and Stephanie Angot contributed with strong defensive play turning back the Milton Jaycees attacks. Esther Gomes, Sarah Bonin and Kaylee Kearns played a strong defensive game for the Milton Jaycees. Eleanor Levman broke through the strong Polybelting defense to score for the Milton Jaycees. Candice Bailey and Lyndsey Innes tended goal for the Jaycees.

Boys Under 11

Maksteel	1
Nu-tech Recruiters	0

It was looking to be a tough match between these two teams, but unfortunately Nu-Tech Recruiters was forced to forfeit given the fact that only Taylor Burgess, Karl Lizon, Marcus Green and Tyler Rioux were the only players. The outcome was a friendly game involving the entire 13 strong Maksteel team and their coach versus the four Nu-Tech Recruiters and various parents and adults. Despite some "unfair play" by Nu-Tech Recruiters coach, Maksteel came on strong with Mike Wagg and Mike Furlong showing excellent determination. Goals for Maksteel were David Cross and Mike Kasowski. Robbie Watson was great in midfield for Maksteel. The adult dominated team ended up with the only goal for Maksteel being scored by Stanko Putica. All had a fun time.

Southview Dental	5
Fifth Wheel	2

Jason McBride opened the scoring for Southview Dental against a stalwart Fifth Wheel defence backed ably by Adam Borrelli and great goalkeeping by Alex Cosme. The Wheel fought back and equaled the scoring through Stuart Gooden who managed to squeeze one past the agile Nicholas Wilson in the Dental goals. Tariq Patel, Dillon Paradis, Stewart Gilmour and Jason McBride sealed the win for Southview with Owen Smith shining in Goal in the second half. Adam Borrelli clawed a goal back late in the game for the Wheel. Kudos to Andrew Bowman and his refereeing assistants.

Fifth Wheel	4
Precision Shepards	4

What more can be said of this game? The score says it all! Fifth Wheel missed a penalty five minutes into the game and Precision stormed back with a goal from Kian Herrmann. Play swung back and forth with both sides missing easy chances. Scoring for Fifth Wheel was: Adam Borrelli (2), Austin Van Rossum (1), and Braden Lavther with a marvelous World Cup type goal. Striking the net for Precision Shepards were: Kian Herrmann (3), and Gary Klutt. Both teams were evenly matched and produced some real quality soccer throughout. Special mention to the coaches who displayed real team spirit and encouraged their players to the end. Way to go boys!

Maksteel	2
Southview Dental Clinic	4

It was a great game as the two teams battled neck in neck. Despite excellent goalkeeping by Theo Villeneuve and Stanko Putica, Southview Clinic managed to win the game. Robbie Watson scored the two goals for Maksteel. Cameron Trusz of Maksteel fought hard in midfield, as did Sean Ferguson of Southview Dental Clinic. Good work, boys!

The Toronto Star	1
Nu-Tech Recruiters	1

A potential first round play-off preview. Nu-Tech came out flying and had a number of good early chances, but Matt Molkoski in The Toronto Star goal kept them at bay. At the 15 min. mark, after a miscue in The Star goal-mouth, Greg Mountain put Nu-Tech up 1-0. The Star pressed late in the half but Sanjay Moodie made some fine stops, including a penalty kick awarded to Sachin Ghai, to keep the score 1-0 at the half. The Star picked up where they left off and early in the second

half was awarded a second penalty kick, but could not convert. At the 10 min. mark, Sachin Ghai finally brought the Star even. With tremendous pressure in the Nu-Tech zone, The Star tried for the go-ahead goal but a hit crossbar and several great saves by Sanjay Moodie preserved the tie. Taylor Burgess, Alexander Davis, T. J. Moffat and Sanjay Moodie led Nu-Tech. Sachin Ghai, Ben and Zach Millar and Danny Schertzer led the Star offensively. Elliot Lafontaine and Brandon Zomer were tough in their own end. Well-played boys!

