## School boundary maps can be found on board Web site

Figuring out which school your child will attend has been made easier with the posting of boundary maps on the Halton District School Board Web site.

"We are pleased to be able to

offer this service for our residents, especially at the beginning of a new school year when parents need this information," said Elaine Westerhof, manager of planning with the board. "We receive many

inquiries from people moving to Halton, residents of the area, and real estate agents asking for information about school boundaries."

Boundary maps can be found at [www.haltondsb.on.ca](http://www.haltondsb.on.ca).
