Cosmetics is a varied business with many products and services to offer. Here at Shoppers Drug Mart, Carriage Square, we offer professional service and all our cosmetic staff are certified professional cosmeticians and have a wealth of knowledge on a wide variety of products.

We can help you choose haircolouring, streaking and special effects. If by chance you have a hair colouring mishap, we can also advise on how to correct and repair any mistakes.

Our store carries a wide variety of cosmetics including our exclusive line Quo; which is only available at Shoppers Drug Mart. By appointment you can book a makeover and colour consultation with our experts.

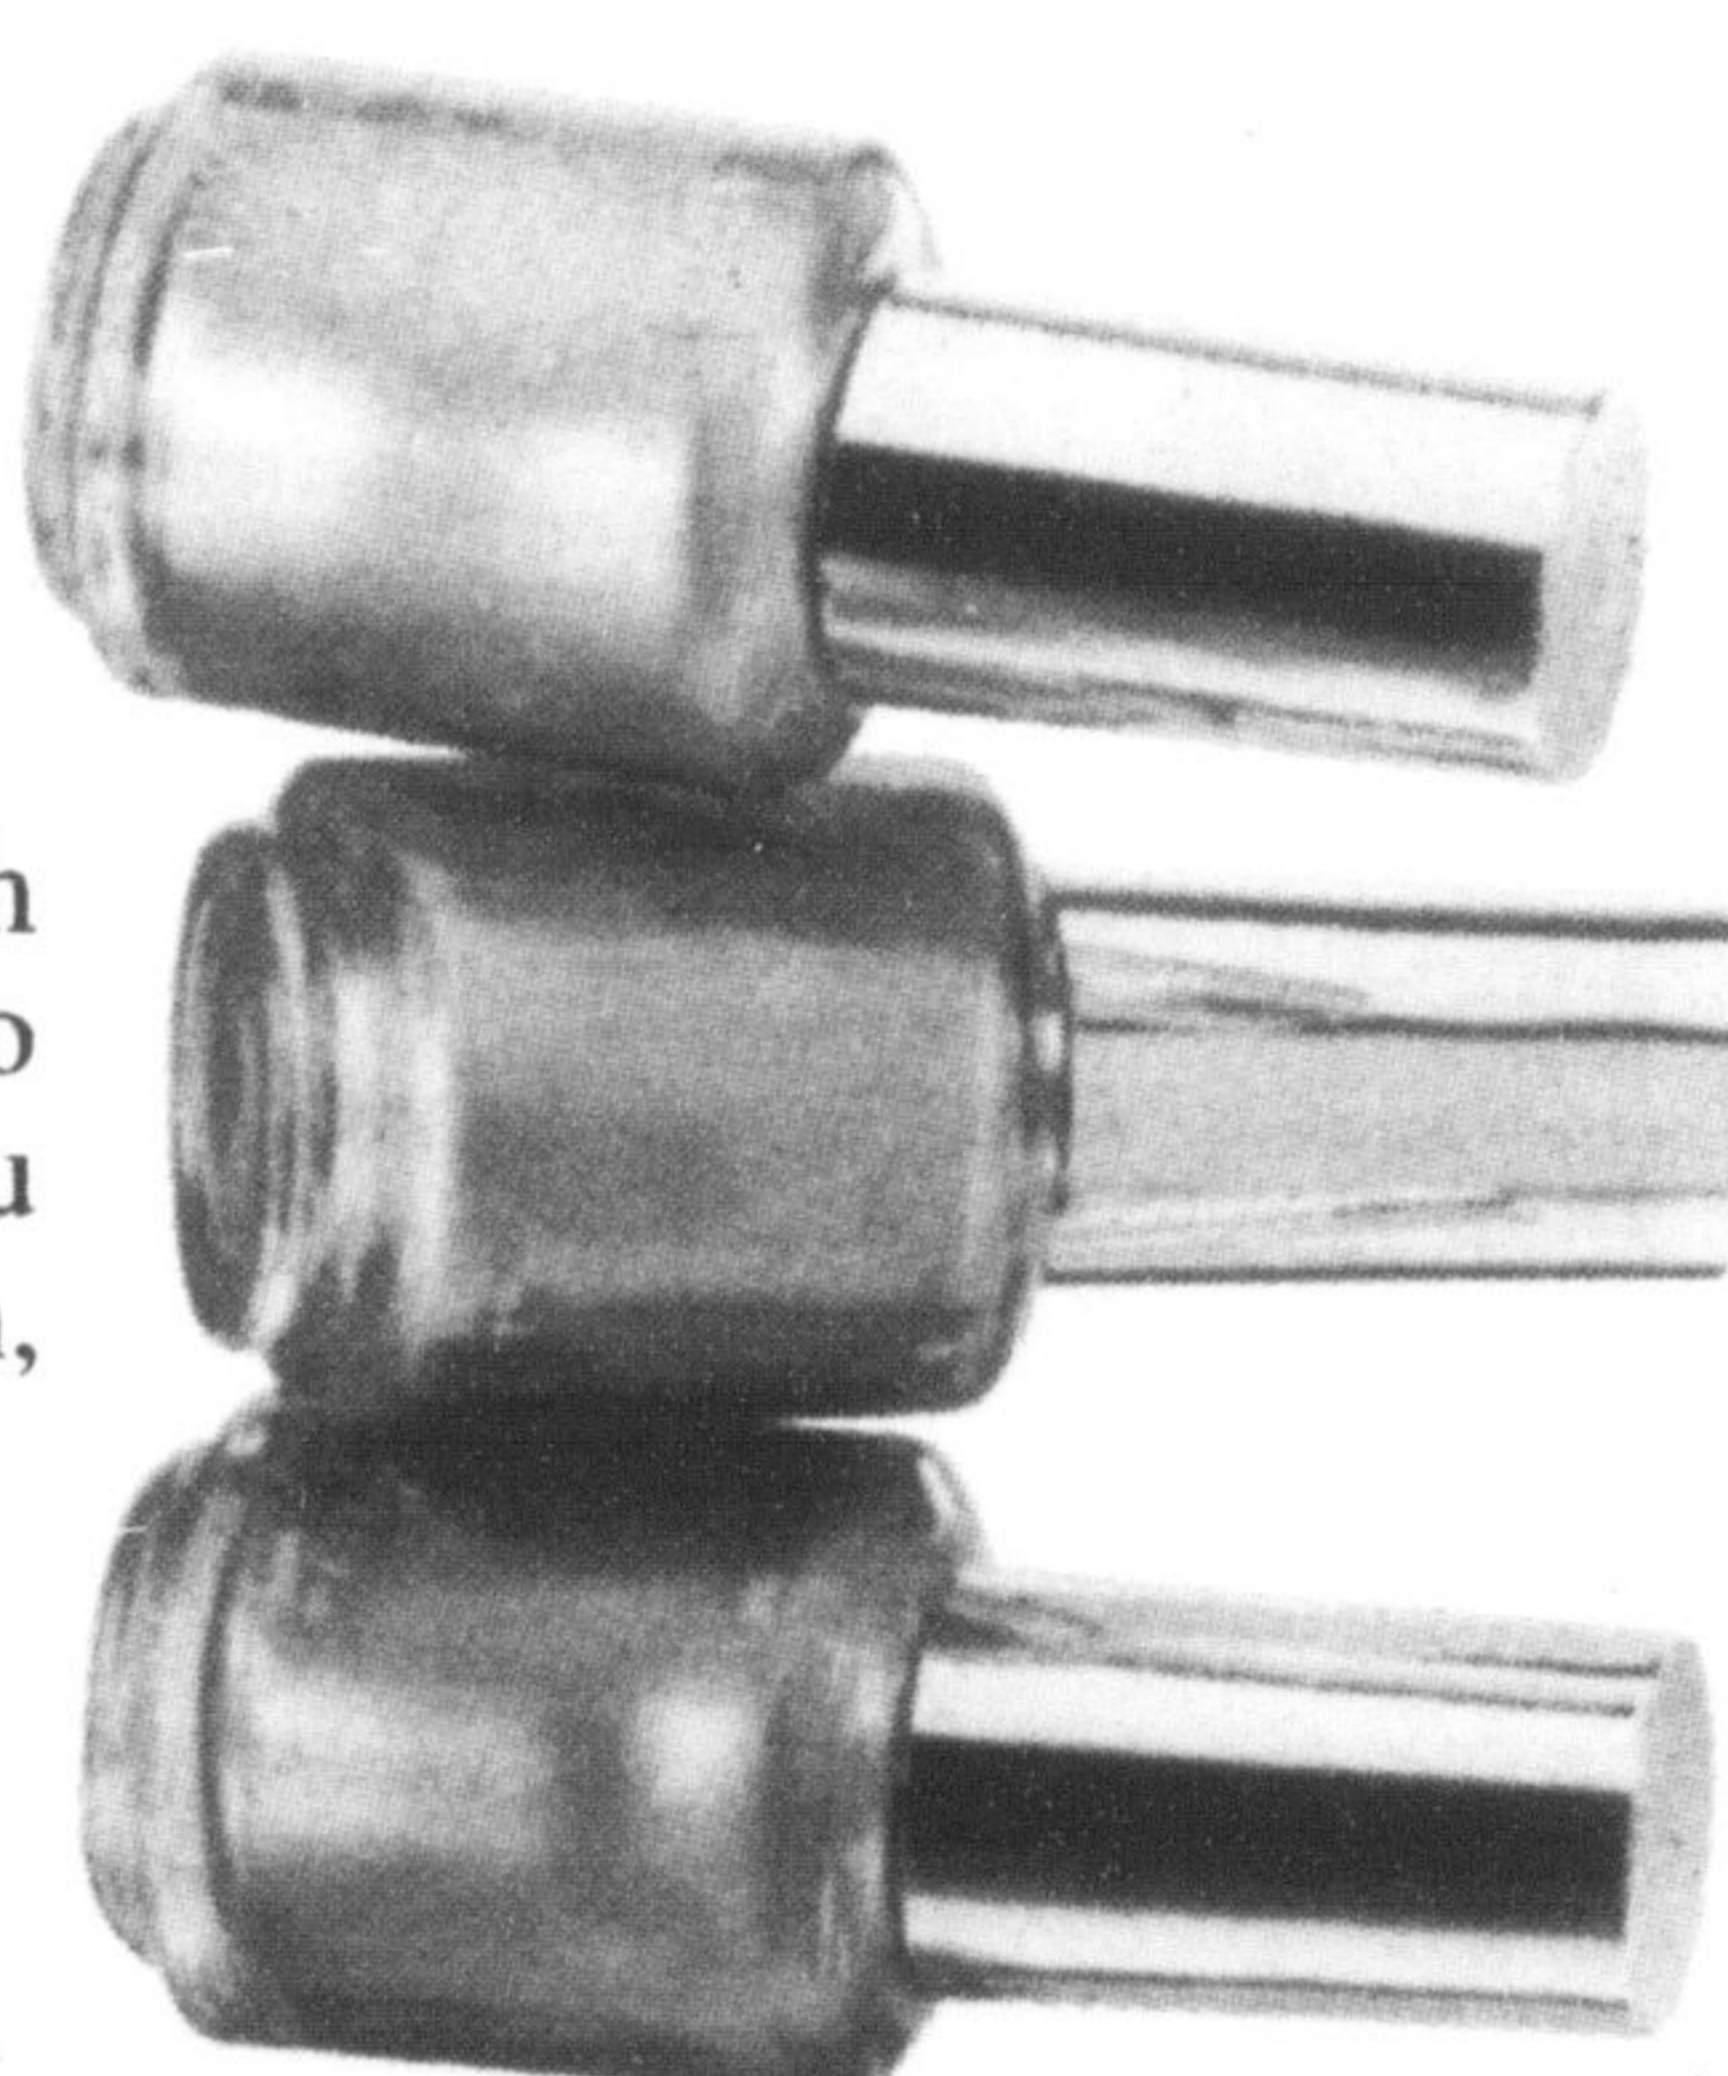

We offer an excellent selection of fine fragrances for all tastes, some of which are Alfred Sung, Hugo Boss, Elizabeth Arden, Ralph Lauren and many others. Our Rialto bath and body line contains many products with natural ingredients and scents to pamper and soften the skin.

Summertime is a great time to show off your hands and feet, and we can provide a wonderful selection of products for that professional looking manicure and pedicure.