Bolton	6
Milton	1

Would this were not a re-scheduled game! The original July match, which did not enter the record books, had Milton come out the winner. This particular match had a somber beginning on a summer evening when weather was positively exquisite. Not only was play delayed for nearly a quarter of an hour, Bolton fielded a full complement of players plus several others to spare while Milton started with a mere 7 players. All the same, Bolton was held to only one goal until three other tardy Miltonians arrived to bolster the uneven numbers at the nine-minute mark. Brett Farquharson and Brendan Whiting assisted ably in advancing the ball towards the Bolton net. Although both Martin and Andy Czernicki sported royal blue manes, this did not serve to distract any of the Bolton forwards. Ethan O'Connor delivered excellent defensive play throughout the game and executed a powerful direct kick towards the Bolton goalie later on in the game. Aaron Caven put heart and soul into heading the ball as well as heading off the advancing Bolton players. Half time, curtailed to an absolute minimum, hardly allowed Milton to catch a breath. Robbie Watson buoyed up the players' spirits with a fine goal early in the second half.

Milton	2
Hamilton	8

The game started ominously with Milton fielding only 8 players. That did not deter them as they faced a full Hamilton Serbia squad of 16. Milton was playing a very defensive game but found themselves behind quickly, with two very quick goals from Hamilton. Not letting their heads down, Milton rebounded with a very quick strike catching Hamilton unprepared. Nicholas Williams found the back of the net after beating the keeper out side the penalty box. Within minutes Milton were awarded a free kick outside the box, which Ethan O'Connor curled high, past the keeper. At half time Milton were only down by one. The second half showed the effect of the short squad, with the boys running out of energy. Outstanding effort by all Milton players, with nobody in their usual spots, it was a job well done.

Milton	1
Georgetown	3

The squad had their backs to the wall before the game started, as it was the 5th in a row where Milton did not have any substitutes and the third in a row with a short squad. The Georgetown Mavericks showing true sportsmanship only fielded ten players to match Milton. The game was fast with end-to-end action in the first half with many opportunities for goals by both teams. At the end of the first half, Brett Farquharson capping off a fierce battle in the Georgetown end tied the score at 1 with Milton's lone tally. The second half started similar to the first but as the energy level dropped for Milton, Georgetown were able to capitalize on two beautiful long range goals to the top corners of the goal. Milton's keeper Andrew Wilkinson made tremendous saves all night long while Ethan O'Connor and Ryan Burgess, did an excellent job of clearing the ball from the back.

Girls Under 13

Canadian Tire	2
Muddy Duck	1

A short-sided Muddy Duck team welcomed the break from the heat and humidity. Canadian Tire kept keepers Jessica Heaney

and Josie Sgro busy. Laura Prusha and Jessica Cyr were able to find the mark to put Canadian Tire ahead. Vickie Kiriapoulos of Muddy Duck made three great attempts but was stopped by keepers Kelsey Wimmer and Allison Behoo. As Muddy Duck pressed in the second half, Laurie Cameron scored. Courtney Flatt of Muddy Duck showed great determination in her play and Jessica Heaney ran well in the second half. Canadian Tire's defencesmen Meaghan Sansom, Catherine Hayward, Gabriel Deans and Sarah Asdrubolini made numerous big kicks stopping Muddy Duck's rushes.

Chirokickers	5
Kodiak Power Equipment	4

It was a well-fought game, in such hot weather. Chirokickers started the game with two goals by Makayla Tosh, but Kodiak struck back with four amazing goals by Emily Warzonek. By second half and with Kodiak in the lead, the girls were exhausted. With great passing, Chirokickers were able to sneak in 2 more goals, one by Jade Brownridge and another by Makayla Tosh. With three minutes left in the game, Kodiak's Emily Warzonek scored one final goal to win the game. Goaltenders for the game were Nikki Coulson and Courtney Coulombe for the Chirokickers and Michelle Serafine and Sarah Ames for Kodiak. Deserving special mention is Kodiak's Amanda Cameron and Samantha Spiers for great passing.

Boys Under 13

Two-Stage Innovation	6
Miltowne Collision	4

Everyone deserves special recognition for the superior game that had only 8 players on each team. Mark Thompson began the scoring for Two Stage Innovation with help from his teammates Kyle Furik and Pierre Brennan. Matthew Russell scored quickly for Miltowne while defencesmen Mickey Cramer and Tyler Stevens began an outstanding game for their team. Matthew Russell scored again for Miltowne while Mark Thompson equaled the tally for Two Stage. While Adam Persaud and Lee Derrick kept the ball moving for Two-Stage, Kyle Furik scored for his team, while Miltowne's Andrew Locke tried to keep the ball moving back to his team. Evan Pavan scored twice for Miltowne, while Wade McGuinness matched these with two for Two-Stage. Bruno Mangiola and Michael Kaiser made some outstanding plays for their team. Miltowne Collision, along with Kyle Hall who played in and out of net. Two Stage's Kyle Furik, scored the final goal for the win with full support of great team players, Kyle Bond and Brad Sharpe.

Brian's Auto	2
Dairy Queen	1

It was an amazingly close defensive game. Neither team had substitutes, but neither team was willing to give an inch. Brian's Auto managed to sneak out a 2-1 victory with Dairy Queen threatening late in the game. Brian's Auto got goals from Nick Ronan and Kevin Iwasa-Madge, while Dairy Queen got their goal from Gerry Giddens. Outstanding performances were put in by goalies Quinn Ward (Brian's Auto) and Kevin Goncalves (Dairy Queen) despite relentless pressure. Special mention should be made of Brian's Auto players Peter Halls and Liam Hope, and Dairy Queen players Chris Meidel and Adam Reitman.

La Rose Bakery	5
Scott Batenchuk	6

Everyone was Hot! Both these two teams heated up the field. The fans could not stay in their lawn furniture. Magnificent defensive play by Justin Schimtz, Bradley Cordner and Matthew Claessens of La Rose Bakery could stop the fast, furious feet of Scott Stover of Scott Batenchuk who slammed 5 goals home for his team. Alex Sieben of Scott Batenchuk helped his teammate Cian Gavin score 1 for their team to bring the score for Scott Batenchuk to 6 goals total. La Rose Bakery kept the challenge alive until the end. Cameron Freelen and Kaedin Szelei-Miko played great defense for Scott Batenchuk but could not stop Mathew Fratarcangeli of La Rose Bakery who charged forward and planted 3

goals for his team. "the Frat trick". Tyler Lafontaine of La Rose Bakery delivered 2 goals of his own with the help of teammates Stephen Adams, Drago Pulica and Domenic Lizzi of La Rose Bakery. David Burchett and Joel Adkins tended the goal posts for Scott Batenchuk while the "J" man Jay Glinny watched the goal for La Rose Bakery the entire game. The Players of La Rose Bakery would like to send a great big "GET WELL SOON" out to their teammate Luc Hartwick who is on the DL, hurry back Luc!

Dairy Queen	2
Lindsay McLaren-Remax	1

Despite the relatively low score, this was an exciting, action-packed game. Kevin Goncalves of Dairy Queen scored the lone goal in the first half with a beautifully placed long shot. Scoring in the second half was Shawn Coulas for Dairy Queen on a penalty kick, and Nicholas Tielmans for Remax. Great defensive moves by Dairy Queen's Andrew Coll and Jacob Malecki relieved some of the pressure on their goalies, Nick Wannamaker and Kevin Goncalves, and Tyler Bortlis played a strong game in mid-field. Contributing to great teamwork for Remax, Brian Lee was awesome in mid-field and Michael Haringa played a strong game in forward. In goal for Remax were Richard Wamsley and Colin Berdard.

Dairy Queen	7
Two Stage Innovation	0

On a hot and humid night, a great team effort by Dairy Queen proved to be too much for Two Stage Innovation. Despite the determined goalkeeping of Two Stage Innovation's Ryan Wade, scoring for Dairy Queen were Daniel Lewandowski, Tyler Sieben, Kevin Goncalves, Chris Meidel, and Jacob Malecki. Adam Reitman of Dairy Queen did a great job of running the ball up to his forwards. Two Stage Innovation's forward line of Mark Thompson, Wade McGinnis and Kyle Furik placed a number of solid shots on goal, but unfortunately were not successful in getting them past Dairy Queen's goalies Nick Wannamaker and Tyler Sieben.

Brian's Auto Repair & Tire	4
Lindsay McLaren - Remax	2

Both teams played hard from the opening whistle. Jonathon Camik of Brian's Auto scored two goals early to give his team the lead. Todd Masse, who had a great game, set up one goal beautifully. After that, the first half belonged to Remax. Joshua Holtzshuler and Nicholas Tieleman scored a goal a piece to tie the game up at the first half. Matthew Jessup and Richard Wamsley played goalie for Remax and were great

when called upon. Liam Hope of Brian's Auto, scored two wonderfully set-up goals to win the game for Brian's Auto. Josh White had another great game in goal for Brian's Auto, with help from Patrick Desantis and Nick Ronan, while Daniel Casa, Zack Walpole and Brian Lee each had strong games for Remax.

Miltowne Collision	9
Industrial Light & Electric Inc.2	

The coaches were proud as these teams incorporated many techniques to show off their soccer skills. A perfect pass from Brendan Chronin to Evan Pavan resulted in the first goal for Miltowne Collision. Matt Sewell for Industrial Light was kept hopping as Miltowne's Bruno Mangiola kicked a goal high into the net. This was followed by Miltowne's next goal as Evan Pavan used his head and following coach Colin Hall's training, butted it in to score. Nathan Hicks and Hunter Tait showed great teamwork protecting their net for Industrial Light. A penalty kick for Miltowne's Tyler Stevens netted them another goal, while Industrial's Stephen Jackson was in sole control of the ball to earn him the next point. Andrew Paynton scored next for Industrial. Miltowne's Riley Duke and Mickey Cramer showed superior play helping Matt Russell score a hat trick. To conclude the play, Evan scored twice more, while Industrial's Craig Nordstrom performed outstanding acrobatics in net.

Gloucester Invitational Soccer Tournament	
---	--

The Magic Girls Under 15 team travelled to the Nation's Capital to compete in the Gloucester Invitational Soccer Tournament. Milton showed extremely well, playing in the top ranked division against mostly higher rated Elite teams. The girls went undefeated in round robin play and made it to the semi-finals, where they fell to the highly ranked Burlington Thistle, but not before pushing Burlington to the very limit in making their presence felt.

The opener was a 3-2 win over South Nepean United. Providing the scoring punch were Tanya Maduri, Sara Mancini and Ally Kurgan.

Game 2 saw Milton tie Ottawa Internationals Thunderbirds 0-0. Goalie Cassandra Berghammer backstopped the shutout.

Game 3 required a victory over the Kitchener Spirit for first spot. The spirited contest ended in a 1-1 draw, placing Milton in sec-

ond with the final playoff spot. Tammy Merritt provided the equalizer for the Magic.

Milton crossed over for semi-final play against the very strong Burlington Thistle team, who had finished first in their group. The teams were very even early on as indicated by the 0-0 score at the end of the first half. A defensive lapse by Milton led to Burlington taking the initial lead. Having the wind taken out of their sail, Burlington quickly jumped out to a 2-0 lead. However, throwing caution to the wind the Magic opened up offensively and were rewarded with a goal from Melissa Gismond to cut the score in half. It wasn't enough though as Burlington sank the insurance marker with time running out to make the final 3-1.

Providing outstanding support over the tournament were, Teia Clement, Julie Iantorno, Jessie Reitman, Shannon Johnston, Elaine Robinson, Alayna Byrnes-Frizzell and Leslea Punnett.

Boys Under 16

New Mechanical	2
Bi-Line System	1

This hotly contested match saw some terrific downfield rushes by Bi-Lines System's Sean Ward and some equally amazing saves by New Mechanical goalie, Nik Spohr. Sean Ward did score on one attack but Nick Vipond and Allister MacKenzie struck back for New Mechanical. Nick Groves played very solid defense for Bi-Line, as did Kyle Baynton for New Mechanical.

Girls Under 19 NHPSL

Legion squad extends its undefeated string to eight games with a come from behind victory against the Georgetown One team. Ali Rollwagen held the opposition strikers to three while the Milton attackers lead by Sinead Irvine, Meagan Ames and Shaina Locke scored 4 times. Jennifer Clarke, Courtney Leskun, Carley Jukes and Chelsea Young were relentless in their tackling. Nicole Does was strong in the midfield position. The team is now in first place with two tough games left to win if it hopes to finish on top. Coaches Bob Rollwagen and Paul Stentiford are very proud of the great effort the team members have been making this season. We wish them all the best as they move towards the finals on August 24.
